DELAWARE RIVER BASIN COMMISSION

Notice of Public Hearing and Business Meeting; August 7 and September 5, 2024

Notice is hereby given that the Delaware River Basin Commission will hold a public hearing on Wednesday, August 7, 2024. A business meeting will be held the following month on Thursday, September 5, 2024. Both the hearing and the business meeting are open to the public and will be conducted virtually.

Public Hearing. The Commission will conduct the public hearing virtually on August 7, 2024, commencing at 1:30 p.m. Hearing items will include draft dockets for withdrawals, discharges, and other projects that could have a substantial effect on the basin's water resources. A list of the projects scheduled for hearing, including project descriptions, along with links to draft docket approvals, will be posted on the Commission's website, www.drbc.gov, in a long form of this notice at least ten days before the hearing date.

Written comments on matters scheduled for hearing on August 7, 2024 will be accepted through 5:00 p.m. on Monday, August 12, 2024.

The public is advised to check the Commission's website periodically during the ten days prior to the hearing date, as items scheduled for hearing may be postponed if additional time is needed to complete the Commission's review. Items also may be added up to ten days prior to the hearing date. In reviewing docket descriptions, the public is asked to be aware that the details of projects may change during the Commission's review, which is ongoing.

Business Meeting. The business meeting on September 5, 2024 will be held virtually commencing at 10:30 a.m. and will include: adoption of the Minutes of the Commission's June 5, 2024 business meeting; announcements

of upcoming meetings and events; a report on hydrologic conditions; reports by the Executive Director and the Commission's General Counsel; and consideration of any items for which a hearing has been completed or is not required. The agenda is expected to include consideration of the draft dockets for withdrawals, discharges, and other projects that were subjects of the public hearing on August 7, 2024.

After all scheduled business has been completed and as time allows, the business meeting will be followed by up to one hour of Open Public Comment, an opportunity to address the Commission off the record on any topic concerning management of the basin's water resources outside the context of a duly noticed, on-the-record public hearing.

There will be no opportunity for additional public comment for the record at the September 5, 2024 business meeting on items for which a hearing was completed on August 7, 2024 or a previous date. Commission consideration on September 5, 2024 of items for which the public hearing is closed may result in approval of the item as proposed, approval with changes, denial, or deferral. When the Commissioners defer an action, they may announce an additional period for written comment on the item, with or without an additional hearing date, or they may take additional time to consider the input they have already received without requesting further public input. Any deferred items will be considered for action at a public meeting of the Commission on a future date.

Advance Registration and Sign-Up for Oral Comment. Registration links for those who wish to attend and speak during the (virtual) public hearing and for those who wish to speak during the (in-person) Open Public Comment session immediately following the business meeting will be posted at www.drbc.gov at least ten days before each meeting date. The Commission's public hearing, business meeting, and Open Public Comment session will also be livestreamed on YouTube at https://www.youtube.com/@DRBC_1961. For assistance, please contact Ms. Patricia Hausler of the Commission staff, at patricia.hausler@drbc.gov.

DEPARTMENT OF ENERGY

Fusion Energy Public-Private Consortium Framework; Extension of Comment Period

AGENCY: Fusion Energy Sciences, Office of Science, Department of Energy.

ACTION: Request for information; extension of public comment period.

SUMMARY: On June 7, 2024, the U.S. Department of Energy (DOE) published a request for information (RFI) regarding input on a proposed fusion energy public-private consortium framework (PPCF). The RFI provided an opportunity for submitting written comments, data, and information by July 22, 2024. DOE has received a request to extend the public comment period for an additional 15 days. DOE

has reviewed this request and is granting an extension of the public comment period to allow comments to be submitted until August 6, 2024.

DATES: The comment period for the RFI published on June 7, 2024 (89 FR 48605) is extended. DOE will accept comments, data, and information regarding the RFI on or before August 6, 2024.

ADDRESSES: Interested persons are encouraged to submit comments using the Federal eRulemaking Portal at www.regulations.gov.

FOR FURTHER INFORMATION CONTACT: Dr. Colleen Nehl, U.S. Department of Energy, Office of Fusion Energy Sciences, Office of Science, 1000 Independence Avenue SW, Washington, DC 20585, (301) 903-4920, email: ppcf@science.doe.gov.

SUPPLEMENTARY INFORMATION: On June 7, 2024, DOE published an RFI to invite interested parties to provide input on a proposed fusion energy public-private consortium framework (PPCF). The RFI set a comment period deadline of July 22, 2024. An interested party in the matter, the Fusion Industry Association (FIA), a non-profit organization composed of dozens private fusion companies and fusion affiliates, requested a 15-day extension of the public comment period to review and comment on the RFI given the substantial overlap in the timeline for a current fusion funding opportunity announcement, and the significant impact of a fusion consortium. DOE believes that additional time is warranted and is extending the comment period for 15 additional days, as requested. Therefore, comments on this RFI will be accepted until August 6, 2024.
