Privacy Act of 1974; Matching Program

AGENCY: Office of Government Contracting and Business Development, U.S. Small Business Administration.

ACTION: Notice of a new matching program.

SUMMARY: The United States Small Business Administration (SBA) and Department of Veteran Affairs (VA) pursuant to the National Defense Authorization Act for Fiscal Year 2021 and transferred the responsibility for certification of Veteran-Owned Small Businesses (VOSB) and Service-Disabled Veteran-Owned Small Businesses (SDVOSB) to SBA as of January 1, 2023 (Transfer Date). This proposed new Computer Matching program seeks to ensure that applicants for SBA Veteran Small Business Certification Program are eligible as qualifying veterans. This will be accomplished by matching specific VA data with SBA data to determine what applicants and participants meet SBA’s Veteran Small Business Certification Program criteria. This new Agreement, between SBA and VA, will terminate the existing Agreement published, December 15, 2022, Computer Matching Agreement Between U.S. Small Business Administration and U.S. Department of Veteran Affairs (VA).

DATES: Submit comments on or before August 16, 2024. This new matching agreement will be effective upon publication and expires 18 months from the date of publication.

To accomplish this, VA and SBA will participate in a Computer Matching program to match data to identify what veterans are qualifying veterans and to verify eligibility for SBA’s certification program. The average number of records being matched on an annual basis is 21,468.

Participating Agencies: U.S. Department of Veteran Affairs and U.S. Small Business Administration.
