

relief under Rule 6c-11 under the 1940 Act to offer Multi-class ETF Shares, not only the requested prospective exemptive relief referenced in the proposed rule change. Accordingly, the Commission also seeks comment on whether the Exchange has provided sufficient information and explanation regarding either the requested proposed exemptive relief referenced in the proposed rule change or other future exemptive relief that has not yet been requested, and the relationship between any such exemptive relief and its proposed rule change, to allow an evaluation of whether the proposed rule change is consistent with Section 6 of the Act. In particular, the Commission requests comment on whether the Exchange has provided sufficient explanation of how its proposed rule change is designed to prevent fraudulent and manipulative practices in light of the scope of the exemptive relief under Rule 6c-11 potentially available to the Multi-class ETF Shares that may be generically listed under the proposed rule change.

IV. Procedure: Request for Written Comments

The Commission requests that interested persons provide written submissions of their views, data, and arguments with respect to the issues identified above, as well as any other concerns they may have with the proposal. In particular, the Commission invites the written views of interested persons concerning whether the proposed rule change is consistent with Section 6(b)(5) or any other provision of the Act, and the rules and regulations thereunder. Although there do not appear to be any issues relevant to approval or disapproval that would be facilitated by an oral presentation of views, data, and arguments, the Commission will consider, pursuant to Rule 19b-4, any request for an opportunity to make an oral presentation.²⁵

Interested persons are invited to submit written data, views, and arguments regarding whether the proposed rule change should be approved or disapproved by August 8, 2024. Any person who wishes to file a rebuttal to any other person's

submission must file that rebuttal by August 22, 2024.
