

Securities Exchange Act of 1934 (“Exchange Act”), seeking registration as a national securities exchange under Section 6 of the Exchange Act.¹ The Applicant’s Form 1 application provides detailed information on how GIX proposes to satisfy the requirements of the Exchange Act.

The Commission is publishing this notice to solicit comments on GIX’s Form 1 application. The Commission will take any comments it receives into consideration in making its determination about whether to grant GIX’s request to be registered as a national securities exchange. The Commission will grant the registration if it finds that the requirements of the Exchange Act and the rules and regulations thereunder with respect to GIX are satisfied.²

GIX’s Form 1 application states that GIX would be wholly owned by its parent company, Green Exchange, PBC (“GEPBC”). The Form 1 application provides that GIX would operate a fully automated electronic trading platform for the trading of listed equities and would not maintain a physical trading floor. One feature of GIX’s Form 1 application is that GIX proposes to enter into an agreement with MEMX Technologies, LLC to license the technology underlying the GIX trading platform.³ The Form 1 application provides that liquidity would be derived from orders to buy and orders to sell submitted to GIX electronically by GIX members from remote locations. GIX proposes to have one class of membership open to registered broker-dealers. A novel feature of GIX’s proposed listing standards is that GIX intends to require all companies that list on GIX to comply with its Green Governance Standards, which, according to GIX, will be designed to provide transparency and accountability for listed companies’ green and sustainability promises and signal to investors focused on green practices that listed companies are credible.⁴

A more detailed description of the manner of operation of GIX’s proposed system can be found in Exhibit E to GIX’s Form 1 application. The proposed rulebook for the proposed exchange can be found in Exhibit B to GIX’s Form 1 application, and the governing documents for GIX and GEPBC can be found in Exhibit A and Exhibit C to GIX’s Form 1 application. A listing of

the officers and directors of GIX can be found in Exhibit J to GIX’s Form 1 application. A complete set of forms concerning membership and access can be found in Exhibit F to GIX’s Form 1 application. A discussion of GIX’s Green Governance Standards and their consistency with the Exchange Act can be found in Exhibit H–5 to GIX’s Form 1 application.

GIX’s Form 1 application, including all of the Exhibits referenced above, is available online at www.sec.gov/rules/other.shtml. Interested persons are invited to submit written data, views, and arguments concerning GIX’s Form 1 application, including whether the application is consistent with the Exchange Act.
