POSTAL SERVICE

Privacy Act of 1974; System of Records

AGENCY: Postal Service®.

ACTION: Notice of a modified system of records.

SUMMARY: The United States Postal Service® (USPS®) is proposing to revise three Customer Privacy Act Systems of Records (SOR). These modifications are being made to provide further identity verification services for business customers and to mitigate fraud.

DATES: These revisions will become effective without further notice on August 26, 2024, unless, in response to comments received on or before that date result in a contrary determination.

ADDRESSES: Comments may be submitted via email to the Privacy and Records Management Office, United States Postal Service Headquarters (uspsprivacyfedregnotice@usps.gov). To facilitate public inspection, arrangements to view copies of any written comments received will be made upon request.

FOR FURTHER INFORMATION CONTACT: Janine Castorina, Chief Privacy and Records Management Officer, Privacy and Records Management Office, 202-268-3069 or uspsprivacyfedregnotice@usps.gov.

SUPPLEMENTARY INFORMATION: This notice is in accordance with the Privacy Act requirement that agencies publish their systems of records in the **Federal Register** when there is a revision, change, or addition, or when the agency establishes a new system of records. The Postal Service has determined that Customer Privacy Act System of Records USPS 810.100 www.usps.com Registration, USPS 860.000 Financial Transactions, and USPS 910.000 Identity and Document Verification Services, should be revised to provide further identity verification services for business customers and to mitigate fraud.

I. Background

As the Postal Service continues its mission to serve the people of the United States, it continues to innovate to find products and solutions that will benefit its customers. To this end, USPS has introduced the Business Customer

Gateway, a platform that allows businesses of all types quick and easy access to postal services. As part of this initiative, to protect the safety of its customers and to combat fraudulent activity, Business Customers will be required to provide their Employer Identification Number (EIN) when registering for an account. This EIN will be processed through USPS' existing identity verification methodology to validate these accounts, further enhancing the security of these new systems.

II. Rationale for Changes to USPS Privacy Act Systems of Records

The Postal Service will modify three Privacy Act Systems of Records accordingly to implement these changes:

USPS 810.100 will update category of records 1 and 2 to include Employer Identification Number (EIN)

USPS 860.000 will include a new purpose, 5, and will update category of records 1 to include Employer Identification Number (EIN)

USPS 910.000 will update category of records 1 to include Employer Identification Number (EIN)

III. Description of the Modified System of Records

Pursuant to 5 U.S.C. 552a(e)(11), interested persons are invited to submit written data, views, or arguments on this proposal. A report of the proposed revisions to this SOR has been sent to Congress and to the Office of Management and Budget for their evaluations. The Postal Service does not expect this modified system of records to have any adverse effect on individual privacy rights. Accordingly, for the reasons stated above, the Postal Service proposes revisions to this system of records. SORs 810.100 www.usps.com Registration, Financial Transactions 860.000, and 910.000 Identity and Document Verification are provided below in their entirety.
