SUPPLEMENTARY INFORMATION: The decision to approve the revised Plan for the Gila National Forest and the Regional Forester's list of species of conservation concern for the Gila National Forest will be subject to the objection process identified in 36 CFR part 219 subpart B (219.50 to 219.62). Per 36 CFR 219.53 only individuals and entities who have submitted substantive formal comments related to a plan revision during the opportunities for public comment that are attributable to the objector may file an objection, unless the objection concerns an issue that arose after the opportunities for formal comment.

How To File an Objection

Objectors must be submitted to the Reviewing Officer at the address shown in the **ADDRESSES** section of this notice. Please be explicit as to whether the objection is to the "Gila National Forest Plan Revision" or the "Regional Forester's list of Species of Conservation Concern for the Gila National Forest".

An objection must include the following (36 CFR 219.54(c)):

(1) The objector's name and address along with a telephone number or email address if available. In cases where no identifiable name is attached to an objection, the Forest Service will attempt to verify the identity of the objector to confirm objection eligibility;

(2) Signature or other verification of authorship upon request (a scanned signature for electronic mail may be filed with the objection);

(3) Identification of the lead objector when multiple names are listed on an objection. The Forest Service will communicate to all parties to an objection through the lead objector. Verification of the identity of the lead objector must also be provided if requested;

(4) The name of the plan, plan amendment, or plan revision being objected to, and the name and title of the responsible official;

(5) A statement of the issues and/or parts of the plan, plan amendment, or plan revision to which the objection applies;

(6) A concise statement explaining the objection and suggesting how the draft plan decision may be improved. If the objector believes that the plan, plan amendment, or plan revision is inconsistent with law, regulation, or policy, an explanation should be included;

(7) A statement that demonstrates the link between the objector's prior substantive formal comments and the content of the objection, unless the objection concerns an issue that arose after the opportunities for formal comment; and

(8) All documents referenced in the objection (a bibliography is not sufficient), except the following need not be provided:

a. All or any part of a Federal law or regulation,
 b. Forest Service Directive System documents and land management plans or other published Forest Service documents,

c. Documents referenced by the Forest Service in the planning documentation related to the proposal subject to objection, and

d. Formal comments previously provided to the Forest Service by the objector during the proposed plan, plan amendment, or plan revision comment period.

It is the responsibility of the objector to ensure that the Reviewing Officer receives the objection in a timely manner. The regulations generally prohibit extending the length of the objection filing period (36 CFR

219.56(d)). However, when the time period expires on a Saturday, Sunday, or a Federal holiday, the time is extended to the end of the next Federal working day (11:59 p.m. for objections filed by electronic means such as email) (36 CFR 219.56).

Responsible Official

The responsible official who will approve the Record of Decision and the revised Plan for the Gila National Forest is Forest Supervisor Camille Howes, Gila National Forest Supervisor's Office, 3005 E Camino del Bosque, Silver City, NM 88061, Phone: (575) 388-8201. The responsible official for the list of species of conservation concern is Michiko Martin, Regional Forester, USDA Forest Service Southwestern Region, 333 Broadway Blvd. SE, Albuquerque, NM 87102.

The Regional Forester is the reviewing officer for the revised Plan since the Forest Supervisor is the responsible official (36 CFR 219.56(e)). Objection review of the Regional Forester's list of species of conservation concern will be subject to a separate objection process from the objection review of the Forest Plan. The Chief of the Forest Service is the reviewing officer for species of conservation concern identification since the Regional Forester is the responsible official (36 CFR 219.56(e)(2)).

This authority may be delegated to an individual Deputy Chief or Associate Deputy Chief for the National Forest System, consistent with delegations of authority provided in the Forest Service Manual at sections 1235.4 and 1235.5.

Keith Lannom,

Associate Deputy Chief National Forest System.

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: The U.S. Department of Commerce (Commerce) is rescinding the administrative review of the antidumping duty order on mattresses from the People's Republic of China (China) for the period of review (POR)

December 1, 2022, through November 30, 2023.

DATES: Applicable July 30, 2024.

FOR FURTHER INFORMATION CONTACT: Stephen Bailey AD/CVD Operations, Office IV, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482-2972.

SUPPLEMENTARY INFORMATION:

Background

On December 16, 2019, Commerce published in the **Federal Register** the antidumping duty order on mattresses from China.¹ On December 1, 2023, Commerce published in the **Federal Register** a notice of opportunity to request an administrative review of the *Order*.² On December 29, 2023, Commerce received a timely request from domestic interested parties Corsicana Mattress Company, Future Foam Inc., FXI, Inc., Kolcraft Enterprises Inc., Leggett & Platt, Incorporated, Serta Simmons Bedding, LLC, and Tempur Sealy International, Inc. (collectively, the petitioners), in accordance with 19 CFR 351.213(b)(1), to conduct an administrative review of the *Order* for 44 companies.³

On February 8, 2024, Commerce published in the **Federal Register** a notice of initiation of administrative review with respect to imports of mattresses exported by 44 companies, in accordance with section 751(a) of the Tariff Act of 1930, as amended (the Act), and 19 CFR 351.221(c)(1)(i).⁴ On February 27, 2024, we placed on the record U.S. Customs and Border Protection (CBP) data for entries of mattresses from China during the POR, showing no reviewable POR entries and invited interested parties to comment.⁵ No interested party submitted comments to Commerce regarding the CBP data.

On April 2, 2024, Commerce notified all interested parties of its intent to rescind the instant review in full because there were no reviewable, suspended entries of subject

merchandise by any of the 44 companies listed in the *Initiation Notice* during the POR and invited interested parties to comment.⁶ No interested party submitted comments to Commerce in response to this notice.

Rescission of Review

Pursuant to 19 CFR 351.213(d)(3), it is Commerce's practice to rescind an administrative review of an antidumping duty order when there are no reviewable entries of subject merchandise during the POR for which liquidation is suspended.⁷ Normally, upon completion of an administrative review, the suspended entries are liquidated at the antidumping duty assessment rate calculated for the review period.⁸ Therefore, for an administrative review to be conducted, there must be a reviewable, suspended entry that Commerce can instruct CBP to liquidate at the antidumping duty assessment rate calculated for the review period.⁹ As noted above, there were no entries of subject merchandise for any of the 44 companies listed in the *Initiation Notice* during the POR.

Accordingly, in the absence of suspended entries of subject merchandise during the POR, we are hereby rescinding this administrative review, in its entirety, in accordance with 19 CFR 351.213(d)(3).

Assessment

Commerce will instruct CBP to assess antidumping duties on all appropriate entries. Antidumping duties shall be assessed at rates equal to the cash deposit of estimated antidumping duties required at the time of entry, or withdrawal from warehouse, for consumption, in accordance with 19 CFR 351.212(c)(1)(i). Commerce intends to issue assessment instructions to CBP no earlier than 35 days after the date of publication of this rescission notice in the **Federal Register**.

Administrative Protective Order

This notice serves as the only reminder to parties subject to an administrative protective order (APO) of their responsibility concerning the

disposition of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3). Timely written notification of the return or destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and terms of an APO is a violation subject to sanction.

Notification to Interested Parties

This notice is issued and published in accordance with sections 751(a)(1) and 777(i)(1) of the Act, and 19 CFR 351.213(d)(4).

Dated: July 24, 2024.

Scot Fullerton,

Acting Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations.
