## SECURITIES AND EXCHANGE COMMISSION

[Release No. 34–100617; File No. SR–ICC–2024–006]

### Self-Regulatory Organizations; ICE Clear Credit LLC; Notice of Filing and Immediate Effectiveness of Proposed Rule Change Relating to the Stress Testing Framework

July 30, 2024.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (“Act”),<sup>1</sup> and Rule 19b–4 thereunder,<sup>2</sup> notice is hereby given that on July 16, 2024, ICE Clear Credit LLC (“ICC”) filed with the Securities and Exchange Commission (“Commission”) the proposed rule change as described in Items I, II, and III below, which Items have been prepared primarily by ICC. ICC filed the proposed rule change pursuant to Section 19(b)(3)(A)<sup>3</sup> of the Act and Rule 19b–4(f)(1)<sup>4</sup> thereunder, such that the proposed rule change was immediately effective upon filing with the Commission. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

#### I. Clearing Agency’s Statement of the Terms of Substance of the Proposed Rule Change

The principal purpose of the proposed rule change is to revise the ICC Stress Testing Framework (“STF”). These revisions do not require any changes to the ICC Clearing Rules (“Rules”).

#### II. Clearing Agency’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, ICC included statements concerning the purpose of and basis for the proposed rule change, security-based swap submission, or advance notice and discussed any comments it received on the proposed rule change, security-based swap submission, or advance notice. The text of these statements may be examined at the places specified in

Item IV below. ICC has prepared summaries, set forth in sections (A), (B), and (C) below, of the most significant aspects of these statements.

(A) *Clearing Agency’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change*

##### (a) Purpose

ICC proposes to update the STF. The STF sets forth the ICC stress testing practices that are focused on ensuring the adequacy of systemic risk protections. The proposed changes are limited to clarifying language in Appendix A of the STF. ICC believes the proposed changes will facilitate the prompt and accurate clearance and settlement of securities transactions and derivative agreements, contracts, and transactions for which it is responsible. ICC proposes to move forward with implementation of these changes following Commission approval of the proposed rule change. The proposed changes are described in detail as follows.

ICC proposes to update STF Section 18, “Appendix A”. Appendix A provides details on the various equations used within the STF. ICC proposes the addition of a cross-reference to the description of Equation 1, Appendix A. Specifically, the descriptive paragraph to Equation 1 contains a reference to “portfolio hypothetical additional losses related to the Wrong Way Risk stemming from Clearing Participant specific exposure.” ICC proposes the addition of a cross-reference to Section 3 of STF which provides additional details regarding “portfolio hypothetical additional losses related to the Wrong Way Risk stemming from Clearing Participant specific exposure.” The proposed addition of the cross-reference does not revise ICC’s stress testing methods or procedures, rather it is intended to further clarify the STF as required to address a 2023 Commodity Futures Trading Commission exam finding.

ICC proposes minor updates to Section 1 ‘Table of Contents’ to update the page numbers. Also, ICC purposes to update the cross-reference coding in Section 7, to footnote 10. Lastly, ICC proposes to update Section 17 ‘Revision History’ to include the proposed changes.

##### (b) Statutory Basis

As discussed herein, the proposed addition of the cross-reference to Appendix A in the STF strengthens the STF by clarifying that the language in Appendix A relates to Section 3 of the STF. Accordingly, ICC believes that the
