#### SUPPLEMENTARY INFORMATION:

These mission responsibilities generate the requirement to request and obtain certain data from recipients of Federal surplus real property conveyances under the Federal Public Benefit Conveyance Program for the purpose of determining compliance, such as the number of individuals that speak non-English languages encountered by the recipient's program(s) and how the recipient is addressing meaningful access for individuals that are Limited English Proficient; whether the recipients provide disability access in compliance with applicable laws and standards; whether there has been complaints or lawsuits filed against the recipient based on prohibited discrimination; whether there has been any findings of discrimination; and whether the recipient's facilities are accessible to qualified individuals with disabilities.

approval from the Office of Management and Budget (OMB) for each collection of information they conduct or sponsor.

The term "collection of information" is defined in 44 U.S.C. 3502(3) and 5 CFR 1320.3(c) and includes agency requests or requirements that members of the public submit reports, keep records, or provide information to a third party. Section 3506(c)(2)(A) of the PRA requires Federal agencies to publish a 60-day notice in the **Federal Register** concerning each proposed collection of information, including each proposed extension or reinstatement of an existing collection of information, before submitting the collection to OMB for approval.
