

Women Reauthorization Act, Public Law 113–4. The Task Force operates under the provisions of the Federal Advisory Committee Act of 1972, as amended (codified at 5 U.S.C. chapter 10).

The Deputy Attorney General has determined that the reestablishment of the Task Force is necessary and in the public interest and will provide information that will assist the National Institute of Justice (NIJ) to develop and implement a program of research on violence against American Indian and Alaska Native women, including domestic violence, dating violence, sexual assault, stalking, murder and sex trafficking. The research will evaluate the effectiveness of the Federal, State, and Tribal response to violence against American Indian and Alaska Native women and will propose recommendations to improve these responses. Title IX of VAWA 2005 also required the Attorney General to establish a Task Force to assist NIJ with development of the research study and the implementation of the recommendations.

The Attorney General, acting through the Director of the Office on Violence Against Women, originally established the Task Force on March 31, 2008. The charter to reestablish the Task Force was filed with the Agency on June 18, 2024 and was filed with Congress on July 11, 2024. The charter was re-filed with Congress with a technical amendment on July 29, 2024. The Task Force is comprised of representatives from national Tribal domestic violence and sexual assault nonprofit organizations, Tribal governments, and national Tribal organizations. Task Force members, with the exception of travel and per diem for official travel, shall serve without compensation.

The Deputy Director, Tribal Affairs Division, Office on Violence Against Women, shall serve as the Designated Federal officer for the Task Force.

Rosemarie Hidalgo,

Director, Office on Violence Against Women.
