

The Committee finds good cause to dispense with the 30-day delay in the effective date normally required by the Administrative Procedure Act. See 5 U.S.C. 553(d). This addition to the Committee's Procurement List is effectuated because of the expiration of the U.S. Air Force Custodial Service, Maxwell Air Force Base, Montgomery, AL contract. The Federal customer contacted and has worked diligently with the AbilityOne Program to fulfill this service need under the AbilityOne Program. To avoid performance disruption, and the possibility that the U.S. Air Force will refer its business elsewhere, this addition must be effective on 8/25/2024, ensuring timely execution for a 9/1/2024 start date while still allowing 16 days for comment. The Committee also published a notice of proposed Procurement List addition in the **Federal Register** on 5/10/2024 and did not receive any comments from any interested persons. This addition will not create a public hardship and has limited effect on the public at large, but, rather, will create new jobs for other affected parties—people with significant disabilities in the AbilityOne program who otherwise face challenges locating employment. Moreover, this addition will enable Federal customer operations to continue without interruption.

Deletions

On 7/5/2024 (89 FR 55590), the Committee for Purchase From People Who Are Blind or Severely Disabled published notice of proposed deletions from the Procurement List. This notice is published pursuant to 41 U.S.C. 8503 (a)(2) and 41 CFR 51–2.3.

After consideration of the relevant matter presented, the Committee has determined that the service(s) listed below are no longer suitable for procurement by the Federal Government under 41 U.S.C. 8501–8506 and 41 CFR 51–2.4.

Regulatory Flexibility Act Certification

I certify that the following action will not have a significant impact on a substantial number of small entities. The major factors considered for this certification were:

1. The action will not result in additional reporting, recordkeeping or other compliance requirements for small entities.

2. The action may result in authorizing small entities to furnish the service(s) to the Government.

3. There are no known regulatory alternatives which would accomplish the objectives of the Javits-Wagner-O'Day Act (41 U.S.C. 8501–8506) in

connection with the service(s) deleted from the Procurement List.

SUPPLEMENTARY INFORMATION:

Purpose: In accordance with the Government in the Sunshine Act (Sunshine Act), Public Law 94–409, as amended (5 U.S.C. 552b), the U.S. Election Assistance Commission (EAC) will hold a public meeting on “Closing the Accessibility Gap: Voting in 2024 and Beyond.”

Agenda: The EAC will host a public meeting to discuss progress made on serving voters with disabilities and new advances in technology, best practices, and funding opportunities to support accessibility efforts. The agenda includes panel discussions with representatives from the EAC, election administrators, and subject matter experts. Panelists will give remarks and respond to questions from the EAC Commissioners.

The full agenda will be posted in advance on the events page of the EAC website: <https://www.eac.gov/events/2024/08/28/closing-accessibility-gap-voting-2024-and-beyond>.

Background: Through the Help America Vote Act of 2002 (HAVA), the EAC is tasked with maintaining a clearinghouse of election administration information. HAVA also ensures there is at least one accessible voting machine per polling place and created additional rights related to ballot casting for voters with disabilities. To fulfill this mission, the EAC provides best practices recommendations, training materials, and other resources for election officials. By enhancing the agency's work with voters with disabilities and the election officials who serve them, the EAC aims to improve accessibility and ensure an independent and private vote for all.

Status: This meeting will be open to the public.

Camden Kelliher,

Acting General Counsel, U.S. Election Assistance Commission.
