## SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-100663; File No. SR-ISE-2024-34]

### Self-Regulatory Organizations; Nasdaq ISE, LLC; Notice of Filing of Proposed Rule Change To Amend ISE Options 4, Section 3 To List and Trade Options on Units That Represent Interests in a Trust That Holds Ether (“Ether ETPs”)

August 6, 2024.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (“Act” or “Exchange Act”),<sup>1</sup> and Rule 19b-4 thereunder,<sup>2</sup> notice is hereby given that on July 22, 2024, Nasdaq ISE, LLC (“ISE” or “Exchange”) filed with the Securities and Exchange Commission (“Commission”) the proposed rule change as described in Items I and II below, which Items have been prepared by the Exchange. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

#### I. Self-Regulatory Organization’s Statement of the Terms of Substance of the Proposed Rule Change

The Exchange to [sic] amend Options 4, Section 3, Criteria for Underlying Securities.

The text of the proposed rule change is available on the Exchange’s website at <https://listingcenter.nasdaq.com/rulebook/ise/rules>, at the principal office of the Exchange, and at the Commission’s Public Reference Room.

#### II. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

##### A. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

###### 1. Purpose

The Exchange proposes to amend Options 4, Section 3, Criteria for Underlying Securities. Specifically, the

Exchange proposes to amend Options 4, Section 3(h) to allow the Exchange to list and trade options on units that represent interests in a trust that hold ether (“Ether ETPs”), designating them as Exchange-Traded Fund Shares (“ETFs”) deemed appropriate for options trading on the Exchange. Options 4, Section 3(h) provides that, subject to certain other criteria set forth in that Rule, securities deemed appropriate for options trading include ETFs that represent certain types of interests,<sup>3</sup> including interests in certain specific trusts that hold financial instruments, money market instruments, or precious metals (which are deemed commodities).<sup>4</sup>

Ether ETPs are ether-backed commodity ETPs structured as trusts.<sup>5</sup> Similar to any ETF currently deemed appropriate for options trading under Options 4, Section 3(h), the investment objective of an Ether ETP trust is to reflect generally the performance of the price of ether (before payment of the trust’s expenses and liabilities), offering investors an opportunity to gain exposure to ether without the complexities of ether delivery. As is the case for ETFs currently deemed appropriate for options trading, a [sic] Ether ETP’s shares represent units of fractional undivided beneficial interest in the trust, the assets of which consist principally of ether and are designed to track ether or the performance of the price of ether and offer access to the ether market.<sup>6</sup> Ether ETPs provide investors with cost-efficient alternatives that allow a level of participation in the ether market through the securities market. The primary substantive difference between Ether ETPs and ETFs currently deemed appropriate for

<sup>3</sup> Options 4, Section 3(h) provides that securities deemed appropriate for options trading shall include shares or other securities (“Exchange-Traded Fund Shares” or “ETFs”) that are traded on a national securities exchange and are defined as an “NMS” stock under Rule 600 of Regulation NMS, and that meet certain criteria specified in Options 4, Section 3(h), including that they: . . . (iv) represent interests in the SPDR® Gold Trust, the iShares COMEX Gold Trust, the iShares Silver Trust, or the ETFs Gold Trust . . . . In addition to the aforementioned requirements, Options 4, Section 3(h)(1) and (2) must be met to list options on ETFs.

<sup>4</sup> The Commission recently approved a rule change to list and trade shares of the Trust pursuant to Rule 5711(d) of The Nasdaq Stock Exchange LLC (“Commodity-Based Trust Shares”). See Securities Exchange Act Release No. 100224 (May 23, 2024), 89 FR 46937 (May 30, 2024) (SR-NASDAQ-2023-045) (hereinafter “SR-NASDAQ-2023-045”). The Exchange represents it would not list options on a trust unless it satisfied all applicable criteria in Options 4, Section 3.

<sup>5</sup> Pursuant to Options 4, Section 3(a), the Exchange would only have authority to list and trade ETFs that are trading as NMS stocks.

<sup>6</sup> The trust may include minimal cash.

<sup>1</sup> 15 U.S.C. 78s(b)(1).
