The authority for the States to collect personal information comes from UOCAVA. The burden for collecting this information resides in the States. The Federal government neither collects nor retains any personal information associated with this form.

The collected information will be used by State and local election officials to process uniformed service members, spouses and overseas citizens who submit their information to register to vote or receive an absentee ballot. The collected information will be retained by election officials to provide election materials, including absentee ballots, to the uniformed services, their eligible family members and overseas voters during the form's eligibility period provided by State law. No information from the Federal Post Card Application (FPCA) is collected or retained by the Federal government. The FPCA is completed in hardcopy or via the Federal Voting Assistance Program's (FVAP) online assistant (fvap.gov), and then submitted by the voter to an

Election Official through mail, email, or fax (depending on State instructions). Per the law, FVAP regularly reaches out to UOCAVA citizens to raise awareness of its voting assistance services, primarily via its website, FVAP.gov.
