

EPA charges a fee to receiving facilities for each manifest submitted to EPA's e-Manifest system. User fees are tailored to the method used to submit manifests to EPA, e.g., different fees apply for electronic manifests than for paper manifests uploaded to the system. In addition, EPA is required to publish revised user fee schedules at two-year intervals.

On February 21, 2024, EPA published a notice in the **Federal Register** (89 FR 13080) that invited the public to provide input for potential charge questions which the Agency could consider when consulting the e-Manifest Advisory Board regarding the operations of EPA's e-Manifest system. EPA is considering the public input it received as part of the presentation and/or charges to the Advisory Board for this meeting, as well as future meetings.

EPA will convene its next public meeting of the e-Manifest System Advisory Board September 17–19, 2024. The purpose of this meeting is for the Board to advise the Agency on its proposed program priorities and user fees for the FY2026/FY2027 cycle.

The meeting background paper, related supporting materials, charge/questions to the Advisory Board, the Advisory Board membership roster (*i.e.*, members attending this meeting), and the meeting agenda will be available by approximately mid-August of 2024. Information Collection Being Reviewed by the Federal Communications Commission Under Delegated Authority

AGENCY: Federal Communications Commission.

ACTION: Notice and request for comments.

SUMMARY: As part of its continuing effort to reduce paperwork burdens, and as required by the Paperwork Reduction Act (PRA) of 1995, the Federal Communications Commission (FCC or the Commission) invites the general public and other Federal agencies to take this opportunity to comment on the following information collection. Comments are requested concerning: whether the proposed collection of information is necessary for the proper performance of the functions of the Commission, including whether the information shall have practical utility; the accuracy of the Commission's burden estimate; ways to enhance the quality, utility, and clarity of the information collected; ways to minimize the burden of the collection of information on the respondents, including the use of automated collection techniques or other forms of information technology; and ways to further reduce the information collection burden on small business concerns with fewer than 25 employees.

The FCC may not conduct or sponsor a collection of information unless it displays a currently valid control number. No person shall be subject to any penalty for failing to comply with a collection of information subject to the PRA that does not display a valid Office of Management and Budget (OMB) control number.

DATES: Written PRA comments should be submitted on or before October 11, 2024. If you anticipate that you will be submitting comments, but find it difficult to do so within the period of time allowed by this notice, you should advise the contact listed below as soon as possible.

ADDRESSES: Direct all PRA comments to Nicole Ongele, FCC, via email PRA@fcc.gov and to nicole.ongele@fcc.gov.

FOR FURTHER INFORMATION CONTACT: For additional information about the information collection, contact Nicole Ongele, (202) 418–2991.

SUPPLEMENTARY INFORMATION:

OMB Control Number: 3060–1217.

Title: Ensuring Continuity of 911 Communications Report and Order, PS Docket No. 14–174, FCC 15–98.

Form No.: N/A.

Type of Review: Extension of a currently approved collection.

Respondents: Business or for-profit.

Number of Respondents and Responses: 615 respondents; 615 responses.

Estimated Time per Response: 2.7 hours (on average; varies by respondent).

Frequency of Response: Annual reporting requirement and third party disclosure reporting requirement.

Obligation to Respond: Required to obtain or retain benefits. Statutory authority for this information collection is contained in sections 1, 4(j), and 251(e)(3) of the Communications Act of 1934, as amended, 47 U.S.C. 151, 154(i), 251(e)(3); section 101 of the NET 911 Improvement Act of 2008, Public Law 110–283, 47 U.S.C. 615a-1; and section 106 of the Twenty-First Century Communications and Video Accessibility Act of 2010, Public Law 111–260, 47 U.S.C. 615c.

Total Annual Burden: 3,150 hours.

Total Annual Cost: No Cost.

Needs and Uses: Section 9.20 of the Commission's rules places limited backup power obligations on providers of facilities-based fixed, residential voice services that are not line-powered to ensure that such service providers meet their obligation to provide access to 911 service during a power outage, and to provide clarity for the role of consumers and their communities should they elect not to purchase backup power.

Specifically, we require providers to disclose to subscribers the following information: (1) availability of backup power sources; (2) service limitations with and without backup power during a power outage; (3) purchase and replacement options; (4) expected backup power duration; (5) proper usage and storage conditions for the backup power source; (6) subscriber backup power self-testing and monitoring instructions; and (7) backup power warranty details, if any. Each element of this information must be given to subscribers both at the point of sale and annually thereafter, as described in the rule.

The disclosure requirements are intended to equip subscribers with necessary information to purchase and maintain a source of backup power to enhance their ability to maintain access to reliable 911 service from their homes.

We permit providers to convey both the initial and annual disclosures and information described above by any

means reasonably calculated to reach the individual subscriber. For example, a provider may meet this obligation through a combination of disclosures via email, an online billing statement, or other digital or electronic means for subscribers that communicate with the provider through these means. For a subscriber that does not communicate with the provider through email and/or online billing statements—such as someone who ordered service on the phone or in a physical store and receives a paper bill by regular mail—email would not be a means reasonably calculated to reach that subscriber.

Federal Communications Commission.

Federal Register Liaison Officer.

SUPPLEMENTARY INFORMATION:

A. Need for and Use of the Information Collection

Section 7 of the Federal Home Loan Bank Act (Bank Act) vests the management of each Federal Home Loan Bank (Bank) in its board of directors.¹ As required by section 7, each Bank’s board comprises two types of directors: (1) member directors, who are drawn from the officers and directors of member institutions located in the Bank’s district and who are elected to represent members in a particular state in that district; and (2) independent directors, who are unaffiliated with any of the Bank’s member institutions, but who reside in the Bank’s district and are elected on an at-large basis.² Both types of directors serve four-year terms, which are staggered so that approximately one-quarter of a Bank’s total directorships are up for election every year.³ Section 7 and FHFA’s implementing regulation, codified at 12 CFR part 1261, establish the eligibility requirements for both types of Bank directors and the professional qualifications for independent directors, and set forth the procedures for their election.

Part 1261 requires that each Bank administer its own annual director election process. As part of this process, a Bank must require each nominee for both types of directorship, including any incumbent that may be a candidate for re-election, to complete and return to the Bank a form that solicits information about the candidate’s statutory eligibility to serve and, in the case of independent director candidates, about his or her professional qualifications for the directorship being sought.⁴ Specifically, member director candidates are required to complete the *Federal Home Loan Bank Member Director Eligibility Certification Form (Member Director Eligibility Certification Form)*, while independent director candidates must complete the *Federal Home Loan Bank Independent*
