SUPPLEMENTARY INFORMATION:

A. Need for and Use of the Information Collection

Section 7 of the Federal Home Loan Bank Act (Bank Act) vests the management of each Federal Home Loan Bank (Bank) in its board of directors.¹ As required by section 7, each Bank’s board comprises two types of directors: (1) member directors, who are drawn from the officers and directors of member institutions located in the Bank’s district and who are elected to represent members in a particular state in that district; and (2) independent directors, who are unaffiliated with any of the Bank’s member institutions, but who reside in the Bank’s district and are elected on an at-large basis.² Both types of directors serve four-year terms, which are staggered so that approximately one-quarter of a Bank’s total directorships are up for election every year.³ Section 7 and FHFA’s implementing regulation, codified at 12 CFR part 1261, establish the eligibility requirements for both types of Bank directors and the professional qualifications for independent directors, and set forth the procedures for their election.

Part 1261 requires that each Bank administer its own annual director election process. As part of this process, a Bank must require each nominee for both types of directorship, including any incumbent that may be a candidate for re-election, to complete and return to the Bank a form that solicits information about the candidate’s statutory eligibility to serve and, in the case of independent director candidates, about his or her professional qualifications for the directorship being sought.⁴ Specifically, member director candidates are required to complete the *Federal Home Loan Bank Member Director Eligibility Certification Form (Member Director Eligibility Certification Form)*, while independent director candidates must complete the *Federal Home Loan Bank Independent*

² See 12 U.S.C. 1427(a)(4), (b), and (d).

³ See 12 U.S.C. 1427(d).

⁴ See 12 CFR 1261.7(c) and (f); 12 CFR 1261.14(b).

Director Application Form (Independent Director Application Form). Each Bank must also require all of its incumbent directors to certify annually that they continue to meet all eligibility requirements.⁵ Member directors do this by completing the *Member Director Eligibility Certification Form* again every year, while independent directors complete the abbreviated *Federal Home Loan Bank Independent Director Annual Certification Form (Independent Director Annual Certification Form)* to certify their ongoing eligibility.

The Banks use the information collection contained in the *Independent Director Application Form* and part 1261 to determine whether individuals who wish to stand for election or re-election as independent directors satisfy the statutory eligibility requirements and possess the professional qualifications required under the statute and regulations. Only individuals meeting those requirements and qualifications may serve as an independent director.⁶ On an annual basis, the Banks use the information collection contained in the *Independent Director Annual Certification Form* and part 1261 to determine whether their incumbent independent directors continue to meet the statutory eligibility requirements. The Banks use the information collection contained in the *Member Director Eligibility Certification Form* and part 1261 to determine whether individuals who wish to stand for election or re-election as member directors satisfy the statutory eligibility requirements. Only individuals meeting these requirements may serve as a member director.⁷ On an annual basis, the Banks also use the information collection contained in the *Member*

Director Eligibility Certification Form and part 1261 to determine whether their incumbent member directors continue to meet the statutory eligibility requirements.

The OMB control number for this information collection is 2590-0006. The clearance for the information collection expired July 31, 2024. The likely respondents are individuals who are prospective and incumbent Bank directors.

B. Burden Estimate

FHFA estimates the total annual hour burden imposed upon respondents by the three Bank director forms comprising this information collection to be 269 hours (39 hours + 200 hours + 30 hours = 269 hours, as detailed below).

The Agency estimates the total annual hour burden on all member director candidates and incumbent member directors associated with review and completion of the *Member Director Eligibility Certification Form* to be 39 hours. This includes a total annual average of 72 member director nominees (24 open seats per year with three nominees for each) completing the form as an application, with 1 response per nominee taking an average of 15 minutes (.25 hours) (72 respondents × .25 hours = 18 hours). It also includes a total annual average of 84 incumbent member directors not up for election completing the form as an annual certification, with 1 response per individual taking an average of 15 minutes (.25 hours) (84 individuals × .25 hours = 21 hours).

The Agency estimates the total annual hour burden on all independent director candidates associated with review and completion of the *Independent Director Application Form* to be 200 hours. This includes a total annual average of 100

applications for independent director positions with 1 response per individual taking an average of 2.0 hours (100 applications × 2.0 hours = 200 hours).

The Agency estimates the total annual hour burden on all incumbent independent directors associated with review and completion of the *Independent Director Annual Certification Form* to be 30 hours. This includes a total annual average of 60 incumbent independent directors not up for election, with 1 response per individual taking an average of 30 minutes (.5 hours) (60 individuals × .5 hours = 30 hours).

C. Comments Request

In accordance with the requirements of 5 CFR 1320.8(d), FHFA published an initial notice and request for public comments regarding this information collection in the **Federal Register** on June 7, 2024.⁸ The 60-day comment period closed on August 6, 2024. FHFA did not receive any comments.

FHFA requests written comments on the following: (1) Whether the collection of information is necessary for the proper performance of FHFA functions, including whether the information has practical utility; (2) the accuracy of FHFA's estimates of the burdens of the collection of information; (3) ways to enhance the quality, utility, and clarity of the information collected; and (4) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology.

FEDERAL HOUSING FINANCE AGENCY
Federal Home Loan Bank Independent Director
Application Form

FHFA Form #129
(03/2023)

INSTRUCTIONS

Clear Form

You either have expressed interest in, or have been recommended for, nomination to stand for election as an independent director of the Federal Home Loan Bank of _____ (Bank). If you would like the Bank's board of directors to consider you as a possible nominee for an independent directorship, you must complete and execute this Federal Home Loan Bank Independent Director Application Form and submit it to the Bank on or before _____. If you do not submit a completed and executed Form by that date, you will be deemed to have declined to be considered for nomination.

By law, the Bank's board of directors may nominate you for an independent directorship only if it has verified that you meet the legal eligibility requirements applying to independent directors and possess the professional qualifications that are specified by law for the type of independent directorship for which you are being considered. Your responses to the questions on this Form will assist the Bank in verifying that you are legally eligible, and possess the required professional qualifications, to serve as an independent director of the Bank if elected.

You are eligible to serve as an independent director of the Bank only if you meet all of the following requirements:

- You are a citizen of the United States.
- You are a *bona fide* resident of the Bank District, as determined by meeting either one of the following two sets of criteria:
 - Your principal residence is located in the Bank District; or
 - You both:
 - Own or lease in your own name a residence in the Bank District; and
 - Are employed in a voting state in the Bank District.
- Neither you nor your spouse are:
 - An officer of any Federal Home Loan Bank; or
 - An officer, employee, or director of any member of, or recipient of advances from, the Bank. For purposes of this prohibition:
 - "Advances" includes any form of lending, regardless of whether it is denominated as an "advance"; and
 - "Member" and "recipient of advances" include the institution itself and the institution's holding company, except where the assets of all members or all recipients of advances constitute less than 35 percent of the assets of the holding company, on a consolidated basis.

These eligibility requirements may be found in sections 7(d) and (e) of the Federal Home Loan Bank Act (Bank Act), 12 U.S.C. 1427(a) and (b), and in Federal Housing Finance Agency regulations at 12 CFR 1261.5(c) and 1261.10.

In addition, you must demonstrate that you possess certain professional qualifications, which differ depending on whether you are seeking nomination for a "regular" or a "public interest" independent directorship. By law, the Bank must designate at least two of the independent directorships on its board as "public interest" directorships. These independent directorships may be filled only by individuals having, at the time of nomination, more than four (4) years of experience representing consumer or community interests in banking services, credit needs, housing, or consumer financial protections.

Regular independent directorships, that is, those that are not public interest directorships, must be filled by individuals having, at the time of nomination, experience in or knowledge of one or more of the following areas: auditing and accounting, derivatives, financial management, organizational management, project development, risk management practices, and the law. Such knowledge or experience must be commensurate with that needed to oversee a financial institution with a size and complexity comparable to that of the Bank. The requirements regarding professional qualifications may be found in section 7(a)(3)(B) of the Bank Act, 12 U.S.C. 1427(a)(3)(B), and in FHFA's regulations at 12 CFR 1261.7(e).

Please answer all applicable questions in full and do not answer any question by referring to another document, except where expressly permitted to do so. You may continue your answers on additional pages, if necessary, each of which shall be attached to, and deemed a part of, this Form.

12. Type of Independent Directorship Being Sought. Please check one or both of the boxes below to indicate the type of independent directorship you are seeking.

- Check if you are seeking a public interest independent directorship.
- Check if you are seeking a regular independent directorship.

Public Interest Independent Directorship

By statute, a nominee for a public interest independent directorship must have "more than 4 years of experience in representing consumer or community interests on banking services, credit needs, housing, or consumer financial protections." Qualifying experience in one of the four enumerated areas may have been acquired in professional, public service, or volunteer positions, so long as the work done was substantial in terms of time commitment and responsibility. As indicated by the statute's use of the word "representing," the experience must have involved advocating for, or otherwise acting primarily for the direct benefit of, consumer or community interests in one of the four enumerated areas. Further, the experience must accrue from activities personally undertaken by the individual seeking nomination as a public interest independent director, as opposed to being attributed based solely on the activities of an organization with which the person was associated. Please reach out to the Bank if you have questions as to whether your experience meets the statutory requirements to qualify for service as a public interest independent director.

13. Representation of Consumer and Community Interests. Please explain in detail how you have represented consumer or community interests in banking services, credit needs, housing, or consumer financial protections for more than four years. At a minimum:

- Identify the positions through which you obtained your qualifying experience and specify the dates during which you served in those positions.
- Specify whether those positions involved banking services, credit needs, housing, or consumer financial protections.
- To the extent that your experience was obtained with an organization or agency, describe generally the mission of each such organization or agency and the manner in which its mission is typically fulfilled.
- Describe your responsibilities in those positions and, if any were not full-time paid employment, indicate the amount of time you spent fulfilling those responsibilities annually.
- Describe your major accomplishments in those positions that relate to the experience needed to qualify as a public interest independent director.

Answer to Question 13

Regular Independent Directorship

If you are seeking a regular independent directorship, please answer in full Questions 14 – 15, which pertain to your professional qualifications to serve in that capacity. If you are seeking a public interest independent directorship, you are not required to answer these questions, but may choose to do so if you possess relevant knowledge and experience that you wish to highlight.

14. Primary Areas of Knowledge and Experience. Please indicate below, by checking the appropriate boxes, the professional areas in which you have significant knowledge or experience that is commensurate with that needed to oversee a financial institution with a size and complexity comparable to that of the Bank.
