Notice of Inventory Completion: University of Nebraska State Museum, Lincoln, NE

AGENCY: National Park Service, Interior.
ACTION: Notice.

SUMMARY: In accordance with the Native American Graves Protection and Repatriation Act (NAGPRA), the University of Nebraska State Museum has completed an inventory of human remains and has determined that there is a cultural affiliation between the human remains and Indian Tribes or Native Hawaiian organizations in this notice.

DATES: Repatriation of the human remains in this notice may occur on or after September 20, 2024.

ADDRESSES: Taylor Ronquillo, University of Nebraska State Museum, 645 N 14th Street, Lincoln, NE 68588, telephone (402) 472–6592, email Tronquillo2@unl.edu.

SUPPLEMENTARY INFORMATION: This notice is published as part of the National Park Service's administrative responsibilities under NAGPRA. The determinations in this notice are the sole responsibility of the University of

Nebraska State Museum, and additional information on the determinations in this notice, including the results of the consultation, can be found in the inventory or related records. The National Park Service is not responsible for the determinations in this notice.

Abstract of Information Available

Based on the information available, human remains representing at least, 14 individuals from four unique sites have been reasonably identified. No associated funerary objects are present. The individuals per site are as follows:

1. Lyon County, IA. One individual was excavated by Roye Lindsay of the UNL Department of Anthropology in connection with a 1970 Lindsey and Tom Thiessen (National Park Service), Canton Reservoir, Big Sioux Survey, 1970.

2. Fairmont Park, Council Bluffs. Nine individuals from an excavation involving Robert Gilder. No additional information is available.

3. East Nishnabota River, IA. Three individuals were donated to UNSM Vertebrate Paleontology Division by D. A Easterly on November 8, 2021, and transferred to the Anthropology Division on November 23, 2021. They were found by McClernon Brothers in 2017, eroding from the riverbank.

4. Crescent, IA. One individual was donated by Robert Gilder with no other information provided.

Cultural Affiliation

Based on the information available and the results of the consultation, cultural affiliation is reasonably identified by the geographical location or acquisition history of the human remains and associated funerary objects described in this notice.

Determinations

The University of Nebraska State Museum has determined that:

- The human remains described in this notice represent the physical remains of 14 individuals of Native American ancestry.
- There is a reasonable connection between the human remains and associated funerary objects described in this notice and the Omaha Tribe of Nebraska.

Requests for Repatriation

Written requests for repatriation of the human remains and associated funerary objects in this notice must be sent to the authorized representative identified in this notice under **ADDRESSES**. Requests for repatriation may be submitted by:

1. Any one or more of the Indian Tribes or Native Hawaiian organizations identified in this notice.

2. Any lineal descendant, Indian Tribe, or Native Hawaiian organization not identified in this notice who shows, by a preponderance of the evidence, that the requestor is a lineal descendant or a culturally affiliated Indian Tribe or Native Hawaiian organization.

Repatriation of the human remains and associated funerary objects in this notice to a requestor may occur on or after September 20, 2024. If competing requests for repatriation are received, the University of Nebraska State Museum must determine the most appropriate requestor prior to repatriation. Requests for joint repatriation of the human remains and associated funerary objects are considered a single request and not competing requests. The University of Nebraska State Museum is responsible for sending a copy of this notice to the Indian Tribes and Native Hawaiian organizations identified in this notice.

Authority: Native American Graves Protection and Repatriation Act, 25 U.S.C. 3003, and the implementing regulations, 43 CFR 10.10.

Dated: August 7, 2024.

Notice of Inventory Completion: David A. Fredrickson Archaeological Collections Facility at Sonoma State University, Rohnert Park, CA

AGENCY: National Park Service, Interior.

ACTION: Notice.

SUMMARY: In accordance with the Native American Graves Protection and Repatriation Act (NAGPRA), the Sonoma State University has completed an inventory of human remains and associated funerary objects and has determined that there is a cultural affiliation between the human remains and associated funerary objects and Indian Tribes or Native Hawaiian organizations in this notice.

DATES: Repatriation of the human remains and associated funerary objects in this notice may occur on or after September 20, 2024.

ADDRESSES: Doshia Dodd, Sonoma State University, 1801 East Cotati Avenue, Rohnert Park, CA 94928, telephone

(530) 514-8472, email *Doshia.dodd@sonoma.edu*.

SUPPLEMENTARY INFORMATION: This notice is published as part of the National Park Service's administrative responsibilities under NAGPRA. The determinations in this notice are the sole responsibility of the Sonoma State University, and additional information on the determinations in this notice, including the results of consultation, can be found in its inventory or related records. The National Park Service is not responsible for the determinations in this notice.

Abstract of Information Available

Based on the information available, human remains representing, at least, one individual removed from CA-TEH-1528 in Tehama County, California, have been reasonably identified. The lot of 8,707 associated funerary objects removed from CA-TEH-1528 are groundstone tools, ocher, unmodified shell, faunal bone, modified faunal bone, flaked stone tools and debitage. Based on records concerning the associated funerary objects and the institution in which they were housed, there is no evidence of the human remains or associated funerary items being treated with hazardous substances.

CA-TEH-1528 is located at the edge of a broad basaltic plateau northeast of Red Bluff and west-northwest of Vales in Tehama County. CA-TEH-1528 was first recorded by Pat Mikkelsen in 1992. The collection is the result of Stage II and III archaeological investigations at the PGT-PGE Pipeline Project by Far Western Anthropological Research Group. The collection, Accession Number 91-31, has been housed at Sonoma State University since 1995.

Cultural Affiliation

Based on the information available and the results of consultation, cultural affiliation is reasonably identified by the geographical location or acquisition history of the human remains and associated funerary objects described in this notice.

Determinations

The Sonoma State University has determined that:

- The human remains described in this notice represent the physical remains of one individual of Native American ancestry.
- The 8,707 objects described in this notice are reasonably believed to have been placed intentionally with or near individual human remains at the time of death or later as part of the death rite or ceremony.

- There is a connection between the human remains and associated funerary objects described in this notice and the Paskenta Band of Nomlaki Indians of California.

Requests for Repatriation

Written requests for repatriation of the human remains and associated funerary objects in this notice must be sent to the authorized representative identified in this notice under **ADDRESSES**. Requests for repatriation may be submitted by:

1. Any one or more of the Indian Tribes or Native Hawaiian organizations identified in this notice.

2. Any lineal descendant, Indian Tribe, or Native Hawaiian organization not identified in this notice who shows, by a preponderance of the evidence, that the requestor is a lineal descendant or an Indian Tribe or Native Hawaiian organization with cultural affiliation.

Repatriation of the human remains and associated funerary objects described in this notice to a requestor may occur on or after September 20, 2024. If competing requests for repatriation are received, the Sonoma State University must determine the most appropriate requestor prior to repatriation. Requests for joint repatriation of the human remains and associated funerary objects are considered a single request and not competing requests. The Sonoma State University is responsible for sending a copy of this notice to the Indian Tribes and Native Hawaiian organizations identified in this notice.

Authority: Native American Graves Protection and Repatriation Act, 25 U.S.C. 3003, and the implementing regulations, 43 CFR 10.10.

Dated: August 7, 2024.
