

Cash Deposit Requirements

Because Meihua, Deosen Biochemical (Ordos) Ltd., and Jianlong have a superseding cash deposit rate, *i.e.*, there have been final results published in a subsequent administrative review, we will not issue revised cash deposit instructions to U.S. Customs and Border Protection (CBP). This notice will not affect the current cash deposit rate.

Liquidation of Suspended Entries

At this time, Commerce remains enjoined by CIT order from liquidating entries that: were produced and/or exported by Meihua, Deosen Biochemical (Ordos) Ltd., and Jianlong and were entered, or withdrawn from warehouse, for consumption during the period July 1, 2019, through June 30, 2020. These entries will remain enjoined pursuant to the terms of the injunction during the pendency of any appeals process.

In the event the CIT's ruling is not appealed, or, if appealed, upheld by a final and conclusive court decision, Commerce intends to instruct CBP to assess antidumping duties on unliquidated entries of subject merchandise produced and/or exported by Meihua, Deosen Biochemical (Ordos) Ltd., and Jianlong in accordance with 19 CFR 351.212(b). We will instruct CBP to assess antidumping duties on all appropriate entries covered by this review when the importer-specific *ad valorem* assessment rate is not zero or *de minimis*. Where an import-specific *ad valorem* assessment rate is zero or *de minimis*,⁹ we will instruct CBP to liquidate the appropriate entries without regard to antidumping duties.

Notification to Interested Parties

Dated: August 15, 2024.
