On July 9, 2024, US Conec filed a motion for leave to amend the complaint and notice of investigation to: (1) add Protai Photonic Co., Ltd., Jarllytec Co., Ltd., and Wave2Wave Solutions Corp. d/b/a FiberSmart as respondents; (2) correct the name of respondent L-com, Inc. to L-com, LLC; (3) adopt a previous supplement to the original complaint; and (4) correct a typographic error in paragraph 54 of the complaint. On July 18, 2024, OUII filed a response in support of the motion. On July 19, 2024, the Senko Respondents opposed the proposed addition of the three respondents because the additions were not sufficiently supported by evidence. No other party responded to the motion. On July 24, 2024, US Conec filed a reply in support of its motion.

On July 31, 2024, the ALJ issued the subject ID granting the motion and granted leave to US Conec to amend its complaint as requested pursuant to Commission Rule 210.14(b)(1) (19 CFR 210.14(b)(1)). The ID finds that US Conec showed that the proposed additional respondents were involved in activities concerning the same accused products already at issue in the investigation, that good cause supports the amendments, and that the amendments would not prejudice the public interest or the rights of the parties. No petitions for review of the subject ID were received.

The Commission has determined not to review the subject ID.

The Commission vote for this determination took place on August 16, 2024.

The authority for the Commission's determination is contained in section 337 of the Tariff Act of 1930, as amended (19 U.S.C. 1337), and in part 210 of the Commission's Rules of Practice and Procedure (19 CFR part 210).
