

organizations, or community-based and culturally specific organizations, that have a documented history of effective work concerning domestic violence, dating violence, sexual assault, or stalking. The obligation to respond is required to obtain/retain a benefit.

4. *An estimate of the total number of respondents and the amount of time estimated for an average respondent to respond:* It is estimated that it will take the approximately 120 respondents (Transitional Housing Program grantees) approximately one hour to complete a semi-annual progress report. The semi-annual progress report is divided into sections that pertain to the different

types of activities in which grantees may engage. A Transitional Housing Program grantee will only be required to complete the sections of the form that pertain to its own specific activities.

5. *An estimate of the total annual burden (in hours) associated with the collection:* It is estimated that it will take the approximately 120 respondents (Transitional Housing Program grantees) approximately one hour to complete a semi-annual progress report. The semi-annual progress report is divided into sections that pertain to the different types of activities in which grantees may engage. A Transitional Housing Program grantee will only be required to

complete the sections of the form that pertain to its own specific activities.

6. The total annual hour burden to complete the data collection forms is 240 hours, that is 120 grantees completing a form twice a year with an estimated completion time for the form being one hour.

7. *An estimate of the total annual cost burden associated with the collection, if applicable:* The annualized costs to the Federal Government resulting from the OVW staff review of the progress reports submitted by grantees are estimated to be \$13,440.
