Abstract: The VA Form 28–1902w, Information for Veteran Readiness and Employment Entitlement Determination is used by the Vocational Rehabilitation Counselor (VRC) with the Veteran or Service member during the comprehensive initial evaluation after the VA receives an application for Veteran Readiness and Employment benefits and has determined the claimant is eligible to apply for chapter 31 under title 38 U.S.C. 3104(a) and 38 CFR 21.50. Use of the VA Form 28–1902w will allow the VA counselor to use the form to collect the information during the initial evaluation. The information is collected only once. Information for Veteran Readiness and Employment Entitlement Determination takes approximately 45 minutes to complete.
