Abstract of Information Available

Human remains representing, at least, three individuals have been identified from CA–TEH–269, located in the eastern-central portion of Tehama County, CA. The 6,303 associated funerary objects include baked clay objects; faunal and floral remains; flaked and ground stones; historic materials; modified bones, shells and stones; coprolites; unmodified stones; basketry fragments; and charcoal. Of this number, at least 22 objects are currently missing from the collection. Sacramento State continues to look for any missing objects. The human remains and funerary objects were collected by individuals associated with the California State University, Sacramento in the 1960s. They have since been
