[Investigation Nos. 701–TA–486 and 731–TA–1195–1196 (Second Review)]

Utility Scale Wind Towers From China and Vietnam; Scheduling of Expedited Five-Year Reviews

AGENCY: International Trade Commission.

ACTION: Notice.

SUMMARY: The Commission hereby gives notice of the scheduling of expedited reviews pursuant to the Tariff Act of 1930 (“the Act”) to determine whether revocation of the antidumping duty and countervailing duty orders on utility scale wind towers from China and Vietnam would be likely to lead to continuation or recurrence of material injury within a reasonably foreseeable time.

DATES: July 5, 2024.

FOR FURTHER INFORMATION CONTACT: Julie Duffy (202) 708–2579, Office of Investigations, U.S. International Trade Commission, 500 E Street SW, Washington, DC 20436. Hearing-impaired persons can obtain information on this matter by contacting the Commission's TDD terminal on 202–205–1810. Persons with mobility impairments who will need special assistance in gaining access to the Commission should contact the Office of the Secretary at 202–205–2000. General information concerning the

Commission may also be obtained by accessing its internet server (<https://www.usitc.gov>). The public record for this proceeding may be viewed on the Commission's electronic docket (EDIS) at <https://edis.usitc.gov>.

SUPPLEMENTARY INFORMATION:

Background.—On July 5, 2024, the Commission determined that the domestic interested party group response to its notice of institution (89 FR 22445, April 1, 2024) of the subject five-year reviews was adequate and that the respondent interested party group response was inadequate. The Commission did not find any other circumstances that would warrant conducting full reviews.¹ Accordingly, the Commission determined that it would conduct expedited reviews pursuant to section 751(c)(3) of the Act (19 U.S.C. 1675(c)(3)).

For further information concerning the conduct of these reviews and rules of general application, consult the Commission's Rules of Practice and Procedure, part 201, subparts A and B (19 CFR part 201), and part 207, subparts A, D, E, and F (19 CFR part 207).

Staff report.—A staff report containing information concerning the subject matter of the reviews has been placed in the nonpublic record, and will be made available to persons on the Administrative Protective Order service list for these reviews on September 11, 2024. A public version will be issued thereafter, pursuant to § 207.62(d)(4) of the Commission's rules.

Written submissions.—As provided in § 207.62(d) of the Commission's rules, interested parties that are parties to the reviews and that have provided individually adequate responses to the notice of institution,² and any party other than an interested party to the reviews may file written comments with the Secretary on what determination the Commission should reach in the reviews. Comments are due on or before September 19, 2024 and may not contain new factual information. Any person that is neither a party to the five-year reviews nor an interested party may submit a brief written statement (which shall not contain any new factual information) pertinent to the reviews by September 19, 2024.

¹ A record of the Commissioners' votes, the Commission's statement on adequacy, and any individual Commissioner's statements will be available from the Office of the Secretary and at the Commission's website.

² The Commission has found the responses submitted on behalf of Wind Tower Trade Coalition to be individually adequate. Comments from other interested parties will not be accepted (*see* 19 CFR 207.62(d)(2)).

However, should the Department of Commerce (“Commerce”) extend the time limit for its completion of the final results of its reviews, the deadline for comments (which may not contain new factual information) on Commerce's final results is three business days after the issuance of Commerce's results. If comments contain business proprietary information (BPI), they must conform with the requirements of §§ 201.6, 207.3, and 207.7 of the Commission's rules. The Commission's *Handbook on Filing Procedures*, available on the Commission's website at https://www.usitc.gov/documents/handbook_on_filing_procedures.pdf, elaborates upon the Commission's procedures with respect to filings.

In accordance with §§ 201.16(c) and 207.3 of the rules, each document filed by a party to the reviews must be served on all other parties to the reviews (as identified by either the public or BPI service list), and a certificate of service must be timely filed. The Secretary will not accept a document for filing without a certificate of service.

Determination.—The Commission has determined these reviews are extraordinarily complicated and therefore has determined to exercise its authority to extend the review period by up to 90 days pursuant to 19 U.S.C. 1675(c)(5)(B).

Authority: These reviews are being conducted under authority of title VII of the Act; this notice is published pursuant to § 207.62 of the Commission's rules.

By order of the Commission.

Issued: September 6, 2024.

Overview of This Information Collection

1. *Type of Information Collection:* Revision of a currently approved collection.

2. *Title of the Form/Collection:* Annual Certification Report and Equitable Sharing Agreement.

3. *Agency form number, if any, and the applicable component of the Department of Justice sponsoring the collection:* There is not an agency form number. The collection instrument is the Equitable Sharing Agreement and Certification. The applicable component within the Department of Justice is the Money Laundering and Asset Recovery Section ("MLARS"), in the Criminal Division

4. *Affected public who will be asked or required to respond, as well as a brief abstract:* Affected Public: State, Local and Tribal Governments.

Abstract: This collection of information is authorized by 21 U.S.C. 881(e)(3). MLARS ensures such cooperation by requiring that all such "equitably shared" funds be used only for law enforcement purposes and not be distributed to other governmental agencies by the recipient law enforcement agencies. By requiring that law enforcement agencies that participate in the Equitable Sharing Program (Program) file an Equitable Sharing Agreement and Certification (ESAC), MLARS can readily ensure compliance with its statutory obligations.

The ESAC requires information regarding the receipt and expenditure of Program funds from the participating agency. Accordingly, it seeks information that is exclusively in the hands of the participating agency. This collection request is classified as a revision due to a new version of the Equitable Sharing Guide, that will be published by the end of the calendar year, in addition to format changes and deleting and relabeling some fields.

5. *Obligation to Respond:* Required to obtain or retain a benefit.

6. Total Estimated Number of Respondents: 6,000.

7. Total Estimated Number of Responses: 6,000.

8. Time per Response: .5 hours.

9. Total Estimated Annual Time Burden: 3,000 hours.

10. Total Estimated Annual Other Costs Burden: \$0.
