**SUPPLEMENTARY INFORMATION:** The meeting will be held on September 27, 2024, at 1:00 p.m. ET, in the Commission Meeting Room of the Federal Communications Commission, 45 L Street NE, Washington, DC. While the CSRIC IX meeting is open to the public, the FCC headquarters building is not open access, and all guests must check in with and be screened by FCC security at the main entrance on L Street. Attendees at the meeting will not be required to have an appointment but must otherwise comply with protocols outlined at: <https://www.fcc.gov/visit>.

The CSRIC is a Federal Advisory Committee that will provide recommendations to the Commission to improve the security, reliability, and interoperability of communications systems. On March 26, 2024, the Commission, pursuant to the Federal Advisory Committee Act, renewed the charter for CSRIC IX for a period of two years through March 25, 2026. The meeting on September 27, 2024, will be the second meeting of CSRIC IX under the current charter. The FCC will provide audio and/or video coverage of the meeting over the internet from the FCC's web page at <https://www.fcc.gov/live> and on the FCC's YouTube channel. The public may submit written comments before the meeting to Suzon Cameron, DFO, CSRIC IX, via email to [CSRIC@fcc.gov](mailto:CSRIC@fcc.gov).

Open captioning will be provided for this event. Other reasonable accommodations for people with disabilities are available upon request. Requests for such accommodations should be submitted via email to [fcc504@fcc.gov](mailto:fcc504@fcc.gov) or by calling the Consumer & Governmental Affairs Bureau at (202) 418-0530 (voice). Such requests should include a detailed description of the accommodation needed. In addition, please include a way the Commission can contact you if it needs more information. Please allow at least five days' advance notice; last-minute requests will be accepted but may be impossible to fill.

**[OMB 3060-0261 and OMB 3060-0270; FR ID 243370]**

**Information Collections Being Reviewed by the Federal Communications Commission**

**AGENCY:** Federal Communications Commission.

**ACTION:** Notice and request for comments.

**SUMMARY:** As part of its continuing effort to reduce paperwork burdens, and as required by the Paperwork Reduction Act (PRA) of 1995, the Federal Communications Commission (FCC or Commission) invites the general public and other Federal agencies to take this opportunity to comment on the following information collections. Comments are requested concerning: whether the proposed collection of information is necessary for the proper performance of the functions of the Commission, including whether the information shall have practical utility; the accuracy of the Commission's burden estimate; ways to enhance the quality, utility, and clarity of the information collected; ways to minimize the burden of the collection of information on the respondents, including the use of automated collection techniques or other forms of information technology; and ways to further reduce the information collection burden on small business concerns with fewer than 25 employees. The FCC may not conduct or sponsor a collection of information unless it displays a currently valid OMB control number. No person shall be subject to any penalty for failing to comply with a collection of information subject to the PRA that does not display a valid OMB control number.

**DATES:** Written PRA comments should be submitted on or before November 12, 2024. If you anticipate that you will be submitting comments, but find it difficult to do so within the period of time allowed by this notice, you should advise the contact listed below as soon as possible.

**ADDRESSES:** Direct all PRA comments to Cathy Williams, FCC, via email [PRA@fcc.gov](mailto:PRA@fcc.gov) and to [Cathy.Williams@fcc.gov](mailto:Cathy.Williams@fcc.gov).

**FOR FURTHER INFORMATION CONTACT:** For additional information about the information collection, contact Cathy Williams at (202) 418-2918.

*OMB Control Number:* 3060-0261.

*Title:* Section 90.215, Transmitter Measurements.

*Form No.:* Not applicable.

*Frequency of Response:* Extension of a currently approved collection.

*Respondents:* Business or other for-profit, not-for-profit institutions and state, local or tribal Government.

*Number of Respondents:* 150,081 respondents; 234,439 responses.

*Estimated Time per Response:* .033 hours.

*Frequency of Response:*

Recordkeeping requirement.

*Obligation to Respond:* Required to obtain or retain benefits. Statutory authority for this information collection is contained in 47 U.S.C. 303(f) of the Communications Act of 1934, as amended.

*Total Annual Burden:* 7,727 hours.

*Total Annual Cost:* No cost.

*Needs and Uses:* The information collection requirements contained in Section 90.215 require station licensees to measure the carrier frequency, output power, and modulation of each transmitter authorized to operate with power in excel of two watts when the transmitter is initially installed and when any changes are made which would likely affect the modulation characteristics. Such measurements, which help ensure proper operation of transmitters, are to be made by a qualified engineering measurement service, and are required to be retained in the station records, along with the name and address of the engineering measurement service, and the name of the person making the measurements. The information is normally used by the licensee to ensure that equipment is operating within prescribed tolerances. Prior technical operation of transmitters helps limit interference to other users and provides the licensee with the maximum possible utilization of equipment.

**Obligation to Respond:** Required to obtain or retain benefits. Statutory authority for this collection of information is contained in 47 U.S.C. 303(j), as amended.

**Total Annual Burden:** 61,665 hours.

**Annual Cost Burden:** No cost.

**Needs and Uses:** The information collection requirements contained under Section 90.443(b) require that each licensee of a station shall maintain records for all stations by providing the dates and pertinent details of any maintenance performed on station equipment, along with the name and address of the service technician who did the work. If all maintenance is performed by the same technician or service company, the name and address need be entered only once in the station records.

The information collection requirements under Section 90.443(c) require that at least one licensee participating in the cost arrangement must maintain cost sharing records.

## GENERAL SERVICES ADMINISTRATION

[Notice-PBS-2024-11; Docket No. 2024-0002; Sequence No. 38]

### Notice of Availability for the Record of Decision on the Buildings at 202, 214 and 220 South State Street, Chicago, Illinois

**AGENCY:** Great Lakes Region 5, Public Buildings Service (PBS), U.S. General Services Administration (GSA).

**ACTION:** Notice of availability (NOA).

**SUMMARY:** On September 4, 2024, The U.S. General Services Administration (GSA), in cooperation with the U.S. Federal Protective Service, issued a Record of Decision (ROD) on the Final Environmental Impact Statement (EIS) for the future of three vacant federally owned buildings located at 202, 214, and 220 South State Street in downtown Chicago, Illinois. These properties are adjacent to the Dirksen U.S. Courthouse. GSA selects the Viable Adaptive Reuse Alternative, and the agency will pursue reuse under the National Historic Preservation Act (NHPA) section 111 outlease authority. The Viable Adaptive

Reuse Alternative meets the purpose and need for the Proposed Action upon satisfying the security needs of the Dirksen Courthouse. GSA will issue a Request for Lease Proposals (RLP) in Fall 2024. The ROD was prepared in accordance with the National Environmental Policy Act (NEPA) of 1969, the Council on Environmental Quality Regulations, and the GSA Public Buildings Service NEPA Desk Guide. It documents the agency's decision based on the Final EIS; associated technical reports; comments from Federal and State agencies, stakeholders, members of the public, and elected officials; and other resources contained in the administrative record.

**DATES:** Applicable: September 4, 2024.

**ADDRESSES:** The ROD may be found online at the following website: <https://www.gsa.gov/about-us/gsa-regions/region-5-great-lakes/buildings-and-facilities/illinois/chicago-202220-s-state-st-fps>.

**SUPPLEMENTARY INFORMATION:**

### Proposed Action

The Proposed Action is to address the future of the three vacant buildings at 202, 214 and 220 South State Street, east of the Dirksen Courthouse. The purpose of the Proposed Action is to address the security needs of the Dirksen Courthouse, respond to the Congressional intent and funding authorization provided in the 2022 Consolidated Appropriations Act, and manage Federal assets.

### Decision

GSA selects the Viable Adaptive Reuse Alternative.

GSA will use the NHPA Section 111 outlease authority to initiate the reuse strategy. GSA will request market-driven redevelopment proposals with the following considerations:

- First, GSA will consider and prioritize proposals that align with the viable adaptive reuse security criteria established for this proposed action and demonstrate the financial capability of the offeror to successfully execute.
- Second, GSA will consider proposals with proposed deviations from the viable adaptive reuse security criteria that demonstrate the financial
