SUPPLEMENTARY INFORMATION:

Title: Reporting, Procedures and Penalties Regulations.

OMB Number: 1505–0164.

Type of Review: Extension of a currently approved collection; consolidation with other approved collections.

Description: The collections of information are contained in sections 501.601 through 501.605, 501.801, and 501.804 through 501.807 of OFAC's Reporting, Procedures and Penalties Regulations (the "Regulations"), and certain other parts of 31 CFR chapter V, and pertain to the operation of various economic sanctions programs administered by OFAC under 31 CFR chapter V. Section 501.601 addresses the maintenance of records, and § 501.602 relates to OFAC demands for information relative to any transaction or property subject to the provisions of 31 CFR chapter V. Section 501.603 imposes reporting requirements pertaining to blocked property and retained funds, as well as property that is unblocked or transferred. This information is required by OFAC to monitor compliance with regulatory requirements, to support diplomatic negotiations concerning the targets of sanctions, to support settlement negotiations addressing U.S. claims, and to respond to Congressional reporting requirements. Section 501.604 requires the filing of reports for compliance purposes by U.S. persons where a transaction is not required to be blocked but where processing or otherwise engaging in the transaction would nonetheless violate, or facilitate a transaction that is prohibited under, other provisions in 31 CFR chapter V. Section 501.605 requires reporting of information pertaining to litigation, arbitration, and other binding alternative dispute resolution proceedings in the United States to prevent the intentional or inadvertent transfer through such proceedings of blocked property or retained funds. Sections 501.801, 501.804, and 501.805 relate to license requests, the procedures for rulemaking, and records requests, respectively. Section 501.806 sets forth the procedures to be followed by a person seeking to unblock funds that the person believes they have blocked due to mistaken identity or typographical or similar errors. Section 501.807 sets forth the procedures to be followed by a person seeking administrative reconsideration of the listing of a person or property (e.g., a vessel) on any list of sanctioned persons or property

maintained by OFAC. OFAC maintains mandatory and voluntary forms for the bulk of these collections and is not making major changes to these existing forms.

In addition, OFAC seeks to consolidate within this information collection five separately approved information collections: OMB Numbers 1505–0167, 1505–0168, 1505–0243, 1505–0255, and 1505–0170. These information collections are relevant to 31 CFR 501.801, 515.572, 561.504, and 566.504. OFAC is also extending from five years to 10 years the recordkeeping requirements codified at 31 CFR 501.601, paragraph IV.B of appendix A to part 501, and 515.572 to align with the extended statute of limitations for civil and criminal violations of the International Emergency Economic Powers Act (IEEPA) or the Trading with the Enemy Act (TWEA).

The reports covered by this information collection will be reviewed by the U.S. Department of the Treasury and may be used for compliance, civil penalty, and enforcement purposes by the agency.

Forms: For filers who have been granted an exception from electronic reporting using the OFAC Reporting System (ORS), OFAC allows the submission of the following, through the following approved forms: the Annual Report of Blocked Property (ARBP), TD–F 90–22.50; Report on Blocked Property—Financial, TD–F 93.02; Report on Blocked Property—Tangible/Real/Other Non-Financial Property, TD–F 93.08; Report on Rejected Transaction, TD–F 93.07.
