

1, 2024, Commerce published the notice of initiation of the first sunset reviews of the *Orders*, pursuant to section 751(c)(2) of the Tariff Act of 1930, as amended (the Act).²

On May 13, 2024, Commerce received notices of intent to participate in these reviews from Deer Park Glycine, LLC of Deer Park, Texas, which is a subsidiary of GEO Specialty Chemicals, Inc., and Chattem Chemicals, Inc. of Chattanooga, Tennessee (collectively, the domestic interested parties), within the deadline specified in 19 CFR 351.218(d)(1).³ The domestic interested parties claimed interested party status under section 771(9)(C) of the Act as producers of the domestic like product in the United States.⁴ In May, 2024, Commerce received adequate substantive responses from the domestic industry parties within the 30-day deadline specified in 19 CFR 351.218(d)(3)(i).⁵ We received no substantive responses from respondent interested parties.

On June 21, 2024, Commerce notified the U.S. International Trade Commission that it did not receive substantive responses from any respondent interested parties.⁶ As a result, pursuant to section 751(c)(3)(B) of the Act and 19 CFR 351.218(e)(1)(ii)(C)(2), Commerce conducted expedited (120-day) sunset reviews of the *Orders*.

On July 22, 2024, Commerce tolled certain deadlines in these administrative proceedings by seven days.⁷ The deadline for these final results of sunset reviews is September 5, 2024.

Analysis of Comments Received

A complete discussion of all issues raised in these sunset reviews is contained in the accompanying Issues and Decision Memorandum.⁹ A list of topics discussed in the Issues and Decision Memorandum is included as an appendix to this notice. The Issues and Decision Memorandum is a public document and is on file electronically via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). Final Results of Sunset Reviews

Pursuant to sections 751(c)(1) and 752(c)(1) and (3) of the Act, Commerce determines that revocation of the *Orders* would likely lead to the continuation or recurrence of dumping and that the magnitude of the dumping margins likely to prevail would be weighed-average dumping margins up to 13.61 percent for India, 86.22 percent for Japan, and 227.17 percent for Thailand.¹⁰

Administrative Protective Order

This notice serves as the only reminder to interested parties subject to an administrative protective order (APO) of their responsibility concerning the return/destruction or conversion to judicial protective order of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a). SUPPLEMENTARY INFORMATION:

Background

On August 1, 2018, Commerce published in the **Federal Register** the

antidumping duty order on ripe olives (olives) from Spain.¹ On August 2, 2023, Commerce published in the **Federal Register** a notice of opportunity to request an administrative review of the *Order*.² On October 18, 2023, based on timely requests for an administrative review, Commerce initiated the administrative review covering five companies.³ On November 13, 2023, Commerce selected Agro Sevilla Aceitunas, S. Coop. And. (Agro Sevilla) and Angel Camacho Alimentacion, S.L. (Camacho) as the mandatory respondents in this administrative review.⁴

On April 10, 2024, Commerce extended the preliminary results of this review to August 30, 2024.⁵ On July 22, 2024, Commerce tolled certain deadlines in this administrative proceeding by seven days.⁶ The deadline for the preliminary results is now September 6, 2024. For a complete description of the events between the initiation of this review and these preliminary results, see the Preliminary Decision Memorandum.⁷

A list of the topics discussed in the Preliminary Decision Memorandum is attached as the appendix to this notice. description of the scope of the *Order*, see the Preliminary Decision Memorandum.

Methodology

Commerce is conducting this review in accordance with section 751 of the Tariff Act of 1930, as amended (the Act). Export price and constructed export price are calculated in accordance with section 772 of the Act. Normal value is calculated in accordance with section 773 of the Act. For a full description of the methodology underlying these preliminary results, see the Preliminary Decision Memorandum.

Partial Rescission of Review

Pursuant to 19 CFR 351.213(d)(1), Commerce will rescind an administrative review, in whole or in part, if the party that requested a review withdraws its request within 90 days of the date of publication of the notice of initiation. The request for an administrative review of Plasoliva, S.L. (Plasoliva) was withdrawn within 90 days of the date of publication of the *Initiation Notice*.⁸ No other party requested an administrative review of Plasoliva. As a result, Commerce is rescinding this review with respect to this company, in accordance with 19 CFR 351.213(d)(1).

Rate for Non-Selected Companies

The Act and Commerce's regulations do not address the establishment of a rate to be applied to companies not selected for individual examination when Commerce limits its examination in an administrative review pursuant to section 777A(c)(2) of the Act. Generally, Commerce looks to section 735(c)(5) of the Act, which provides instructions for calculating the all-others rate in a market economy investigation, for guidance when calculating the rate for companies which were not selected for individual examination in an administrative review. Under section 735(c)(5)(A) of the Act, the all-others rate is normally "an amount equal to the weighted-average of the estimated weighted-average dumping margins established for exporters and producers individually investigated excluding any zero or *de minimis* margins, and any margins determined entirely {on the basis of facts available}." In this review, we preliminarily calculated dumping margins for the two mandatory respondents, Agro Sevilla and Camacho, of 23.86 and 3.43 percent, respectively, and have assigned to the non-selected

⁸ See Plasoliva's Letter, "Plasoliva, S.L.'s Withdrawal Request for Administrative Review," dated January 12, 2024.

companies a rate of 17.67 percent, which is the weighted average dumping margins of Agro Sevilla and Camacho weighted by their publicly ranged U.S. sales values.⁹

Preliminary Results of Review

We preliminarily determine that the following estimated weighted-average dumping margins exist for the period August 1, 2022, through July 31, 2023:

Producer/exporter	Weighted-average dumping margin (percent)
Agro Sevilla Aceitunas, S. Coop. And	23.86
Angel Camacho Alimentacion, S.L	3.43
Aceitunera del Norte de Cáceres, S.Coop.Ltda. de 2 Grado	17.67
Alimentary Group DCOOP, S.Coop. And	17.67

Disclosure

We intend to disclose the calculations performed in connection with these preliminary results to interested parties within five days after public announcement of the preliminary results.¹⁰

Public Comment

Pursuant to 19 CFR 351.309(c), interested parties may submit case briefs to Commerce no later than 30 days after the date of publication of this notice.¹¹ Rebuttal briefs, limited to issues raised in the case briefs, may be filed no later than five days after the date for filing case briefs.¹² Interested parties who submit case briefs or rebuttal briefs in this proceeding must submit: (1) a

⁹ With two respondents under examination, Commerce normally calculates (A) a weighted-average of the dumping margins calculated for the examined respondents; (B) a simple average of the dumping margins calculated for the examined respondents; and (C) a weighted-average of the dumping margins calculated for the examined respondent using each company's publicly-ranged U.S. sales quantities for the merchandise under consideration. Commerce then compares (B) and (C) to (A) and selects the rate closest to (A) as the most appropriate rate for all other producers and exporters. See, e.g., *Ball Bearings and Parts thereof from France, Germany, Italy, Japan, and the United Kingdom* Final Results of Antidumping Duty Administrative Reviews, Final Results of Changed-Circumstances Review, and Revocation of an Order in Part, 75 FR 53661, 53663 (September 1, 2010).

statement of the issue; and (2) a table of authorities.¹³

As provided under 19 CFR 351.309(c)(2) and (d)(2), in prior proceedings we have encouraged interested parties to provide an executive summary of their brief that should be limited to five pages total, including footnotes. In this review, we instead request that interested parties provide at the beginning of their briefs a public, executive summary for each issue raised in their briefs.¹⁴ Further, we request that interested parties limit their public executive summary of each issue to no more than 450 words, not including citations. We intend to use the executive summaries as the basis of the comment summaries included in the issues and decision memorandum that will accompany the final determination in this review. We request that interested parties include footnotes for relevant citations in the public executive summary of each issue. Note that Commerce has amended certain of its requirements pertaining to the service of documents in 19 CFR 351.303(f).¹⁵

Pursuant to 19 CFR 351.310(c), interested parties who wish to request a hearing must submit a written request to the Assistant Secretary for Enforcement and Compliance, filed electronically via Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). Requests should contain: (1) the party's name, address, and telephone number; (2) the number of participants; and (3) a list of issues to be discussed. Issues raised in the hearing will be limited to those raised in the respective case briefs. An electronically filed hearing request must be received successfully in its entirety by Commerce's electronic records system, ACCESS, within 30 days after the date of publication of this notice. If a request for a hearing is made, Commerce intends to hold a hearing at a time and date to be determined.¹⁶ Parties should confirm the date, time, and location of the hearing two days before the scheduled date. All submissions, including case and rebuttal briefs, as well as hearing requests, should be filed using ACCESS.¹⁷ An electronically-filed document must be received successfully in its entirety by ACCESS by 5:00 p.m.

Eastern Time on the established deadline.

Assessment Rates

Upon completion of the final results, Commerce shall determine, and the U.S. Customs and Border Protection (CBP) shall assess, antidumping duties on all appropriate entries covered by this review.¹⁸ If a respondent's weighted-average dumping margin is not zero or *de minimis* (i.e., less than 0.5 percent) in the final results of this review, we intend to calculate an importer-specific assessment rate based on the ratio of the total amount of dumping calculated for each importer's examined sales and the total entered value of those same sales in accordance with 19 CFR 351.212(b)(1).¹⁹ If the respondent's weighted-average dumping margin or an importer-specific assessment rate is zero or *de minimis* in the final results of this review, we intend to instruct CBP not to assess duties on any of its entries in accordance with the *Final Modification for Reviews*.²⁰ The final results of this administrative review shall be the basis for the assessment of antidumping duties on entries of merchandise covered by the final results of this review and for future deposits of estimated duties, where applicable.²¹

For entries of subject merchandise during the POR produced by either of the individually examined respondents for which they did not know that the merchandise was destined for the United States, we will instruct CBP to liquidate these entries at the all-others rate if there is no rate for the intermediate company(ies) involved in the transaction.²²

For the companies identified above that were not selected for individual examination, we will instruct CBP to liquidate entries at the rates established after the completion of the final results of review.

Because Commerce is rescinding this review with respect to Plasoliva, we will instruct CBP to assess antidumping duties on all appropriate entries of subject merchandise during the POR

¹⁸ See 19 CFR 351.212(b)(1).

¹⁹ In these preliminary results, Commerce applied the assessment rate calculation method adopted in *Antidumping Proceedings: Calculation of the Weighted-Average Dumping Margin and Assessment Rate in Certain Antidumping Duty Proceedings; Final Modification*, 77 FR 8101 (February 14, 2012) (*Final Modification for Reviews*).

from this company at a rate equal to the cash deposit rate for estimated antidumping duties that was required at the time of entry, or withdrawal from warehouse, for consumption, in accordance with 19 CFR 351.212(c)(1)(i). Commerce intends to issue its rescission instructions to CBP no earlier than 35 days after the date of publication of this notice in the **Federal Register**.

Commerce intends to issue assessment instructions to CBP no earlier than 35 days after the date of publication of the final results of this review in the **Federal Register**. If a timely summons is filed at the U.S. Court of International Trade, the assessment instructions will direct CBP not to liquidate relevant entries until the time for parties to file a request for a statutory injunction has expired (i.e., within 90 days of publication).

Cash Deposit Requirements

The following cash deposit requirements for estimated antidumping duties will be effective upon publication in the **Federal Register** of the notice of final results of this review for all shipments of olives from Spain entered, or withdrawn from warehouse, for consumption on or after the date of publication as provided by section 751(a)(2) of the Act: (1) the cash deposit rate for companies subject to this review will be equal to the weighted-average dumping margins established in the final results of the review; (2) for merchandise exported by companies not covered in this review but covered in a prior segment of this proceeding, the cash deposit rate will continue to be the company-specific rate published in the completed segment for the most recent period; (3) if the exporter is not a firm covered in this review, a prior review, or the original less-than-fair-value (LTFV) investigation but the producer is, then the cash deposit rate will be the rate established in the completed segment for the most recent period for the producer of the merchandise; and (4) the cash deposit rate for all other producers or exporters will continue to be 19.98 percent,²³ the all-others rate established in the LTFV investigation. These cash deposit requirements, when imposed, shall remain in effect until further notice.

Final Results of Review

Notification to Importers

This notice serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping and/or countervailing duties prior to liquidation of the relevant entries during this POR. Failure to comply with this requirement could result in Commerce's presumption that reimbursement of antidumping and/or countervailing duties occurred and the subsequent assessment of double antidumping duties, and/or an increase in the amount of antidumping duties by the amount of countervailing duties.

Notification to Interested Parties

These preliminary results and notice are issued and published in accordance with sections 751(a)(1) and 777(i) of the Act, 19 CFR 351.213(d)(4), 19 CFR 351.213(h) and 19 CFR 351.221(b)(4).

SUPPLEMENTARY INFORMATION:

Background

On August 1, 2018, Commerce published in the *Federal Register* the countervailing duty (CVD) order on ripe olives from Spain.¹ On October 18, 2023, Commerce published in the *Federal Register* the notice of initiation of an administrative review of the *Order*.² On November 15, 2023, Commerce selected Agro Sevilla Aceitunas S.Coop And. (Agro Sevilla) and Angel Camacho Alimentación, S.L. (Camacho) for individual examination as the mandatory respondents in this administrative review.³ On April 5, 2024, Commerce extended the deadline for the preliminary results review until August 29, 2024.⁴ On July 22, 2024, Commerce tolled certain deadlines in this administrative proceeding by seven days.⁵ The deadline for the preliminary results is now September 5, 2024.

Scope of the Order

The products covered by the *Order* are ripe olives from Spain. For a complete description of the scope of the *Order*, see the Preliminary Decision Memorandum.⁷

Methodology

Commerce is conducting this administrative review in accordance with section 751(a)(1)(A) of the Tariff Act of 1930, as amended (the Act). For each subsidy program found countervailable, we preliminarily find that there is a subsidy (*i.e.*, a financial contribution by an “authority” that gives rise to a benefit to the recipient, and that the subsidy is specific).⁸ For a full description of the methodology underlying our conclusions, including our reliance, in part, on facts otherwise available pursuant to sections 776(a) and (b) of the Act, see the Preliminary Determination Memorandum.

Partial Rescission of Administrative Review

Pursuant to 19 CFR 351.213(d)(1), Commerce will rescind an administrative review, in whole or in part, if the parties that requested a review withdraw the request within 90 days of the date of publication of the notice of initiation. Commerce received timely filed withdrawal requests with respect to one company, Plasoliva, S.L. (Plasoliva), pursuant to 19 CFR 351.213(d)(1).⁹ Because the withdrawal request was timely filed, and no other parties requested a review of this company, in accordance with 19 CFR 351.213(d)(1), Commerce is rescinding this review of the *Order* with respect to Plasoliva.

Additionally, Commerce's practice is to rescind an administrative review of a countervailing duty order, pursuant to 19 CFR 351.213(d)(3), when there are no reviewable entries of subject merchandise during the POR for which liquidation is suspended.¹⁰ Normally,
