[Docket ID: DoD–2022–OS–0113]

**Submission for OMB Review;  
Comment Request**

**AGENCY:** Office of the Under Secretary of Defense for Personnel and Readiness (OUSDP&R), Department of Defense (DoD).

**ACTION:** 30-Day information collection notice.

**SUMMARY:** The DoD has submitted to the Office of Management and Budget (OMB) for clearance the following proposal for collection of information under the provisions of the Paperwork Reduction Act.

**DATES:** Consideration will be given to all comments received by October 15, 2024.

**ADDRESSES:** Written comments and recommendations for the proposed information collection should be sent within 30 days of publication of this notice to [www.reginfo.gov/public/do/PRAMain](http://www.reginfo.gov/public/do/PRAMain). Find this particular information collection by selecting “Currently under 30-day Review—Open for Public Comments” or by using the search function.

**SUPPLEMENTARY INFORMATION:**

*Title; Associated Form; and OMB Number:* USMC Pre-Command Sexual Assault Prevention & Response and Integrated Prevention Training Evaluation; OMB Control Number 0704–0644.

*Type of Request:* New.

*Number of Respondents:* 420.

*Responses per Respondent:* 2.

*Annual Responses:* 840.

*Average Burden per Response:* 15 minutes.

*Annual Burden Hours:* 210 hours.

*Needs and Uses:* This data collection is in response to the Independent Review Commission on Sexual Assault in the Military (IRC–SAM) recommendations (2.1c, 2.4, 3.2, & 3.6). It addresses the problem of sexual assault (SA) in the military and the need for a rigorous evaluation of the USMC Pre-Command Sexual Assault Prevention and Response—Integrated Prevention (SAPR—IP) Training. SAPR—IP is an existing program implemented across the USMC for all slated Commanders and Sergeants Majors. The proposed program evaluation and data collection will assess the impact of the revised training program to create safe, stable, and supportive command environments free from sexual assault.

*Affected Public:* Individuals or households.

*Frequency:* On occasion.

*Respondent's Obligation:* Voluntary.

*OMB Desk Officer:* Ms. Jasmeet Seehra.

You may also submit comments and recommendations, identified by Docket ID number and title, by the following method:

#### POLICY JUSTIFICATION

##### Poland—Hellfire Missiles

The Republic of Poland has requested to buy eight hundred (800) AGM–114R2 Hellfire missiles; and four (4) M36 Hellfire Captive Air Training Missiles (CATM). Also included is Tactical Aviation Ground Munition Program Office technical assistance; Security Assistance Management Directorate technical assistance; Joint Attack Munition Systems technical assistance; Classified and Unclassified publications; spare parts; repair and return; storage; and other related elements of logistics and program support. The total estimated cost is \$150 million.

This proposed sale will support the foreign policy goals and national security objectives of the United States

by improving the security of a NATO ally that is a force for political stability and economic progress in Europe.

The proposed sale will improve Poland's military goals of updating capability while further enhancing interoperability with the United States and other allies. Poland intends to use these defense articles and services to modernize its armed forces and expand its capability to strengthen its homeland defense and deter regional threats. Poland will have no difficulty absorbing this equipment into its armed forces.

The proposed sale of this equipment and support will not alter the basic military balance in the region.

The principal contractor will be Lockheed Martin Corporation, Orlando, FL. There are no known offset agreements proposed in connection with this potential sale.

Implementation of this proposed sale will not require the assignment of any additional U.S. Government or contractor representatives to Poland.

There will be no adverse impact on U.S. defense readiness as a result of this proposed sale.

Transmittal No. 23–23

Notice of Proposed Issuance of Letter of Offer Pursuant to Section 36(b)(1) of the Arms Export Control Act

Annex

Item No. vii

(vii) *Sensitivity of Technology:*

1. The Hellfire AGM–114R2 is a precision strike, semi-active laser-guided missile and is the principal air-to-ground weapon for the U.S. Army AH–64 Apache. The Hellfire R model incorporates a multi-purpose warhead with selectable effects appropriate for engagement of a wide range of targets including heavily or lightly armored targets, thin-skinned vehicles, urban structures, caves, and personnel.

2. The highest level of classification of defense articles, components, and services included in this potential sale is SECRET.

3. If a technologically advanced adversary were to obtain knowledge of the specific hardware and software elements, the information could be used to develop countermeasures that might reduce weapon system effectiveness or be used in the development of a system with similar or advanced capabilities.

4. A determination has been made that Poland can provide substantially the same degree of protection for the sensitive technology being released as the U.S. Government. This sale is necessary in furtherance of the U.S. foreign policy and national security

objectives outlined in the Policy Justification.

5. All defense articles and services listed in this transmittal have been authorized for release and export to Poland.
