BILLING CODE P

DEPARTMENT OF JUSTICE

Antitrust Division

Notice Pursuant to the National Cooperative Research and Production Act of 1993—Subcutaneous Drug Development & Delivery Consortium, Inc.

Notice is hereby given that, on April 25, 2024, pursuant to section 6(a) of the National Cooperative Research and Production Act of 1993, 15 U.S.C. 4301 *et seq.* (“the Act”), Subcutaneous Drug Development & Delivery Consortium, Inc. has filed written notifications simultaneously with the Attorney General and the Federal Trade Commission disclosing changes in its membership. The notifications were filed for the purpose of extending the Act’s provisions limiting the recovery of antitrust plaintiffs to actual damages under specified circumstances. Specifically, Comera Life Sciences, Woburn, MA, has withdrawn as a party to this venture.

No other changes have been made in either the membership or planned activity of the group research project. Membership in this group research project remains open, and Subcutaneous Drug Development & Delivery Consortium, Inc. intends to file additional written notifications disclosing all changes in membership.

On October 26, 2020, Subcutaneous Drug Development & Delivery Consortium, Inc. filed its original notification pursuant to section 6(a) of the Act. The Department of Justice published a notice in the **Federal Register** pursuant to section 6(b) of the Act on December 3, 2020 (85 FR 78148).

The last notification was filed with the Department on February 2, 2024. A notice was published in the **Federal Register** pursuant to section 6(b) of the Act on April 16, 2024 (89 FR 26926).

Suzanne Morris,

Deputy Director Civil Enforcement Operations, Antitrust Division.
