#### Utility Scale Wind Towers From Malaysia: Preliminary Results and Preliminary Partial Rescission of Countervailing Duty Administrative Review, 2022

**AGENCY:** Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce.

**SUMMARY:** The U.S. Department of Commerce (Commerce) is conducting an administrative review of the countervailing duty order on utility scale wind towers (wind towers) from Malaysia. Commerce preliminarily finds that CS Wind Malaysia Sdn Bhd (CS Wind) received countervailable subsidies during the period of review (POR), January 1, 2022, through December 31, 2022. We are also preliminarily rescinding the review with respect to 11 producers/exporters. We invite interested parties to comment on these preliminary results.

**DATES:** Applicable September 13, 2024.

**FOR FURTHER INFORMATION CONTACT:** Kelsie Hohenberger, AD/CVD Operations, Office V, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482–2517.

#### SUPPLEMENTARY INFORMATION:

##### Background

On October 18, 2023, Commerce initiated an administrative review of the countervailing duty order on wind towers from Malaysia,<sup>1</sup> in accordance

<sup>1</sup> See *Utility Scale Wind Towers from Malaysia: Countervailing Duty Order*, 86 FR 41950 (August 4, 2021) (*Order*).

with section 751(a) of the Tariff Act of 1930, as amended (the Act),<sup>2</sup> with respect to 12 companies. Commerce selected CS Wind for individual examination.<sup>3</sup> On April 17, 2024, Commerce extended the deadline for the preliminary results of this administrative review until August 30, 2024.<sup>4</sup> On July 22, 2024, Commerce tolled certain deadlines in this administrative review by seven days.<sup>5</sup> The deadline for these preliminary results is now September 6, 2024.

For details regarding the events that followed the initiation of the review, see the Preliminary Decision Memorandum.<sup>6</sup> A list of topics included in the Preliminary Decision Memorandum is included as an appendix to this notice. The Preliminary Decision Memorandum is a public document and is made available to the public via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). ACCESS is available to registered users at <https://access.trade.gov>. In addition, a complete version of the Preliminary Decision Memorandum is available at <https://access.trade.gov/public/FRNoticesListLayout.aspx>.

### Scope of the Order

The products covered by the *Order* are wind towers from Malaysia. For a full description of the scope, see the Preliminary Decision Memorandum.

### Preliminary Intent To Rescind Administrative Review, In Part

Based on our analysis of U.S. Customs and Border Protection (CBP) data, we preliminarily determine that there were no reviewable entries during the POR for the following companies: CS Wind Corporation; CS Wind China Co., Ltd; CS Wind Taiwan Ltd; CS Wind Turkey Kule Imaltati A.S; CS Wind UK Limited; CS Wind Vietnam Co., Ltd; CS Wind Portugal, S.A.; GE Renewable Energy; GE Renewable Malaysia Sdn. Bhd; Nordex SE; and Siemens Gamesa Renewable Energy. Therefore, pursuant

to 19 CFR 351.213(d)(3), we intend to rescind the administrative review of these companies in the final results of review.<sup>7</sup>

### Methodology

We are conducting this review in accordance with section 751(a)(1)(A) of the Act. For each of the subsidy programs found countervailable, we preliminarily determine that there is a subsidy, *i.e.*, a financial contribution from an "authority" that confers a benefit to the recipient, and that the subsidy is specific.<sup>8</sup> For a full description of the methodology underlying these preliminary results, see the Preliminary Decision Memorandum.

### Preliminary Results of Review

We preliminarily find the following net countervailable subsidy rate exists for the period January 1, 2022, through December 31, 2022:

Producer/exporter	Subsidy rate (percent ad valorem)
CS Wind Malaysia Sdn. Bhd .....	2.24

### Disclosure and Public Comment

We intend to disclose to interested parties the calculations performed for these preliminary results within five days of the publication of this notice.<sup>9</sup>

Case briefs or other written comments may be submitted to the Assistant Secretary for Enforcement and Compliance.<sup>10</sup> A timeline for the submission of case briefs and written comments will be notified to interested parties at a later date. Rebuttal briefs, limited to issues raised in the case briefs, may be filed not later than five days after the date for filing case briefs.<sup>11</sup> Interested parties that submit case briefs or rebuttal briefs in this proceeding must submit: (1) a table of contents listing each issue; and (2) a table of authorities.<sup>12</sup>

As provided under 19 CFR 351.309(c)(2) and (d)(2), in prior proceedings we have encouraged

interested parties to provide an executive summary of their briefs that should be limited to five pages total, including footnotes. In this review, we instead request that interested parties provide at the beginning of their briefs a public, executive summary for each issue raised in their briefs.<sup>13</sup> Further, we request that interested parties limit their public executive summary of each issue to no more than 450 words, not including citations. We intend to use the public executive summaries as the basis of the comment summaries included in the issues and decision memorandum that will accompany the final results in this administrative review. We request that interested parties include footnotes for relevant citations in the public executive summary of each issue. Note that Commerce has amended certain of its requirements pertaining to the service of documents in 19 CFR 351.303(f).<sup>14</sup>

Interested parties who wish to request a hearing must submit a written request to the Assistant Secretary for Enforcement and Compliance, filed electronically via ACCESS.<sup>15</sup> Requests should contain: (1) the party's name, address, and telephone number; (2) the number of participants; and (3) a list of issues to be discussed. Issues raised in the hearing will be limited to those raised in the respective case and rebuttal briefs. If a request for a hearing is made, Commerce intends to hold the hearing at a time and date to be determined. A hearing request must be filed electronically using ACCESS and received in its entirety by 5:00 p.m. Eastern Time within 30 days after publication of this notice.

### Assessment Rates

Upon completion of the administrative review, consistent with section 751(a)(1) of the Act and 19 CFR 351.212(b)(2), Commerce shall determine, and CBP shall assess, countervailing duties on all appropriate entries covered by this review.

For CS Wind, we preliminarily assigned a subsidy rate in the amount shown above. For the companies for which this review is rescinded in the final results, we will instruct CBP to assess countervailing duties on all appropriate entries at a rate equal to the cash deposit of estimated countervailing duties required at the time of entry, or withdrawal from warehouse, for

In accordance with section 751(a)(1) of the Act, Commerce intends, upon publication of the final results, to instruct CBP to collect cash deposits of estimated countervailing duties in the amounts shown for the company listed above on shipments of subject merchandise entered, or withdrawn from warehouse, for consumption on or after the date of publication of the final results of this administrative review. For all non-reviewed firms or companies for which we rescind the review, we will instruct CBP to continue to collect cash deposits at the most recent company-specific or all-others rate applicable to the company. These cash deposit requirements, when imposed, shall remain in effect until further notice.

#### Large Power Transformers From the Republic of Korea: Preliminary Results and Rescission, in Part, of Antidumping Duty Administrative Review, 2022–2023

**AGENCY:** Enforcement and Compliance, International Trade Administration, Department of Commerce.

**SUMMARY:** The U.S. Department of Commerce (Commerce) preliminarily finds that Iljin Electric Co., Ltd. (Iljin), and non-individually examined companies for which a review was requested, made sales of large power transformers from the Republic of Korea (Korea) at prices below normal value (NV) during the period of review (POR) of August 1, 2022, through July 31, 2023. Commerce also preliminarily finds that HD Hyundai Electric Co., Ltd. (Hyundai) did not make sales of large power transformers from Korea at prices below NV during the POR. Additionally, Commerce is rescinding this administrative review, in part, with respect to Hyosung Heavy Industries Corporation (Hyosung) because Hyosung had no entries of subject merchandise during the POR. We invite interested parties to comment on these preliminary results.

**DATES:** Applicable September 13, 2024.

**FOR FURTHER INFORMATION CONTACT:** John Drury at (202) 482–0195 or Jinny Ahn at (202) 482–0339, AD/CVD Operations, Office VI, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230.

#### SUPPLEMENTARY INFORMATION:

#### Background

Commerce published the antidumping duty order on large power transformers on August 31, 2012.<sup>1</sup> Commerce provided an opportunity to request an administrative review on August 2, 2023.<sup>2</sup> On August 31, 2023, we received requests to conduct an

administrative review from Iljin,<sup>3</sup> Hyundai,<sup>4</sup> and Hitachi Energy USA, Inc. and Prolec-GE Waukesha, Inc. (the petitioners).<sup>5</sup> Commerce initiated this review on October 18, 2023.<sup>6</sup> We selected two mandatory respondents in this review, Hyundai and Iljin. For a more detailed description of the events that followed the initiation of this review, see the Preliminary Decision Memorandum.<sup>7</sup>

#### Scope of the Order

The scope of this *Order* covers large liquid dielectric power transformers having a top power handling capacity greater than or equal to 60,000 kilovolt amperes (60 megavolt amperes), whether assembled or unassembled, complete or incomplete.<sup>8</sup>

#### Partial Rescission of Review

Pursuant to 19 CFR 351.213(d)(3), it is Commerce's practice to rescind an administrative review of an antidumping duty order when there are no reviewable entries of subject merchandise during the POR for which liquidation is suspended.<sup>9</sup> Normally, upon completion of an administrative review, the suspended entries are liquidated at the antidumping duty assessment rate calculated for the review period.<sup>10</sup> Therefore, for an administrative review to be conducted, there must be at least one reviewable, suspended entry that Commerce can instruct CBP to liquidate at the antidumping duty assessment rate calculated for the review period.<sup>11</sup> There were no entries of subject merchandise during the POR for
