

included in the issues and decision memorandum that will accompany the final results in this administrative review. We request that interested parties include footnotes for relevant citations in the public executive summary of each issue. Note that Commerce has amended certain of its requirements pertaining to the service of documents in 19 CFR 351.303(f).¹⁰

Pursuant to 19 CFR 351.310(c), interested parties who wish to request a hearing must submit a written request to the Assistant Secretary for Enforcement and Compliance, filed electronically via ACCESS. Requests should contain: (1) the party's name, address, and telephone number; (2) the number of participants; and (3) a list of issues to be discussed. Issues raised in the hearing will be limited to those raised in the respective case briefs. An electronically filed hearing request must be received successfully in its entirety by Commerce's electronic records system, ACCESS, by 5 p.m. Eastern Time within 30 days after the date of publication of this notice.

Assessment Rates

Upon completion of the administrative review, Commerce shall determine, and U.S. Customs and Border Protection (CBP) shall assess, antidumping duties on all appropriate entries covered by this review.¹¹ If the weighted-average dumping margin is not zero or *de minimis* (i.e., less than 0.5 percent), then Commerce will calculate importer-specific *ad valorem* antidumping duty assessment rates based on the ratio of the total amount of dumping calculated for each importer's examined sales to the total entered value of those same sales in accordance with 19 CFR 351.212(b)(1). If the weighted-average dumping margin is zero or *de minimis* in the final results, or if an importer-specific assessment rate is zero or *de minimis* in the final results, Commerce will instruct CBP to liquidate the appropriate entries without regard to antidumping duties.

In accordance with Commerce's "automatic assessment" practice, for entries of subject merchandise that entered the United States during the POR that were produced by each respondent for which the respondent did not know that its merchandise was destined to the United States, Commerce will instruct CBP to liquidate unreviewed entries at the all-others rate, if there is no rate for the intermediate

company(ies) involved in the transaction.¹²

Commerce intends to issue assessment instructions to CBP no earlier than 35 days after the date of publication of the final results of this review in the **Federal Register**. If a timely summons is filed at the U.S. Court of International Trade, the assessment instructions will direct CBP not to liquidate relevant entries until the time for parties to file a request for a statutory injunction has expired (i.e., within 90 days of publication).

Cash Deposit Requirements

The following deposit requirements will be effective for all shipments of CVP-23 from India entered, or withdrawn from warehouse, for consumption on or after the date of publication of the final results of this administrative review, as provided for by section 751(a)(2)(C) of the Act: (1) the cash deposit rate for the companies under review will be the rate established in the final results of this review (except, if the rate is zero or *de minimis*, no cash deposit will be required); (2) for previously reviewed or investigated companies not listed above, the cash deposit rate will continue to be the company-specific rate published for the most recent period; (3) if the exporter is not a firm covered in this review, a prior review, or the less-than-fair-value investigation, but the manufacturer is, the cash deposit rate will be the rate established for the most recent period for the manufacturer of the merchandise; and (4) the cash deposit rate for all other manufacturers or exporters will continue to be 27.48 percent, the all-others rate established in the investigation.¹³ These cash deposit rates, when imposed, shall remain in effect until further notice.

Final Results of Review

Unless otherwise extended, Commerce intends to issue the final results of this administrative review, including the results of our analysis of issues raised by the parties in any written briefs, within 120 days of publication of these preliminary results in the **Federal Register**, pursuant to section 751(a)(3)(A) of the Act and 19 CFR 351.213(h)(1).

Notification to Importers

This notice also serves as a preliminary reminder to importers of their responsibility under 19 CFR

351.402(f)(2) to file a certificate regarding the reimbursement of antidumping and/or countervailing duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in Commerce's presumption that reimbursement of antidumping and/or countervailing duties occurred and the subsequent assessment of double antidumping duties, and/or an increase in the amount of antidumping duties by the amount of the countervailing duties.

Notification to Interested Parties

These preliminary results of administrative review are issued and published in accordance with sections 751(a)(1) and 777(i)(1) of the Act, and 19 CFR 351.221(b)(4).

Dated: September 9, 2024.

SUMMARY: The U.S. Department of Commerce (Commerce) is conducting the administrative review of the antidumping duty (AD) order on light-walled rectangular pipe and tube (LWRPT) from the People's Republic of China (China). The period of review (POR) is August 1, 2022, through July 31, 2023. Commerce preliminarily finds that Hoa Phat Steel Pipe Company Limited (Hoa Phat) had no subject shipments of LWRPT and that Hoa Phat will be eligible to participate in the

certification program previously established with respect to the AD order on LWRPT from China. In addition, we are rescinding this review with respect to Hangzhou Ailong Metal Product Co., Ltd. (Ailong). We invite interested parties to comment on these preliminary results.

SUPPLEMENTARY INFORMATION:

Background

On August 5, 2008, Commerce published in the **Federal Register** the AD order on LWRPT from China.¹ On August 2, 2023, Commerce notified interested parties of the opportunity to request an administrative review of the *Order*.² On August 30, 2023, Hoa Phat requested that Commerce conduct an administrative review of its exports to determine whether those exports are covered by the *Order*.³ In its review request, Hoa Phat elaborated that it sought an administrative review so that Commerce would permit it to submit certifications to U.S. Customs and Border Protection (CBP) to properly declare the origin of the hot-rolled steel (HRS) that it used to produce the LWRPT it exported.⁴ On August 31,

⁴ *Id.* As background, in *Light-Walled Rectangular Pipe and Tube from the People's Republic of China: Preliminary Affirmative Determination of Circumvention of the Antidumping Duty and Countervailing Duty Orders*, 88 FR 21985-21986 (April 12, 2023) (*Preliminary Circumvention Determination*), and accompanying Preliminary Decision Memorandum at 4-6, Commerce preliminarily determined that Hoa Phat had failed to cooperate in the circumvention proceeding and applied facts available with adverse inferences to determine that Hoa Phat was not eligible to participate in the certification regime established in the circumvention proceeding. In the final determination, Commerce continued to find that Hoa Phat was ineligible to participate in the certification regime. See *Light-Walled Rectangular Pipe and Tube from the People's Republic of China: Final Affirmative Determination of Circumvention of the Antidumping Duty and Countervailing Duty Orders*, 88 FR 77283 (November 9, 2023) (*Final Circumvention Determination*), and accompanying Issues and Decision Memorandum (IDM) at Comment 3.

2023, GS Global USA, Inc. (GS Global) requested that Commerce conduct an administrative review of Hoa Phat's exports.⁵ On August 31, 2023, Ailong requested that Commerce conduct an administrative review of its exports.⁶

Subsequently, we initiated an administrative review of the *Order* with respect to Ailong and Hoa Phat.⁷ On December 14, 2023, Commerce received a timely withdrawal of review request with respect to Ailong.⁸

On November 9, 2023, we published in the **Federal Register** the *Final Circumvention Determination*, in which we: (1) determined that certain LWRPT exported from the Socialist Republic of Vietnam (Vietnam) and entered into the United States was circumventing the *Order* and, therefore, is now covered by the *Order*; and (2) established a certification program to allow eligible producers and exporters of LWRPT exported from Vietnam to certify that entries of LWRPT exported from Vietnam are not subject to the *Order*.⁹ We also indicated that during the upcoming anniversary month of the *Order* (*i.e.*, August)¹⁰ we would allow interested parties to request reviews of LWRPT shipped from Vietnam and suspended under the *Order*.

On April 11, 2024, Commerce extended the deadline for these preliminary results to August 30, 2024.¹¹ On June 22, 2024, Commerce tolled certain deadlines in this administrative proceeding by seven days.¹² The deadline for these preliminary results is now September 6, 2024. For details regarding the events that occurred subsequent to the initiation of the review, see the Preliminary Decision Memorandum.¹³

Scope of the Order

The merchandise subject to this *Order* is certain welded carbon quality light-walled steel pipe and tube. A complete description of the scope of the *Order* is contained in the Preliminary Decision Memorandum.

Partial Rescission of Administrative Review

Pursuant to 19 CFR 351.213(d)(1), Commerce will rescind an administrative review, in whole or in part, if all parties that requested a review withdraw their requests within 90 days of the publication date of the notice of initiation of the requested review in the **Federal Register**. On December 14, 2023, Ailong timely withdrew its request for administrative review.¹⁴ Because no other party requested a review of Ailong, consistent with 19 CFR 351.213(d)(1), Commerce is rescinding this review, in part, with respect to Ailong.

Methodology

Commerce is conducting this review in accordance with section 751(a)(1)(B) of the Tariff Act of 1930, as amended (the Act) and 19 CFR 351.213. For a full description of the methodology underlying these preliminary results, see the Preliminary Decision Memorandum. A list of the topics discussed in the Preliminary Decision Memorandum is included as the appendix to this notice. The Preliminary Decision Memorandum is a public document and is made available to the public via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). ACCESS is available to registered users at <http://access.trade.gov>. In addition, a complete version of the Preliminary Decision Memorandum is available at <https://access.trade.gov/public/FRNoticesListLayout.aspx>.

Preliminary Determination of No Shipments

In this administrative review, we issued a questionnaire to Hoa Phat to gather information on the quantity and value (Q&V) of its shipments of LWRPT to the United States.¹⁵ We received a response to this questionnaire from Hoa Phat, in which it reported that its

¹⁴ See Ailong Withdrawal Request.

¹⁵ See Commerce's Letter, "Quantity and Value Questionnaire," dated November 20, 2023; see also Memorandum, "Clarification of Companies Required to Submit Responses to Q&V Questionnaire," dated November 28, 2023; and Commerce's Letters, "Request for Entry Information," dated February 5, 2024 (collectively, Q&V Questionnaire).

suspended entries consisted exclusively of non-subject merchandise.¹⁶ We issued supplemental questionnaires to Hoa Phat and received responses.¹⁷ We have analyzed the information in these responses and preliminarily find that Hoa Phat has provided information to support its claim that the LWRPT it exported to the United States is of non-subject LWRPT. Thus, if our preliminary finding is unchanged in the final results, Hoa Phat Hoa will be eligible to participate in the certification program previously established with respect to the AD *Order* on LWRPT from China as of the publication date of the final results.

China-Wide Entity

Under Commerce's policy regarding the conditional review of the China-wide entity,¹⁸ the China-wide entity will not be under review unless a party specifically requests, or Commerce self-initiates, a review of the entity. Because no party requested a review of the China-wide entity in this review, the entity is not under review, and the entity's rate (*i.e.*, 255.07 percent) is not subject to change.¹⁹

Verification

On January 26, 2024, Nucor Tubular Products Inc. requested that Commerce conduct verification of Hoa Phat pursuant to 19 CFR 351.307(b)(1)(v). Accordingly, Commerce intends to verify the information relied upon in making its final results for Hoa Phat.

Public Comment

Because Commerce intends to verify the questionnaire responses of Hoa Phat, the mandatory respondent in this

review, interested parties will be notified of the deadline for the submission of case briefs at a later date.²⁰ Rebuttal briefs, limited to issues raised in case briefs, may be submitted no later than five days after the deadline date for case briefs.²¹

Parties who submit case briefs or rebuttal briefs in this proceeding must submit with each argument: (1) a statement of the issue; (2) a brief summary of the argument; and (3) a table of authorities.²² As provided under 19 CFR 351.309(c)(2) and (d)(2), in prior proceedings we have encouraged interested parties to provide an executive summary of their brief that should be limited to five pages total, including footnotes. In this review, we instead request that interested parties provide at the beginning of their briefs a public, executive summary for each issue raised in their briefs.²³ Further, we request that interested parties limit their public executive summary of each issue to no more than 450 words, not including citations. We intend to use the public executive summaries as the basis of the comment summaries included in the issues and decision memorandum that will accompany the final determination in this review. We request that interested parties include footnotes for relevant citations in the public executive summary of each issue. Note that Commerce has amended certain of its requirements pertaining to the service of documents in 19 CFR 351.303(f).²⁴

Pursuant to 19 CFR 351.310(c), interested parties who wish to request a hearing, limited to issues raised in the case and rebuttal briefs, must submit a written request to the Assistant Secretary for Enforcement and Compliance, U.S. Department of Commerce, within 30 days after the publication of this notice. Hearing requests should contain: (1) the party's name, address, telephone number; (2) the number of participants; and whether any participant is a foreign national; and (3) a list of the issues to be discussed. Issues raised in the hearing will be limited to issues raised in the case and rebuttal briefs. If a request for a hearing is made, Commerce intends to hold the hearing at a time and date to be

determined and will notify the parties through ACCESS.²⁵ Parties should confirm the date, time, and location of the hearing two days before the scheduled date.

All submissions, including case and rebuttal briefs, as well as hearing requests, should be filed using ACCESS. An electronically-filed document must be received successfully in its entirety by ACCESS by 5:00 p.m. Eastern Time on the established deadline.

Assessment Rates

Upon issuance of the final results of this review, Commerce will determine, and CBP will assess, antidumping duties on all appropriate entries covered by this review.²⁶ We intend to instruct CBP to liquidate entries of LWRPT exported by Hoa Phat without regard to antidumping duties if these preliminary results are unchanged for the final results. For Hoa Phat, Commerce intends to issue assessment instructions to CBP no earlier than 35 days after the date of publication of the final results of this review in the **Federal Register**. If a timely summons is filed at the U.S. Court of International Trade, the assessment instructions will direct CBP not to liquidate relevant entries until the time for parties to file a request for a statutory injunction has expired (*i.e.*, within 90 days of publication).

For Ailong, we will instruct CBP to assess antidumping duties on all appropriate entries at a rate equal to the cash deposit of estimated antidumping duties required at the time of entry, in accordance with 19 CFR 351.212(c)(1)(i). For Ailong, Commerce intends to issue assessment instructions to CBP no earlier than 35 days after the date of publication of this notice in the **Federal Register**. If a timely summons is filed at the U.S. Court of International Trade, the assessment instructions will direct CBP not to liquidate relevant entries until the time for parties to file a request for a statutory injunction has expired (*i.e.*, within 90 days of publication).

Cash Deposit Requirements

The following cash deposit requirements will be effective upon publication of the final results of this administrative review for all shipments of the subject merchandise entered, or withdrawn from warehouse, for consumption on or after the publication date of the final results of review, as provided for by section 751(a)(2)(C) of the Act: (1) for Hoa Phat, the cash deposit rate will remain unchanged (*i.e.*,

These deposit requirements, when imposed, shall remain in effect until further notice.

Final Results of Review

Unless otherwise extended, Commerce intends to issue the final results of this administrative review, which will include the results of its analysis of issues raised in any briefs, within 120 days of publication of these preliminary results of review, pursuant to section 751(a)(3)(A) of the Act.

Notification to Importers

This notice also serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping and/or countervailing duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in Commerce's presumption that reimbursement of antidumping and/or countervailing duties occurred and the subsequent assessment of double antidumping duties, and/or an increase in the amount of antidumping duties by the amount of the countervailing duties.

Notification to Interested Parties

This determination is issued and published in accordance with sections 751(a)(1) and 777(i)(1) of the Act and 19 CFR 351.221(b)(4).

On August 15, 2019, Commerce published the antidumping duty order on steel propane cylinders from Thailand.¹ On August 2, 2023, Commerce published in the **Federal Register** a notice of opportunity to

request an administrative review of the *Order*.² On August 30, 2023, Commerce received a timely request to conduct an administrative review of the *Order* from SMPC, and on August 31, 2023, Worthington Industries (the petitioner) requested a review of SMPC.³ On October 18, 2023, based on timely requests for review and in accordance with section 751(a)(1) of the Tariff Act of 1930, as amended (the Act) and 19 CFR 351.221(c)(1)(i), Commerce initiated an administrative review of the *Order*.⁴ Pursuant to section 751(a)(3)(A) of the Act, Commerce extended the deadline for the preliminary results until August 30, 2024.⁵ On July 22, 2024, Commerce tolled certain deadlines in this administrative proceeding by seven days.⁶ The deadline for the preliminary results is now September 6, 2024.
