SUPPLEMENTARY INFORMATION: This notice supersedes a similar notice published in the **Federal Register** on July 5, 2016, at 81 FR 43629. The Computer Matching program seeks to set forth the terms and conditions governing disclosures of records, information, or data (collectively referred to herein as “data”) made by DOJ to HUD. This data is obtained by DOJ and pertains to delinquent debt that individuals owe to DOJ. The purpose of its transmittal is to update the Credit Alert Verification Reporting System (CAIVRS), which is a computer information system maintained by HUD. The data match will allow for the prescreening of applicants for Federal direct loans or federally guaranteed loans, for the purpose of determining the applicant’s credit worthiness, by ascertaining whether the applicant is delinquent or in default on a loan owed directly to or guaranteed by the Federal Government. The terms and conditions of this Agreement ensure that DOJ makes such disclosures of data, and that HUD uses such disclosed data, in accordance with the requirements of the Privacy Act of 1974, as amended by the Computer Matching and Privacy Protection Act (CMPPA) of 1988, 5 U.S.C. 552a.

Participating Agencies

HUD is the recipient agency, and DOJ is the source agency.

- DOJ Order 0904: Cybersecurity Program.

Purpose(s)

This agreement sets forth the respective responsibilities of HUD and DOJ in effecting the transfer of DOJ post judgment debtor data to CAIVRS. The CAIVRS debtor file contains the Social Security numbers (SSNs) of HUD’s delinquent debtors and defaulters, and the delinquent and defaulted debtor records of other federal agencies including the identification of the type of delinquent or defaulted loan. The objective of CAIVRS is to give program agencies and their authorized financial institutions access to a system that allows them to prescreen applicants for loans made or guaranteed by the Federal Government to ascertain if the applicant is delinquent in paying a debt owed to or insured by the Federal Government.

Categories of Individuals

The categories of individuals whose information is involved in the matching program are delinquent federal debtors.

Categories of Records

The categories of records used in the matching program are the categories of records used in the matching program are debtor’s SSN, Agency, Program Code, Case number and Contact information.

System(s) of Records

HUD and DOJ SORNs used for purpose of the subject data exchanges include:

- Debt Collection Enforcement System, JUSTICE/DOJ–016. The notice for this system of records, including a routine use permitting this disclosure, was published in the **Federal Register** on March 25, 2017, (82 FR 24151, 154). The DOJ debtor files contain information on individuals or corporations with unsatisfied judgments.
- Credit Alert Verification System, HUD/HOU–04. The notice for this system of records, including a routine use permitting this disclosure, was published in the **Federal Register** on August 28, 2023 (88 FR 58595). CAIVRS is as a shared database of defaulted Federal debtors and enables processors of applications for Federal credit benefit to identify individuals who are in default or have had claims paid on direct or guaranteed Federal loans or are delinquent or other debts owed to Federal agencies.
- Financial Data Mart (FDM), A75R. The notice for this system of records, including a routine use permitting this disclosure, was published in the **Federal Register** on August 17, 2022 (87 FR 50640). FDM is a warehouse of data extracted from various HUD systems and is supported by several query tools for improved financial and program data reporting.
