**Base Access Requirements:** All visitors without a DoD Common Access Card or U.S. military ID must be vetted in advance to gain entry onto the base. It is highly recommended that visitors undergo the pre-vetting process and apply online as detailed below.

**For Pre-Vetting**

To allow sufficient time for processing, access requests should be submitted no more than 14 days ahead or less than three days before the event. The visitor will receive notification via email, and, if approved, a one-day visitor’s pass for entry onto the base. The visitor must print the pass and present it to the guard at the gate to enter Fort McNair.

(a) If the visitor has a valid U.S. driver’s license:

(i) The visitor can apply for access online at <https://pass.aie.army.mil/jbmhh/>. Under Reason for Visit, select “Other.” Alternatively, the visitor can apply in person at the Fort McNair Visitor Control Center (VCC)/Police Substation (Building 65) from 8:00 a.m. to 4:00 p.m. Monday through Friday.

(b) If the visitor does not have a U.S. driver’s license:

**SUPPLEMENTARY INFORMATION:**

*Table A—2024–2025 Award Year Deadline Dates by Which a Student Must Submit the FAFSA, by Which the Institution Must Receive the Student's Institutional Student Information Record (ISIR) or FAFSA Submission Summary, and by Which the Institution Must Submit Verification Outcomes for Certain Students.*

Table A provides information and deadline dates for receipt of the FAFSA, corrections to and signatures for the FAFSA, ISIRs, and FAFSA Submission Summary, and verification documents.

The deadline date for the receipt of a FAFSA by the Department's FAFSA Processing System (FPS) is June 30, 2025, regardless of the method that the applicant uses to submit the FAFSA. The deadline date for the receipt of corrections, notices of change of address or institution, or requests for a duplicate FAFSA Submission Summary is September 13, 2025.

For all title IV, HEA programs, an ISIR or FAFSA Submission Summary for the student must be received by the institution no later than the student's last date of enrollment for the 2024–2025 award year or September 20, 2025, whichever is earlier. Note that a FAFSA must be submitted and an ISIR or FAFSA Submission Summary received for the dependent student for whom a parent is applying for a Direct PLUS Loan.

Except for students selected for Verification Tracking Groups V4 and V5, verification documents must be received by the institution no later than 120 days after the student's last date of enrollment for the 2024–2025 award year or September 20, 2025, whichever is earlier. For students selected for

Verification Tracking Groups V4 and V5, institutions must submit identity verification results no later than 60 days following the institution's first request to the student to submit the documentation, or when the FAFSA Partner Portal (FPP) Verification of Identity function is made available for the 2024–2025 Award Year, whichever is later.

For all title IV, HEA programs except for (1) Direct PLUS Loans that will be made to parent borrowers, and (2) Direct Unsubsidized Loans that will be made to dependent students who have been determined by the institution, pursuant to section 479A(a) of the HEA, to be eligible for such a loan without providing parental information on the FAFSA, the ISIR or FAFSA Submission Summary must have an official Student Aid Index (SAI) and the ISIR or FAFSA Submission Summary must be received by the institution no later than the earlier of the student's last date of enrollment for the 2024–2025 award year or September 20, 2025. For the two exceptions mentioned above, the ISIR or FAFSA Submission Summary must be received by the institution by the same dates noted in this paragraph but the ISIR or FAFSA Submission Summary is not required to have an official SAI.

For a student who is requesting aid through the Pell Grant, FSEOG, or FWS programs or for a student requesting Direct Subsidized Loans, who does not meet the conditions for a late disbursement under 34 CFR 668.164(j), a valid ISIR or valid FAFSA Submission Summary must be received by the institution by the student's last date of enrollment for the 2024–2025 award year or September 20, 2025, whichever is earlier. Additionally, for the 2024–2025 Award Year, the Department is providing additional flexibilities for students who applied via the paper FAFSA form and were enrolled only for the 2024 summer term. An institution that receives an ISIR for a student who was enrolled for the summer term and is no longer enrolled, and who, if not for the delay of the processing of paper FAFSA forms, would have otherwise been eligible to receive title IV program funds, may still award and disburse the funds, subject to all other late disbursement requirements. For this exception to apply, the ISIR or FAFSA Submission Summary must have an Application Receipt Date on or before the student's last date of enrollment for the summer term but the ISIR or FAFSA Submission Summary is not required to have an official SAI.

In accordance with 34 CFR 668.164(j)(4)(i), an institution may not make a late disbursement of title IV, HEA program funds later than 180 days
