

Justification: This non-competitive supplement will award \$265,188 to New York City Health & Hospitals Corporation to fund the New York City Poison Control Center (NYCPCC) to provide coverage of calls to the toll-free Poison Help line originating from Puerto Rico from September 1, 2024, through August 31, 2025. The Poison Control Program ensures that individuals can call a national toll-free Poison Help line (1-800-222-1222) to connect to a local poison control center in a poisoning emergency. As required by statute, calls to the Poison Help line must be directed to poison control centers that are accredited. In the most recent Notice of Funding Opportunity, HRSA-24-045, no application was received to respond to calls from Puerto Rico. To ensure uninterrupted poison control center coverage for Puerto Rico, HRSA identified NYCPCC as an accredited center that is capable of responding to Puerto Rico’s approximately 5,000 calls annually. NYCPCC historically has been able to provide temporary coverage for Puerto Rico’s calls on an ad hoc basis and has the qualifications, experience, and personnel to do so on a longer-term basis. Funds will be used for project activities within the scope of the current

award (as announced in HRSA-24-045); supplemental funds will support NYCPCC to provide coverage to calls to the Poison Help line originating from Puerto Rico for a period of 1 year. Future funds for coverage for Puerto Rico may be made available in a Notice of Funding Opportunity for a project period of September 1, 2025, to August 31, 2028, subject to the availability of funding for the activity.

Carole Johnson,
Administrator.

BILLING CODE 4165-15-P

DEPARTMENT OF HEALTH AND HUMAN SERVICES

Health Resources and Services Administration

Notice of Supplemental Award; Alumni Peer Navigator Services Pilot

AGENCY: Health Resources and Services Administration (HRSA), Department of Health and Human Services.

ACTION: Notice of supplemental award.

SUMMARY: HRSA will provide supplemental award funds in fiscal year

2024 to the current recipient of the Supporting Healthy Start (HS) Performance Project cooperative agreement (HRSA-24-038) to support the second year of the Alumni Peer Navigator (APN) Services Pilot.

FOR FURTHER INFORMATION CONTACT: Aaron M. Lopata, MD, MPP, Senior Medical Officer, Division of HS and Perinatal Services, Maternal and Child Health Bureau, HRSA, at *alopata@hrsa.gov* and (312) 315-4270.

SUPPLEMENTARY INFORMATION:

Intended Recipient(s) of the Award: The National Institute for Children’s Health Quality (NICHQ).

Amount of Competitive or Non-Competitive Award(s): \$601,851.

Supplemental funding for similar activities may be considered in future years, subject to the availability of funding for the activity and the satisfactory performance of the recipient.

Project Period: June 1, 2024, to May 31, 2029.

Assistance Listing (CFDA) Number: 93.926.

Award Instrument: Supplement.

Authority: 42 U.S.C. 254c-8 (title III, 330H of the Public Health Service Act).

TABLE 1—RECIPIENT AND AWARD AMOUNTS

Grant No.	Award recipient name	City, State	Award amount
UF5MC32750	National Institute for Children’s Health Quality	Boston, MA	\$601,851

Justification: NICHQ, as the current HS Technical Assistance Support Center, and recipient of the Supporting HS Performance Project, provides national support to all HRSA HS project grantees. The supplemental funds will support new and continued APN activities. APN activities aim to reduce infant mortality rates, address disparities in maternal and infant health outcomes, and address social determinants of health. APNs are former HS participants who have navigated complex and often disparate health, education, and social services. These former HS participants, known as “peer navigators,” help current HS families by providing guidance and information about public benefits and help to address issues such as food insecurity, unstable housing, and lack of transportation.

NICHQ will use supplemental funds to support HS grantees to implement this peer-to-peer workforce model, the APN Services Pilot. The APN Services Pilot was previously known as the

Benefits Bundle Pilot. The APN Services Pilot is an interagency collaboration between the Department of Health and Human Services and the Office of Management and Budget/U.S. Digital Service.

The pilot consists of five HS projects in Florence, SC, Atlanta, GA, Baton Rouge, LA, Los Angeles, CA and Stoneville, Mississippi.

DEPARTMENT OF HEALTH AND HUMAN SERVICES

Health Resources and Services Administration

National Vaccine Injury Compensation Program; List of Petitions Received

AGENCY: Health Resources and Services Administration (HRSA), Department of Health and Human Services (HHS).

ACTION: Notice.

SUMMARY: HRSA is publishing this notice of petitions received under the National Vaccine Injury Compensation Program (the Program), as required by the Public Health Service (PHS) Act, as amended. While the Secretary of HHS is named as the respondent in all proceedings brought by the filing of petitions for compensation under the Program, the United States Court of Federal Claims is charged by statute with responsibility for considering and acting upon the petitions.

FOR FURTHER INFORMATION CONTACT: For information about requirements for filing petitions, and the Program in general, contact Lisa L. Reyes, Clerk of Court, United States Court of Federal Claims, 717 Madison Place NW, Washington, DC 20005, (202) 357-6400. For information on HRSA's role in the Program, contact the Director, National Vaccine Injury Compensation Program, 5600 Fishers Lane, Room 8W-25A, Rockville, Maryland 20857; (301) 443-6593, or visit our website at: <http://www.hrsa.gov/vaccinecompensation/index.html>.

SUPPLEMENTARY INFORMATION: The Program provides a system of no-fault compensation for certain individuals who have been injured by specified childhood vaccines. Subtitle 2 of title XXI of the PHS Act, 42 U.S.C. 300aa-10 *et seq.*, provides that those seeking compensation are to file a petition with the United States Court of Federal Claims and to serve a copy of the petition to the Secretary of HHS, who is named as the respondent in each proceeding. The Secretary has delegated this responsibility under the Program to HRSA. The Court is directed by statute to appoint special masters who take evidence, conduct hearings as appropriate, and make initial decisions as to eligibility for, and amount of, compensation.

A petition may be filed with respect to injuries, disabilities, illnesses, conditions, and deaths resulting from vaccines described in the Vaccine Injury Table (the Table) set forth at 42 CFR 100.3. This Table lists for each covered childhood vaccine the conditions that may lead to compensation and, for each condition, the time period for occurrence of the first symptom or manifestation of onset or of significant aggravation after vaccine administration. Compensation may also be awarded for conditions not listed in the Table and for conditions that are manifested outside the time periods specified in the Table, but only if the petitioner shows that the condition was caused by one of the listed vaccines.

Section 2112(b)(2) of the PHS Act, 42 U.S.C. 300aa-12(b)(2), requires that “[w]ithin 30 days after the Secretary receives service of any petition filed under section 2111 the Secretary shall publish notice of such petition in the **Federal Register**.” Set forth below is a list of petitions received by HRSA on August 1, 2024, through August 31, 2024. This list provides the name of the petitioner, city, and state of vaccination (if unknown then the city and state of the person or attorney filing the claim), and case number. In cases where the

Court has redacted the name of a petitioner and/or the case number, the list reflects such redaction.

Section 2112(b)(2) also provides that the special master “shall afford all interested persons an opportunity to submit relevant, written information” relating to the following:

1. The existence of evidence “that there is not a preponderance of the evidence that the illness, disability, injury, condition, or death described in the petition is due to factors unrelated to the administration of the vaccine described in the petition,” and

2. Any allegation in a petition that the petitioner either:

a. “[S]ustained, or had significantly aggravated, any illness, disability, injury, or condition not set forth in the Vaccine Injury Table but which was caused by” one of the vaccines referred to in the Table, or

b. “[S]ustained, or had significantly aggravated, any illness, disability, injury, or condition set forth in the Vaccine Injury Table the first symptom or manifestation of the onset or significant aggravation of which did not occur within the time period set forth in the Table but which was caused by a vaccine” referred to in the Table.

In accordance with section 2112(b)(2), all interested persons may submit written information relevant to the issues described above in the case of the petitions listed below. Any person choosing to do so should file an original and three (3) copies of the information with the Clerk of the United States Court of Federal Claims at the address listed above (under the heading **FOR FURTHER INFORMATION CONTACT**), with a copy to HRSA addressed to Director, Division of Injury Compensation Programs, Health Systems Bureau, 5600 Fishers Lane, 8W-25A, Rockville, Maryland 20857. The Court's caption (Petitioner's Name v. Secretary of HHS) and the docket number assigned to the petition should be used as the caption for the written submission. Chapter 35 of Title 44, United States Code, related to paperwork reduction, does not apply to information required for purposes of carrying out the Program.

Carole Johnson,
Administrator.

List of Petitions Filed

- David Keifrider, Pottstown, Pennsylvania, Court of Federal Claims No: 24-1176V
- Amber Pennington, Benton, Arkansas, Court of Federal Claims No: 24-1178V
