BILLING CODE 3110–01–P**OFFICE OF MANAGEMENT AND BUDGET****Privacy Act of 1974; System of Records****AGENCY:** Office of Management and Budget.**ACTION:** Rescindment of system of records notice.

SUMMARY: The Office of Management and Budget is discontinuing two systems of records, OMB/ADSER/02, Staff Parking Application File and OMB/PERSL/01, Recruiting Records. For the Staff Parking Application File SORN (OMB/ADSER/02), OMB no longer processes or issues parking permits, and as such, does not maintain this system. The Recruiting Records SORN (OMB/PERSL/01) is no longer needed because the Office of Personnel Management issued a government-wide SORN (OPM/GOVT–5) after OMB issued the Recruiting Records SORN in 2000. OPM/GOVT–5 governs all of the records contained in OMB's 2000 Recruiting Records SORN.

DATES: This notice shall be applicable immediately.**ADDRESSES:** You may submit comments through *regulations.gov*.

Instructions: All submissions must contain the subject heading “Rescissions.”

SUPPLEMENTARY INFORMATION: In accordance with the Privacy Act of 1974, OMB conducted a review of its Privacy Act systems of records and determined that the Staff Parking Application File, OMB/ADSER/02 can be discontinued because records related to staff parking are no longer collected or maintained by OMB. Additionally, OMB/PERSL/01, Recruiting Records can be discontinued because this system of records notice was published in March, 2000, and subsequently OPM issued a system of records notice (OPM/GOVT–5) which governs all of the records previously contained within OMB/PERSL/01.
