

Subpart B—E-Gov Travel Service and Travel Management Service

■ 22. Revise § 301–73.100 to read as follows:

§ 301–73.100 Are agencies and their employees required to use the ETS?

Yes, unless you have an exception to the use of the ETS (see § 301–50.4 of the chapter and §§ 301–73.102 and 301–73.104), agencies and employees must use the ETS for all temporary duty travel. The Department of Defense, the legislative branch, and the Government of the District of Columbia are not subject to this requirement.

§ 301–73.101 [Removed and Reserved]

■ 23. Remove and reserve § 301–73.101.

■ 24. Revise § 301–73.102 to read as follows:

§ 301–73.102 May we grant a traveler an exception from required use of TMS or ETS?

(a) Yes, your agency head or their designee may grant an individual case by case exception to required use of your agency’s TMS or to required use of ETS, but only when travel meets one of the following conditions:

(1) Such use would result in an unreasonable burden on mission accomplishment (e.g., emergency travel is involved and TMS or ETS is not accessible; the traveler is performing invitational travel; or the traveler has special needs or requires disability accommodations in accordance with part 301–13 of this chapter).

(2) Such use would compromise a national security interest.

(3) Such use might endanger the traveler’s life (e.g., the individual is traveling under the Federal witness protection program, or is a threatened law enforcement or investigative officer traveling under part 301–31 of this chapter).

(4) Such use is prevented due to extenuating circumstances (see § 301–50.6 of this chapter).

(b) Any exception granted must be consistent with any contractual terms applicable to your TMS or ETS, and must not cause a breach of contract terms.

■ 25. Revise § 301–73.103 to read as follows:

§ 301–73.103 What must we do when we approve an exception to the use of the ETS?

The head of your agency or their designee must approve an exception to the use of the ETS under § 301–50.4 of this chapter or § 301–73.102 in writing or through electronic means.

■ 26. Amend § 301–73.104 by—

- a. Removing from the section heading the words “E-Gov Travel Service” and adding in their place “ETS”; and
- b. Revising paragraphs (a)(1), (2), and (4), (b), and (c).

The revisions read as follows:

§ 301–73.104 May further exceptions to the required use of the ETS be approved?

(a) * * *

(1) The agency has presented a business case analysis to the General Services Administration that proves that it has an alternative TMS to the ETS that is in the best interest of the Government and the taxpayer (i.e., the agency has evaluated the economic and service values offered by the ETS contractor(s) compared to those offered by the agency’s current or proposed TMS and has determined that the agency’s current or proposed TMS is a better value);

(2) The agency has security, secrecy, or protection of information issues that cannot be mitigated through security provided by the ETS contractor(s);

(4) The agency has critical and unique technology or business requirements that cannot be accommodated by the ETS contractor(s) at all or at an acceptable and reasonable price (e.g., majority of travel is group-travel).

(b) As a condition of receiving an exception, the agency must agree to conduct annual business case reviews of its TMS and must provide to the ETS Program Management Office (PMO) data elements required by the ETS PMO in a format prescribed by the ETS PMO.

(c) Requests for exceptions should be addressed to the Administrator of General Services and sent to *travelpolicy@gsa.gov* with full justification and/or analysis addressing paragraphs (a)(1) through (4) of this section.

■ 27. Revise § 301–73.105 to read as follows:

§ 301–73.105 What are the consequences of an employee not using the ETS or TMS?

If an employee does not use the ETS (or your agency’s designated TMS where an exception to ETS applies), the employee is responsible for any additional costs (see § 301–50.5 of this chapter) resulting from the failure to use the ETS or your TMS. In addition, you may take appropriate disciplinary actions.

■ 28. Amend § 301–73.106 by—

- a. Designating the note to § 301–73.106 as note 1 to § 301–73.106; and
- b. Revising newly designated note 1 to § 301–73.106.

The revision reads as follows:

§ 301–73.106 What are the basic services that should be covered by a TMS?

* * * * *

Note 1 to § 301–73.106: The ETS fulfills the basic services of a TMS.
