Abstract of Information Available

In the Spring of 1986, Polly Quick and the University of California, Berkeley Anthropology Field Class (133) removed at minimum, 101 ancestors from CA-SAC-42, also known as Souza Mound. The 10 associated funerary objects are nine lots consisting of faunal remains, ground stone, beads, flaked and chipped stone, soil, and shell and one mortar fragment. The ancestors and associated funerary objects were accessioned by the Lowie Museum (today the Phoebe A. Hearst Museum of Anthropology) in 1988. One associated funerary object was removed by R.F. Heizer and the University of California, Berkeley S197 Anthropology class in July 1949 and appropriated by the University of California, Berkeley in 1949. The associated funerary object is a mortar fragment.

Collections and collection spaces at the Phoebe A Hearst Museum of Anthropology were treated with substances for preservation and pest control, some potentially hazardous. No records have been found to date at the Museum to indicate whether or not chemicals or natural substances were used prior to 1960.

Cultural Affiliation

Based on the information available and the results of consultation, cultural affiliation is reasonably identified by the geographical location or acquisition history of the human remains and

associated funerary objects described in this notice.

Determinations

The University of California, Berkeley has determined that:

- The human remains described in this notice represent the physical remains of 101 individuals of Native American ancestry.
- The 10 lots of objects described in this notice are reasonably believed to have been placed intentionally with or near individual human remains at the time of death or later as part of the death rite or ceremony.
- There is a reasonable connection between the human remains and associated funerary objects described in this notice and the Buena Vista Rancheria of Me-Wuk Indians of California; Cachil Dehe Band of Wintun Indians of the Colusa Indian Community of the Colusa Rancheria, California; Chicken Ranch Rancheria of Me-Wuk Indians of California; Guidiville Rancheria of California; Ione Band of Miwok Indians of California; Shingle Springs Band of Miwok Indians, Shingle Springs Rancheria (Verona Tract), California; Tule River Indian Tribe of the Tule River Reservation, California; United Auburn Indian Community of the Auburn Rancheria of California; Wilton Rancheria, California; and the Yocha Dehe Wintun Nation, California.

Requests for Repatriation

Written requests for repatriation of the human remains and associated funerary objects in this notice must be sent to the authorized representative identified in this notice under **ADDRESSES**. Requests for repatriation may be submitted by:

1. Any one or more of the Indian Tribes or Native Hawaiian organizations identified in this notice.
2. Any lineal descendant, Indian Tribe, or Native Hawaiian organization not identified in this notice who shows, by a preponderance of the evidence, that the requestor is a lineal descendant or a culturally affiliated Indian Tribe or Native Hawaiian organization.

Repatriation of the human remains and associated funerary objects in this notice to a requestor may occur on or after October 21, 2024. If competing requests for repatriation are received, the University of California, Berkeley must determine the most appropriate requestor prior to repatriation. Requests for joint repatriation of the human remains and associated funerary objects are considered a single request and not competing requests. The University of California, Berkeley is responsible for sending a copy of this notice to the

Indian Tribes and Native Hawaiian organizations identified in this notice.

Notice of Inventory Completion: Peabody Museum of Archaeology and Ethnology, Harvard University, Cambridge, MA

AGENCY: National Park Service, Interior.

ACTION: Notice.

SUMMARY: In accordance with the Native American Graves Protection and Repatriation Act (NAGPRA), the Peabody Museum of Archaeology and Ethnology, Harvard University (PMAE) has completed an inventory of human remains and has determined that there is a cultural affiliation between the human remains and Indian Tribes or Native Hawaiian organizations in this notice. The human remains were collected at the Genoa Indian School, Nance County, NE, and an unknown location.

DATES: Repatriation of the human remains in this notice may occur on or after October 21, 2024.

ADDRESSES: Jane Pickering, Peabody Museum of Archaeology and Ethnology, Harvard University, 11 Divinity Avenue, Cambridge, MA 02138, telephone (617) 496-2374, email jpickering@fas.harvard.edu.

SUPPLEMENTARY INFORMATION: This notice is published as part of the National Park Service's administrative responsibilities under NAGPRA. The determinations in this notice are the sole responsibility of the PMAE, and additional information on the determinations in this notice, including the results of consultation, can be found in the inventory or related records. The National Park Service is not responsible for the determinations in this notice.

Abstract of Information Available

Human remains representing, at minimum, one individual was collected at the Genoa Indian School, Nance County, NE. The human remains are

hair clippings collected from one individual who was recorded as being 18 years old and identified as “Omaha.” S.B. Davis took the hair clippings at the Genoa Indian School between 1930 and 1933. Davis sent the hair clippings to George Woodbury, who donated the hair clippings to the PMAE in 1935. No associated funerary objects are present.

Human remains representing, at minimum, one individual was collected at an unknown location. The human remains are hair clippings collected from one individual whose age was not recorded and identified as “Omaha.” Dr. Earnest Albert Hooten took the hair clippings at an unknown location. Hooten sent the hair clippings to George Woodbury, who donated the hair clippings to the PMAE in 1935. No associated funerary objects are present.

Cultural Affiliation

Based on the available information and the results of consultation, cultural affiliation is clearly identified by the information available about the human remains described in this notice.

Determinations

Pursuant to NAGPRA and its implementing regulations, and after consultation with the appropriate lineal descendants, Indian Tribes, and Native Hawaiian organizations, the PMAE has determined that:

- The human remains described in this notice represent the physical remains of two individuals of Native American ancestry.
- There is a reasonable connection between the human remains described in this notice and the Omaha Tribe of Nebraska.

Requests for Repatriation

Written requests for repatriation of the human remains in this notice must be sent to the Responsible Official identified in **ADDRESSES**. Requests for repatriation may be submitted by:

1. Any one or more of the Indian Tribes or Native Hawaiian organizations identified in this notice.
2. Any lineal descendant, Indian Tribe, or Native Hawaiian organization not identified in this notice who shows, by a preponderance of the evidence, that the requestor is a lineal descendant or a culturally affiliated Indian Tribe or Native Hawaiian organization.

Repatriation of the human remains in this notice to a requestor may occur on or after October 21, 2024. If competing requests for repatriation are received, the PMAE must determine the most appropriate requestor prior to repatriation. Requests for joint repatriation of the human remains are

considered a single request and not competing requests. The PMAE is responsible for sending a copy of this notice to the Indian Tribe identified in this notice.

Authority: Native American Graves Protection and Repatriation Act, 25 U.S.C. 3003, and the implementing regulations, 43 CFR 10.10.

Notice of Inventory Completion: U.S. Department of the Interior, Bureau of Reclamation, Columbia-Pacific Northwest Region, Boise, ID

AGENCY: National Park Service, Interior.

ACTION: Notice.

SUMMARY: In accordance with the Native American Graves Protection and Repatriation Act (NAGPRA), the U.S. Department of the Interior, Bureau of Reclamation, Interior Region 9: Columbia-Pacific Northwest Region (Reclamation Region 9) has completed an inventory of human remains and associated funerary objects and has determined that there is a cultural affiliation between the human remains and associated funerary objects and Indian Tribes or Native Hawaiian organizations in this notice.

DATES: Repatriation of the human remains and associated funerary objects in this notice may occur on or after October 21, 2024.

ADDRESSES: Send written requests for repatriation of the human remains and associated funerary objects identified in this notice to Dr. Sean Hess, Supervisory Regional Archaeologist, Columbia-Pacific Northwest Regional Office, Bureau of Reclamation, 1150 N Curtis Road, Boise, ID 83706, telephone (208) 378–5316, email shess@usbr.gov.

SUPPLEMENTARY INFORMATION: This notice is published as part of the National Park Service’s administrative responsibilities under NAGPRA. The determinations in this notice are the sole responsibility of Reclamation Region 9, and additional information on the determinations in this notice, including the results of consultation, can be found in its inventory or related records. The National Park Service is

not responsible for the determinations in this notice.

Abstract of Information Available

Human remains representing, at least, seven individuals have been identified. The three associated funerary objects are one piece of shell, one unidentified animal dewclaw, and one lot of soil. This notice represents the second repatriation of materials from site 45OK7 and was initiated in 2021 due to the discovery of items relocated in museum collections at both Central Washington University and Eastern Washington University. The original Notice of Inventory Completion was published in the **Federal Register** on June 21, 2011 (76 FR 36153–36154).

Cultural Affiliation

Based on the information available and the results of consultation, cultural affiliation is reasonably identified by the geographical location or acquisition history of the human remains and associated funerary objects described in this notice.

Determinations

Reclamation Region 9 has determined that:

- The human remains described in this notice represent the physical remains of seven individuals of Native American ancestry.
- The three objects described in this notice are reasonably believed to have been placed intentionally with or near individual human remains at the time of death or later as part of the death rite or ceremony.
- There is a connection between the human remains and associated funerary objects described in this notice and the Confederated Tribes of the Colville Reservation.

Requests for Repatriation

Written requests for repatriation of the human remains and associated funerary objects in this notice must be sent to the authorized representative identified in this notice under **ADDRESSES**. Requests for repatriation may be submitted by:

1. Any one or more of the Indian Tribes or Native Hawaiian organizations identified in this notice.
2. Any lineal descendant, Indian Tribe, or Native Hawaiian organization not identified in this notice who shows, by a preponderance of the evidence, that the requestor is a lineal descendant or an Indian Tribe or Native Hawaiian organization with cultural affiliation.

Repatriation of the human remains and associated funerary objects described in this notice to a requestor may occur on or after October 21, 2024.
