United States-Mexico-Canada Agreement (USMCA), Article 10.12: Binational Panel Review: Notice of Request for Panel Review

AGENCY: United States Section, USMCA Secretariat, International Trade Administration, Department of Commerce.

ACTION: Notice of USMCA request for panel review.

SUMMARY: A Request for Panel Review was filed in the matter of Certain Softwood Lumber Products from Canada: Final Results of Antidumping Duty Administrative Review, Partial Rescission of Administrative Review, and Final Determination of No Shipments; 2022 with the U.S. Section of the USMCA Secretariat on September 18, 2024. The USMCA Secretariat has assigned case number USA-CDA-2024-10.12-04 to this request.

FOR FURTHER INFORMATION CONTACT: Vidya Desai, United States Secretary, USMCA Secretariat, Room 2061, 1401 Constitution Avenue NW, Washington, DC 20230, 202-482-5438.

SUPPLEMENTARY INFORMATION: The final results of the investigation under review were determined by the United States Department of Commerce and were published in the **Federal Register** on August 19, 2024 (89 FR 67067).

Article 10.12 of chapter 10 of USMCA provides a dispute settlement mechanism involving trade remedy determinations issued by the Government of the United States, the Government of Canada, and the Government of Mexico. Following a Request for Panel Review, a Binational Panel is composed to review the trade remedy determination being challenged and issue a binding Panel Decision. There are established USMCA *Rules of Procedure for Article 10.12 (Binational Panel Reviews)*, which were adopted by the three governments for panels requested pursuant to Article 10.12(2) of USMCA which requires Requests for Panel Review to be published in

accordance with Rule 40. For the complete Rules, please see https://can-mex-usa-sec.org/secretariat/agreement-accord-acuerdo/usmca-aceum-tmec/rules-regles-reglas/article-article-articulo_10_12.aspx?lang=eng.

The Rules provide that:

(a) A Party or interested person may challenge the final determination in whole or in part by filing a Complaint in accordance with Rule 44 no later than 30 days after the filing of the first Request for Panel Review (the deadline for filing a Complaint is October 18, 2024);

(b) A Party, an investigating authority or other interested person who does not file a Complaint but who intends to participate in the panel review shall file a Notice of Appearance in accordance with Rule 45 no later than 45 days after the filing of the first Request for Panel Review (the deadline for filing a Notice of Appearance is November 4, 2024);

(c) The panel review will be limited to the allegations of error of fact or law, including challenges to the jurisdiction of the investigating authority, that are set out in the Complaints filed in the panel review and to the procedural and substantive defenses raised in the panel review.

Dated: September 19, 2024.

Vidya Desai,

United States Secretary, USMCA Secretariat.

Notice of Opportunity To Request Administrative Review; Correction and Extension of Certain Deadlines: Certain Walk-Behind Lawn Mowers and Parts Thereof From the People's Republic of China and Certain Pasta From the Republic of Türkiye

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

ACTION: Notice; correction.

SUMMARY: The U.S. Department of Commerce (Commerce) published a notice in the **Federal Register** of July 1, 2024, of opportunity to request administrative reviews of orders, findings, or suspended investigations (opportunity notice). This notice inadvertently omitted listing the antidumping duty (AD) order on certain walk-behind lawn mowers and parts thereof (Lawn Mowers) from the

People's Republic of China (China). This notice also inadvertently listed an incorrect period of review (POR) for the countervailing duty (CVD) order on certain pasta (Pasta) from the Republic of Türkiye (Türkiye). Commerce is extending certain deadlines identified in the opportunity notice due to these errors.

FOR FURTHER INFORMATION CONTACT:

Brenda E. Brown, Office of AD/CVD Operations, Customs Liaison Unit, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230, telephone: (202) 482-4735.

SUPPLEMENTARY INFORMATION:

Background

Each year during the anniversary month of the publication of an AD or CVD order, finding, or suspended investigation, an interested party, as defined in section 771(9) of the Tariff Act of 1930, as amended, may request, in accordance with 19 CFR 351.213, that Commerce conduct an administrative review of that AD or CVD order, finding, or suspended investigation. Commerce notifies interested parties of the opportunity to request administrative review with the publication of a **Federal Register** notice. The opportunity notice published on July 1, 2024, for AD and CVD orders with a July anniversary month, inadvertently did not provide notice of opportunity to request administrative review of the AD order on Lawn Mowers from China for the 7/1/2023 through 6/30/2024 POR.¹ This notice also inadvertently listed an incorrect POR for the CVD order on Pasta from Türkiye.

Correction

In the **Federal Register** of July 1, 2024, in FR Doc. 2024-14404, on page 54438, correct the table by adding the following under the subheading "The People's Republic of China:" "Certain Walk-Behind Lawn Mowers and Parts Thereof, A-570-129; POR 7/1/23-6/30/24,"² and on page 54439, correct the table by changing the POR from 1/1/22-12/31/22, to 1/1/23-12/31/23.³

Extension of Time

Unless specifically identified below, the deadlines identified in the July 1, 2024 opportunity notice are unchanged.

Interested parties to the Lawn Mowers from China AD order and the Pasta from

Türkiye CVD order have 30 days after the date of this correction notice to submit new or amended entries of appearance. Commerce will then finalize the annual inquiry service lists five business days thereafter. For ease of administration, please note that Commerce requests that law firms with more than one attorney representing interested parties in a proceeding designate a lead attorney to be included on the annual inquiry service list.

Interested parties may request, in accordance with 19 CFR 351.213, that Commerce conduct an administrative review of the Lawn Mowers from China AD order or the Pasta from Türkiye CVD order within 30 days of publication of this correction notice.

Commerce will publish in the **Federal Register** a notice of “Initiation of Administrative Review of Antidumping or Countervailing Duty Order, Finding, or Suspended Investigation” for requests received within 30 days of this correction notice. If Commerce does not timely receive a request for review of entries covered by the Lawn Mowers from China AD order or the Pasta from Türkiye CVD order, Commerce will instruct CBP to assess antidumping or countervailing duties on those entries at a rate equal to the cash deposit of estimated antidumping duties required on those entries at the time of entry, or withdrawal from warehouse, for consumption and to continue to collect the cash deposit previously ordered.

This notice is not required by statute but is published as a service to the international trade community.

Dated: September 19, 2024.

Scot Fullerton,

Acting Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations.

Determination of Overfishing or an Overfished Condition

AGENCY: National Marine Fisheries Service (NMFS), National Oceanic and Atmospheric Administration (NOAA), Commerce.

ACTION: Notice.

SUMMARY: This action serves as a notice that NMFS, on behalf of the Secretary of Commerce (Secretary), has found that Western Atlantic sailfish is now overfished and the Pribilof Islands blue king crab remains overfished. NMFS, on behalf of the Secretary, is required to provide this notice whenever it determines that a stock or stock complex is subject to overfishing, overfished, or approaching an overfished condition.

FOR FURTHER INFORMATION CONTACT:

Diana Perry, (301) 427-7863.

SUPPLEMENTARY INFORMATION: Pursuant to section 304(e)(2) of the Magnuson-Stevens Fishery Conservation and Management Act, 16 U.S.C. 1854(e)(2), NMFS, on behalf of the Secretary, must notify councils, and publish a notice in the **Federal Register**, whenever it determines that a stock or stock complex is subject to overfishing, overfished, or approaching an overfished condition.

NMFS has determined that Western Atlantic sailfish is now overfished. This determination is based on the most recent international stock assessment, completed in 2023 and using data through 2021, which indicates that the biomass is less than the minimum stock size threshold (MSST). NMFS continues to work with the International Commission for the Conservation of Atlantic Tunas to rebuild this stock through development of an international rebuilding program.

NMFS has determined that Pribilof Islands blue king crab is still overfished. This determination is based on the most recent assessment, completed in 2023 and using data through 2023, which indicates that the mature male biomass is less than the MSST. NMFS continues to work with the North Pacific Fishery
