Proposed recreation fees collected at the proposed recreation fee site and for the proposed special recreation permits would be used for operation, maintenance, and improvement of the site and the specialized recreation use covered by the proposed special recreation permit. An analysis of nearby recreation fee sites and specialized recreation uses with similar amenities shows the proposed recreation fees that would be charged at the proposed recreation fee site and for the proposed special recreation permit are reasonable and typical of similar recreation fee sites and specialized recreation uses in the area.

DATES: If approved, the proposed recreation fees would be established no earlier than six months following the publication of this notice in the **Federal Register**.

ADDRESSES: National Forests in Mississippi, Attention: Recreation Fees, 968 Highway 15 South, Laurel, MS 39443.

In accordance with Forest Service Handbook 2309.13, chapter 30, the Forest Service will publish the proposed recreation fee sites and proposed recreation fees in local newspapers and other local publications for public comment. Most of the proposed recreation fees would be spent where they are collected to enhance the visitor experience at the proposed recreation fee sites.

A proposed expanded amenity recreation fee of \$10 per night would be charged for Big Foot Horse Camp. A proposed special recreation permit recreation fee of \$10 per person per day is proposed at the South Bethel Motorized Trail. In addition, a proposed special recreation permit recreation fee of \$5 per person per day is proposed at the Black Creek Shoeing Range.
