SUPPLEMENTARY INFORMATION:

Background: This meeting is being held pursuant to section 308 of the Workforce Innovation and Opportunity Act of 2014 (WIOA) (Pub. L. 113-128), which amends section 15 of the Wagner-Peyser Act of 1933 (29 U.S.C. 491-2). The WIAC is an important component of WIOA. The WIAC is a Federal advisory committee of workforce and labor market information experts representing a broad range of national, state, and local data and information users and producers. The WIAC was established in accordance with provisions of the Federal Advisory Committee Act (FACA), as amended (5 U.S.C. app.) and will act in accordance with the applicable provisions of FACA and its implementing regulation at 41 CFR 102-3. The purpose of the WIAC is to provide recommendations to the Secretary of Labor (Secretary), working jointly through the Assistant Secretary for Employment and Training and the Commissioner of Labor Statistics, to address: (1) the evaluation and improvement of the nationwide workforce and labor market information (WLMI) system and statewide systems that comprise the nationwide system; and (2) how the Department of Labor (Department) and the states will cooperate in the management of those systems. These systems include programs to produce employment-related statistics and state and local WLMI.

The Department anticipates the WIAC will accomplish its objectives by: (1) studying WLMI issues; (2) seeking and sharing information on innovative approaches, new technologies, and data to inform employment, skills training, and workforce and economic development decision making and policy; and (3) advising the Secretary on how the WLMI system can best support workforce development, planning, and program development. Additional information is available at www.dol.gov/agencies/eta/wioa/wiac/meetings.

Purpose: The WIAC is continually identifying and reviewing issues and aspects of the WLMI system and statewide systems that comprise the nationwide system and how the Department and the states will cooperate in the management of those systems. As part of this process, the Advisory Council meets to gather information and to engage in deliberative and planning activities to facilitate the development and provision

of its recommendations to the Secretary in a timely manner.

Agenda: There are three agenda topics for this meeting. One, review and approve recommendations the WIAC members discussed at the previous meeting held September 9 and 10, 2024. Two, discuss topics for future consideration of the WIAC. Third, determine a workplan for developing the next set of WIAC recommendations. A detailed agenda will be available at www.dol.gov/agencies/eta/wioa/wiac/meetings shortly before the November 6, 2024, meeting commences.

The Advisory Council will open the floor for public comment at approximately 4 p.m. EST for approximately 10 minutes. However, that time may change at the WIAC chair's discretion.
