

- Evaluate whether and if so how the quality, utility, and clarity of the information to be collected can be enhanced; and
- Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.

*Abstract:* The nonimmigrant alien information will be used to determine if a nonimmigrant alien is eligible to obtain a federal firearms license and purchase, obtain, possess, or import a firearm. Nonimmigrant aliens also must maintain the documents while in possession of firearms or ammunition in

the United States for verification purposes.

**Overview of This Information Collection**

1. *Type of Information Collection:* Revision of a previously approved collection.

2. *The Title of the Form/Collection:* Firearms Disabilities for Nonimmigrant Aliens.

3. *The agency form number, if any, and the applicable component of the Department sponsoring the collection:* Form number: None.

*Component:* Bureau of Alcohol, Tobacco, Firearms and Explosives, U.S. Department of Justice.

4. *Affected public who will be asked or required to respond, as well as the obligation to respond:* Affected Public: Individuals or households, Private Sector—for or not for profit institutions.

As this is not a form, there is no obligation to respond.

5. *An estimate of the total number of respondents and the amount of time estimated for an average respondent to respond:* An estimated 2,531 respondents will respond to this collection, and it will take each respondent approximately 3 minutes and 59 seconds to complete their responses.

6. *An estimate of the total annual burden (in hours) associated with the collection:* The estimated annual public burden associated with this collection is 168 hours, which is equal to 2,531 (total respondents) \* 1 (# of response per respondent) \* .06637 (3 minutes and 59 seconds).

7. *An estimate of the total annual cost burden associated with the collection, if applicable:* \$3,864.

**DEPARTMENT OF LABOR**

**Agency Information Collection Activities; Submission for OMB Review; Comment Request; UI Benefit Accuracy Measurement Program**

**ACTION:** Notice of availability; request for comments.

**SUMMARY:** The Department of Labor (DOL) is submitting this Employment and Training Administration (ETA)-sponsored information collection request (ICR) to the Office of Management and Budget (OMB) for review and approval in accordance with

the Paperwork Reduction Act of 1995 (PRA). Public comments on the ICR are invited.

**DATES:** The OMB will consider all written comments that the agency receives on or before November 1, 2024.

**ADDRESSES:** Written comments and recommendations for the proposed information collection should be sent within 30 days of publication of this notice to [www.reginfo.gov/public/do/PRAMain](http://www.reginfo.gov/public/do/PRAMain). Find this particular information collection by selecting “Currently under 30-day Review—Open for Public Comments” or by using the search function.

**FOR FURTHER INFORMATION CONTACT:** Michael Howell by telephone at 202-693-6782, or by email at [DOL\\_PRA\\_PUBLIC@dol.gov](mailto:DOL_PRA_PUBLIC@dol.gov).

**SUPPLEMENTARY INFORMATION:** The Benefit Accuracy Measurement (BAM) program provides reliable estimates of the accuracy of benefit payments and denied claims in the UI program and identifies the sources of mis payments and improper denials so that their causes can be eliminated. For additional substantive information about this ICR, see the related notice published in the **Federal Register** on March 12, 2024 (89 FR 17878).

*Comments are invited on:* (1) whether the collection of information is necessary for the proper performance of the functions of the Department, including whether the information will have practical utility; (2) the accuracy of the agency’s estimates of the burden and cost of the collection of information, including the validity of the methodology and assumptions used; (3) ways to enhance the quality, utility and clarity of the information collection; and (4) ways to minimize the burden of the collection of information on those who are to respond, including the use of automated collection techniques or other forms of information technology.

This information collection is subject to the PRA. A Federal agency generally cannot conduct or sponsor a collection of information, and the public is generally not required to respond to an information collection, unless the OMB approves it and displays a currently valid OMB Control Number. In addition, notwithstanding any other provisions of law, no person shall generally be subject to penalty for failing to comply with a collection of information that does not display a valid OMB Control Number. See 5 CFR 1320.5(a) and 1320.6.

DOL seeks PRA authorization for this information collection for three (3)

years. OMB authorization for an ICR cannot be for more than three (3) years without renewal. The DOL notes that information collection requirements submitted to the OMB for existing ICRs receive a month-to-month extension while they undergo review.

*Agency:* DOL–ETA.

*Title of Collection:* UI Benefit Accuracy Measurement Program.

*OMB Control Number:* 1205–0245.

*Affected Public:* State, Local and Tribal Governments.

*Total Estimated Number of Respondents:* 181,634.

*Total Estimated Number of Responses:* 228,745.

*Total Estimated Annual Time Burden:* 618,084 hours.

*Total Estimated Annual Other Costs Burden:* \$0.
