Proposal Under OMB Delegated Authority To Extend for Three Years, Without Revision, the Following Information Collection

Collection title: Domestic Branch Application.

Collection identifier: FR 4001.

OMB control number: 7100-0097.

General description of collection: The Federal Reserve Act and the Board's Regulation H—*Membership of State Banking Institutions in the Federal Reserve System* (12 CFR part 208) require a state member bank to seek prior approval of the Federal Reserve System before establishing or acquiring a domestic branch. Such requests for approval must be filed as applications at the appropriate Reserve Bank for the state member bank. Due to the limited information that a state member bank generally has to provide for branch proposals, there is no formal reporting form for a domestic branch application. A state member bank is required to notify the Federal Reserve by letter of its intent to establish one or more new branches and provide evidence that public notice of the proposed branch(es) has been published by the state member bank in the appropriate newspaper(s). The applicant may include with its letter a copy of the Conference of State Bank Supervisors Uniform Interstate Application/Notice form. The Federal Reserve uses the information provided by the applicant to fulfill its statutory obligation to review branch applications before acting on the proposals and to otherwise supervise state member banks.

Frequency: Event-generated.

Respondents: State member banks.

Total estimated number of respondents: 179.

Total estimated annual burden hours: 425.

Proposal Under OMB Delegated Authority To Extend for Three Years, With Revision, the Following Information Collection

Collection title: Financial Statements for Holding Companies.¹

Collection identifier: FR Y-9 reports.

OMB control number: 7100-0128.

General description of collection: The Board requires bank holding companies, most savings and loan holding companies, securities holding companies, and U.S. intermediate holding companies (collectively, HCs) to provide standardized financial statements through one or more of the FR Y-9 reports. The information collected on the FR Y-9 reports is necessary for the Board to identify emerging financial risks and monitor the safety and soundness of HC operations.

The Consolidated Financial Statements for Holding Companies (FR Y-9C) consists of standardized financial statements for HCs similar to the Call Reports filed by commercial banks. The FR Y-9C collects consolidated data and is filed quarterly by top-tier HCs with total consolidated assets of \$3 billion or more.

The Parent Company Only Financial Statements for Large Holding Companies (FR Y-9LP), must be submitted quarterly by each HC that files the FR Y-9C, as well as by each of its subsidiary HCs. The report consists

of standardized financial statements, including the following schedules: Income Statement, Cash Flow Statement, Balance Sheet, Investments in Subsidiaries and Associated Companies, Memoranda, and Notes to the Parent Company Only Financial Statements.

The Parent Company Only Financial Statements for Small Holding Companies (FR Y-9SP), is filed semiannually by HCs with total consolidated assets of less than \$3 billion. In a banking organization with total consolidated assets of less than \$3 billion that has tiered HCs, each HC in the organization must submit, or have the top-tier HC submit on its behalf, a separate FR Y-9SP. This report collects basic balance sheet and income data for the parent company, as well as data on its intangible assets and intercompany transactions.

The Financial Statements for Employee Stock Ownership Plan Holding Companies (FR Y-9ES) is filed annually by each employee stock ownership plan (ESOP) that is also an HC. The report collects financial data on the ESOP's benefit plan activities. The FR Y-9ES consists of four schedules: Statement of Changes in Net Assets Available for Benefits, Statement of Net Assets Available for Benefits, Memoranda, and Notes to the Financial Statements.

The instructions to each of the FR Y-9C, FR Y-9LP, FR Y-9SP, and FR Y-9ES state that respondent HCs should retain workpapers and other records used in the preparation of the reports for a period of three years following submission. In addition, HCs must maintain in their files a manually signed and attested printout of the data submitted under each form for a period of three years.

The Supplement to the Consolidated Financial Statements for Holding Companies (FR Y-9CS) is a voluntary, free-form supplemental report that the Board may utilize to collect critical additional data deemed to be needed from HCs in an expedited manner. The FR Y-9CS data collections are used to assess and monitor emerging issues related to HCs, and the report is intended to supplement the other FR Y-9 reports. The data requested by the FR Y-9CS would depend on the Board's data needs in any given situation. For example, changes made by the Financial Accounting Standards Board may introduce into generally accepted accounting principles new data items that are not currently collected by the other FR Y-9 reports. The Board could use the FR Y-9CS report to collect these

¹ In addition to the FR Y-9, the Board proposes to revise without extension the Capital Assessments and Stress Testing Reports (FR Y-14A/Q/M; OMB No. 7100-0341) as a part of this clearance package. The revisions are explained below.

data until the items are implemented into the other FR Y-9 reports.

Proposed revisions:

The Board proposes to revise the FR Y-9C by (1) adding new line items to gather additional information regarding loans to nondepository financial institutions (NDFIs), (2) revising the instructions to include additional detail on the types of loans that should be reported as loans to NDFIs, (3) adding a new line item to capture the amount of structured financial products guaranteed by U.S. Government or sponsored agencies, (4) revising the instructions to permit HCs to use electronic signatures to comply with the FR Y-9C signature and attestation requirement, and (5) making other minor clarifications and conforming edits to the form and instructions. These revisions would also be consistent with proposed revisions² to the Federal Financial Institutions Examination Council (FFIEC) Consolidated Reports of Condition and Income (Call Reports) (FFIEC 031, FFIEC 041, and FFIEC 051; OMB No. 7100-0036).

The Board also proposes to revise the FR Y-9LP to instruct holding companies to report leases in accordance with Accounting Standards Update 2016-02, "Leases" (ASU 2016-02). There are no proposed revisions at this time for the FR Y-9SP, FR Y-9ES, or FR Y-9CS.

The Board also proposes to revise the Capital Assessments and Stress Testing Reports (FR Y-14A/Q/M; OMB No. 7100 0341) FR Y-14Q to align Schedule H.1, item 26, with the FR Y-9C proposed line items related to NDFIs. This change would have no effect on the hourly burden for the FR Y-14Q. There are no proposed revisions to the FR Y-14A/M as a part of this clearance. There is a separate notice for comment on the extension, with revision, of the FR Y-14A/Q/M, which published in the **Federal Register** on June 21, 2024 (89 FR 52042), and contains a full description of the FR Y-14A/Q/M information collection, including respondent burden estimates. The revisions proposed in that notice are unrelated to this revision. After considering any comments received related to all proposed revisions of the FR Y-14A/Q/M, the Board may finalize all FR Y-14A/Q/M revisions in a single **Federal Register** notice and supporting statement, separate from any **Federal Register** notice and supporting statement related to the FR Y-9.

All proposed changes mentioned above would take effect as of the December 31, 2024, report date.

Frequency: Quarterly, semiannual, annual, and as needed.

Respondents: HCs.
