The written comment is considered the official comment and should include discussion of all points you wish to make. EPA will generally not consider comments or comment contents located outside of the primary submission (*i.e.*, on the web, cloud, or other file sharing system). Please visit <https://www.epa.gov/dockets/commenting-epa-dockets> for additional submission methods; the full EPA public comment policy; information about CBI, PBI, or multimedia submissions; and general guidance on making effective comments.

B. Participation Virtually Public Meeting

The NEYAC will hear comments from the public from approximately 2:45 p.m.–3:15 p.m. eastern time. EPA will begin pre-registering speakers for the public meeting upon publication of this document in the **Federal Register**. To register to speak, please use the online registration form available at <https://www.epa.gov/faca/national-environmental-youth-advisory-council-neyac>. The last day to pre-register to speak at the public meeting will be at 11:59 p.m., eastern time, on Tuesday, October 15, 2024.

Time will be allotted on a first-come first-served basis, and the total period for comments may be extended if the number of requests for appearances requires it. EPA will make every effort to follow the schedule as closely as possible on the day of the public meeting; however, please plan for the meeting to run either ahead of schedule or behind schedule.

Individuals or groups making remarks during the public comment period will be limited to two (2)–three (3) minutes. Please be prepared to briefly describe your issue and your recommendation relevant to the current charges, topics, and questions under consideration by the NEYAC. EPA also recommends submitting the text of your oral comments as written comments to the rulemaking docket.

Written statements and supporting information submitted during the comment period will be considered with the same weight as oral comments and supporting information presented at the public meeting.

Please note that any updates made to any aspect of the public meeting are posted online at <https://www.epa.gov/faca/national-environmental-youth->
