Pursuant to 19 CFR 351.309(c), interested parties may submit case briefs to Commerce via ACCESS no later than 30 days after the date of publication of these preliminary results of review in the **Federal Register**.<sup>9</sup> Rebuttal briefs, limited to issues raised in the case briefs, may be filed in ACCESS not later

concurrently with, and hereby adopted by, this notice (Preliminary Decision Memorandum).

than five days after the date for filing case briefs.<sup>10</sup> Interested parties who submit case briefs or rebuttal briefs in this proceeding must submit: (1) a table of contents listing each issue; and (2) a table of authorities.<sup>11</sup>

As provided under 19 CFR 351.309(c)(2) and (d)(2), in prior proceedings we have encouraged interested parties to provide an executive summary of their brief that should be limited to five pages total, including footnotes. In this review, we instead request that interested parties provide at the beginning of their briefs a public, executive summary for each issue raised in their briefs.<sup>12</sup> Further, we request that interested parties limit their executive summary of each issue to no more than 450 words, not including citations. We intend to use the executive summaries as the basis of the comment summaries included in the issues and decision memorandum that will accompany the final results in this administrative review. We request that interested parties include footnotes for relevant citations in the executive summary of each issue. Note that Commerce has amended certain of its requirements pertaining to the service of documents in 19 CFR 351.303(f).<sup>13</sup>

Pursuant to 19 CFR 351.310(c), interested parties who wish to request a hearing must submit a written request for a hearing to the Assistant Secretary for Enforcement and Compliance, filed electronically via ACCESS, by no later than 5 p.m. Eastern Time within 30 days after the date of publication of this notice in the **Federal Register**. analysis of issues raised in the case and rebuttal briefs, within 120 days of publication of these preliminary results of review in the **Federal Register**, pursuant to section 751(a)(3)(A) of the Act, unless extended.

### Assessment Rates

Pursuant to section 751(a)(2)(A) of the Act and 19 CFR 351.212(b)(1), upon completion of this administrative review, Commerce shall determine, and U.S. Customs and Border Protection (CBP) shall assess, antidumping duties on all appropriate entries of subject merchandise covered by this review.<sup>14</sup> If Adiseo España's weighted-average dumping margin in the final results of this review is not zero or *de minimis* (*i.e.*, less than or equal to 0.5 percent), we will calculate importer-specific *ad valorem* assessment rates for the merchandise by dividing the total amount of dumping calculated for all reviewed sales to the importer by the total entered value of the merchandise sold to the importer.<sup>15</sup> Where either Adiseo España's *ad valorem* weighted-average dumping margin is zero or *de minimis*, or an importer-specific *ad valorem* assessment rate is zero or *de minimis* in the final results of review, we will instruct CBP to liquidate the appropriate entries without regard to antidumping duties.<sup>16</sup>

In accordance with Commerce's "automatic assessment" practice, for entries of subject merchandise during the POR produced by Adiseo España for which it did not know was destined for the United States, we intend to instruct CBP to liquidate those entries at the all-others rate (*i.e.*, 37.53 percent)<sup>17</sup> in the original less-than-fair-value (LTFV) investigation if there is no rate for the intermediate company(ies) involved in the transaction.<sup>18</sup>

Commerce intends to issue assessment instructions to CBP no earlier than 35 days after the date of publication of the final results of this review in the **Federal Register**. If a timely summons is filed at the U.S. Court of International Trade, Commerce will direct CBP not to liquidate relevant entries until the time for parties to file a request for a statutory injunction has

### Cash Deposit Requirements

The following cash deposit requirements will be in effect for all shipments of subject merchandise entered, or withdrawn from warehouse, for consumption on or after the date of publication of the notice of the final results of this administrative review in the **Federal Register**, as provided for by section 751(a)(2)(C) of the Act: (1) the cash deposit rate for Adiseo España will be equal to the weighted-average dumping margin established for Adiseo España in the final results of this administrative review, except if the rate is less than 0.50 percent and, therefore, *de minimis* within the meaning of 19 CFR 351.106(c)(1), then the cash deposit rate will be zero; (2) for exporters not covered in this review but that were previously reviewed or investigated in a prior segment of this proceeding, the cash deposit rate will continue to be the rate assigned to the company in the most recently-completed segment of this proceeding in which the producer or exporter was examined; (3) if the exporter of the subject merchandise does not have a company-specific rate but the producer of the subject merchandise does, then the cash deposit rate will be the rate assigned to the producer of the subject merchandise in the most recently completed segment of this proceeding in which the producer was examined; and (4) the cash deposit rate for all other producers or exporters will continue to be the all-others rate of 37.53 percent that was established in the investigation in this proceeding.<sup>19</sup> These cash deposit requirements, when imposed, shall remain in effect until further notice.

### Notification to Importers

This notice serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in Commerce's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

### Notification to Interested Parties

We are issuing and publishing these preliminary results of review in accordance with sections 751(a)(1) and

777(i) of the Act, and 19 CFR 351.221(b)(4).
