**SUPPLEMENTARY INFORMATION:**

#### **Background**

On April 9, 2020, the U.S. Department of Commerce (Commerce) published the *Orders*.<sup>1</sup> On August 23, 2024, LRD, an importer of subject merchandise, requested, through CCRs, that Commerce retroactively revoke the *Orders*, in part, pursuant to section 751(b)(1)(A) of the Tariff Act of 1930, as amended (the Act), and 19 CFR 351.216(b) with respect to certain wheels studs.<sup>2</sup> LRD stated that it qualifies as an importer of wheel studs currently subject to duties and, as such, is an interested party pursuant to section 771(9)(A) of the Act and 19 CFR 351.102(b)(29)(ii).<sup>3</sup> On August 30, 2024, Vulcan Threaded Rod Products Inc. (the petitioner) submitted comments indicating that it does not oppose the partial scope revocation requested in LRD's CCR request.<sup>4</sup>

On September 3, 2024, Commerce requested that LRD provide additional information related to its CCR Request.<sup>5</sup> LRD timely responded to the questionnaire on September 17, 2024.<sup>6</sup> In its CCR Supplement, LRD provided statements from three domestic producers, All Ohio Threaded Rod (All Ohio); Highland Thread, Inc. (Highland Thread); and Bay Standard Manufacturing Inc. (Bay Standard), indicating that they either were not interested in participating in the CCRs or were not contesting LRD's proposal.<sup>7</sup> The petitioner timely responded to the supplemental questionnaire on September 17, 2024, and provided information on the production of domestic like product.<sup>8</sup> On September

<sup>1</sup> See *Alloy and Certain Carbon Steel Threaded Rod from the People's Republic of China: Antidumping Duty Order*, 85 FR 19929 (April 9, 2020) (*AD Order*), and *Carbon and Alloy Steel Threaded Rod from India and the People's Republic of China: Countervailing Duty Orders*, 85 FR 19927 (April 9, 2020) (*CVD Order*) (collectively *Orders*).

<sup>2</sup> See LRD's Letter, "Request for an Expedited Changed Circumstances Review to Amend the Scope of the Order," dated August 23, 2024 (CCR Request).

<sup>3</sup> *Id.* at 1.

<sup>4</sup> See Petitioner's Letter, "Petitioner's Comments on CCR Request," dated August 30, 2024 (Petitioner's Comments).

<sup>5</sup> Commerce requested LRD to provide a signed attestation from the petitioner and additional domestic producers, as necessary, indicating that these entities account for 85 percent of the industry by production volume. See Commerce's Letter, "Supplemental Questionnaire," dated September 3, 2024.

<sup>6</sup> See LRD's Letter, "Reply to Supplemental Questionnaire," dated September 17, 2024 (LRD CCR Supplement).

<sup>7</sup> *Id.* at Exhibits 1-3.

<sup>8</sup> See Petitioner's Letter, "Vulcan's Attestation on Domestic Production," dated September 17, 2024 (Vulcan CCR Supplemental). Given that the petitioner's production data is business proprietary information, the petitioner responded directly to Commerce.

24, 2024, Commerce requested that LRD and the petitioner provide further supplemental information relating to production values of domestic producers.<sup>9</sup> On September 24, 2024, the petitioner timely responded and demonstrated that it and All Ohio, Highland Thread, and Bay Standard collectively represent "substantially all" of the production of the domestic like product.<sup>10</sup> No interested parties filed comments opposing the CCR Request. Further, LRD requested that Commerce conduct expedited CCRs.<sup>11</sup>
