

GENERAL SERVICES ADMINISTRATION

[Notice–P–2024–15; Docket No. 2024–0002;
Sequence No. 49]

Notice of Availability for the Record of Decision on the Final Environmental Impact Statement for the Alcan Land Port of Entry Expansion and Modernization in Alcan, Alaska

AGENCY: Public Buildings Service (PBS),
U.S. General Services Administration
(GSA).

ACTION: Notice of availability (NOA).

SUMMARY: GSA issued a Record of
Decision (ROD) on the Final
Environmental Impact Statement (EIS)
for the Alcan Land Port of Entry
Expansion and Modernization in Alcan,
Alaska on October 18, 2024. The ROD
was prepared in accordance with the
National Environmental Policy Act
(NEPA) of 1969, the Council on
Environmental Quality Regulations, and
the GSA PBS NEPA Desk Guide.

DATES: *Applicable:* Friday, October 18,
2024.

ADDRESSES: The ROD may be found
online at the following website:
www.gsa.gov/alcan.

FOR FURTHER INFORMATION CONTACT:
Aaron Evanson, Capital Project
Manager, AlcanLPOE@gsa.gov or 206–
445–5876.

SUPPLEMENTARY INFORMATION:

Background

The Alcan LPOE is located at
Milepost 1221.8 on the Alaska Highway,
0.43 miles from the U.S./Canada Border.
The existing Alcan LPOE is owned and
managed by GSA and is operated by the
U.S. Department of Homeland Security's
Customs and Border Protection (CBP).
The Alcan LPOE is the only 24-hour
port serving privately-owned vehicles
(POVs) and commercial traffic between
the Yukon Territory, Canada, and
mainland Alaska. GSA is the lead
agency for the Final EIS and the Native
Village of Northway is a cooperating
agency.

GSA proposes to build an expanded
and modernized LPOE and new housing
units at Alcan, Alaska, to replace the
existing facilities. The Final EIS
describes the purpose and need for the
proposed project, the alternatives
considered, the existing environment
that could be affected, the potential
impacts resulting from each of the
alternatives, and proposed best
management practices and mitigation
measures.

On April 7, 2023, GSA published a
Notice of Intent for the EIS and

underwent a 40-day scoping period. A
Draft EIS was issued over a 45-day
public comment period on February 26,
2024. Comments received, along with
GSA's responses, during the Final EIS
30-day waiting period, which ended on
October 7, 2024, are provided in
Appendix A of the ROD.

Preferred Alternative

As noted in the ROD, GSA has chosen
to implement Alternative 1: Expansion
and Modernization in Place as defined
in the Final EIS. This decision is based
on the Final EIS issued in September
2024; associated technical reports;
comments from federal and state
agencies, stakeholders, members of the
public, and elected officials; and other
resources contained in the
administrative record.

Alternative 1 consists of expanding
and modernizing the Alcan LPOE and
will include: site preparation and
grading; construction of a new Main
LPOE Building, enclosed inspection
vehicle spaces, new housing units with
improved security measures, an indoor
firing range, and a helicopter landing
zone; and demolition of the existing
LPOE structures. GSA will need
authorization for use of up to 6.5 acres
extending into the Tetlin NWR for the
proposed helicopter landing zone.

All facility and infrastructure
improvements proposed under
Alternative 1 will incorporate a
sustainable, climate-resilient, cyber-
secure, and operationally efficient
design. GSA will seek to meet or exceed
energy and sustainability goals
established by federal guidelines and
policies, along with industry standard
building codes and best practices.

There will be approximately 15 acres
of temporary ground disturbance and 5
acres of permanent ground disturbance
under Alternative 1. Approximately 5
acres will be used as a staging area
during construction. There are currently
8 acres of impermeable surfaces at the
LPOE; expansion and modernization
will add approximately 4 acres of
impervious surfaces. Given the seasonal
constraints of construction work in
Alaska, Alternative 1 will likely follow
a six-year implementation timeline,
which will be phased to avoid
disruption to LPOE operations.

GSA intends to implement and
comply with all mitigation measures as
detailed in the ROD.

Anamarie Crawley,

*Director, R10 Facilities Management Division,
Northwest/Arctic Region 10, U.S. General
Services Administration.*

GOVERNMENT PUBLISHING OFFICE

Depository Library Council Meeting

AGENCY: U.S. Government Publishing
Office.

ACTION: Notice of meeting.

SUMMARY: The Depository Library
Council (DLC) will meet virtually in
conjunction with the Federal Depository
Library Conference from Monday,
October 21, 2024, through Wednesday,
October 23, 2024. The meetings will
take place online, and anyone may
register to attend at [https://
www.fdlp.gov/2024-fdl-conference](https://www.fdlp.gov/2024-fdl-conference).
Closed captioning will also be provided.
The purpose is to discuss matters
affecting the Federal Depository Library
Program. All sessions are open to the
public.

DATES: October 21–23, 2024.

Hugh Nathaniel Halpern,

Director, U.S. Government Publishing Office.

DEPARTMENT OF HEALTH AND HUMAN SERVICES

Food and Drug Administration

[Docket No. FDA–2024–D–3993]

Postoperative Nausea and Vomiting: Developing Drugs for Prevention; Draft Guidance for Industry; Availability

AGENCY: Food and Drug Administration,
HHS.

ACTION: Notice of availability.

SUMMARY: The Food and Drug
Administration (FDA or Agency) is
announcing the availability of a draft
guidance for industry entitled
“Postoperative Nausea and Vomiting:
Developing Drugs for Prevention.” This
guidance provides recommendations
regarding the design of clinical trials for
the prevention of postoperative nausea
and vomiting in adults, including
considerations for eligibility criteria,
trial design features, efficacy
evaluations, and safety assessments.

DATES: Submit either electronic or
written comments on the draft guidance
by December 17, 2024 to ensure that the
Agency considers your comment on this
draft guidance before it begins work on
the final version of the guidance.

ADDRESSES: You may submit comments
on any guidance at any time as follows:
