

and DOT Data Quality Act guidelines. Accordingly, we encourage you to consult the guidelines in preparing your comments. OMB's guidelines may be accessed at <https://www.transportation.gov/regulations/dot-information-dissemination-quality-guidelines>.

How can I be sure that my comments were received?

If you submit comments by hard copy and wish Docket Management to notify you upon its receipt of your comments, enclose a self-addressed, stamped postcard in the envelope containing your comments. Upon receiving your comments, Docket Management will return the postcard by mail. If you submit comments electronically, your comments should appear automatically in the Docket identified in the heading of this document on www.regulations.gov. If they do not appear within two weeks of posting, NHTSA suggests that you call the Docket Management Facility at (202) 366-9826.

How do I submit confidential business information?

You should submit a redacted "public version" of your comment (including redacted versions of any additional documents or attachments) to the Docket using any of the methods identified under **ADDRESSES**. This "public version" of your comment should contain only the portions for which no claim of confidential treatment is made and from which those portions for which confidential treatment is claimed has been redacted. See below for further instructions on how to do this.

You also need to submit a request for confidential treatment directly to the Office of the Chief Counsel. Requests for confidential treatment are governed by 49 CFR part 512. Your request must set forth the information specified in part 512. This includes the materials for which confidentiality is being requested (as explained in more detail below); supporting information, pursuant to Section 512.8; and a certificate, pursuant to Section 512.4(b) and Part 512, appendix A.

You are required to submit to the Office of the Chief Counsel one unredacted "confidential version" of the information for which you are seeking confidential treatment. Pursuant to Section 512.6, the words "ENTIRE PAGE CONFIDENTIAL BUSINESS INFORMATION" or "CONFIDENTIAL BUSINESS INFORMATION CONTAINED WITHIN BRACKETS" (as applicable) must appear at the top of

each page containing information claimed to be confidential. In the latter situation, where not all information on the page is claimed to be confidential, identify each item of information for which confidentiality is requested within brackets: "[]."

You are also required to submit to the Office of the Chief Counsel one redacted "public version" of the information for which you are seeking confidential treatment. Pursuant to Section 512.5(a)(2), the redacted "public version" should include redactions of any information for which you are seeking confidential treatment (*i.e.*, the only information that should be unredacted is information for which you are not seeking confidential treatment).

NHTSA is currently treating electronic submission as an acceptable method for submitting confidential business information to the agency under Part 512. Please do not send a hardcopy of a request for confidential treatment to NHTSA's headquarters. The request should be sent to Dan Rabinovitz in the Office of the Chief Counsel at daniel.rabinovitz@dot.gov. You may either submit your request via email or request a secure file transfer link. If you are submitting the request via email, please also email a courtesy copy of the request to Paul Connet at paul.connet@dot.gov.

Will the agency consider late comments?

In our response, we will consider all comments that Docket Management receives before the close of business on the comment closing date indicated above under **DATES**. To the extent possible, we may also consider comments that Docket Management receives after that date.

How will the agency utilize comments received?

Comments received ahead of the workshop and demonstration may be addressed at the event. The agency will consider all comments received and will incorporate comments as it deems appropriate into the OVSC laboratory test procedure.

How can I read the comments submitted by other people?

You may read the comments received by Docket Management at the address given above under **ADDRESSES**. The hours of the Docket are indicated above in the same location. You may also see the comments on the internet, at www.regulations.gov, identified by the

docket number at the heading of this notice.

SUPPLEMENTARY INFORMATION: Under the PRA (44 U.S.C. 3501 *et seq.*), Federal agencies must obtain approval from the OMB for each collection of information that they conduct or sponsor. “Collection of information” is defined

in 44 U.S.C. 3502(3) and 5 CFR 1320.3(c) to include agency requests or requirements that members of the public submit reports, keep records, or provide information to a third party. Section 3506(c)(2)(A) of title 44 generally requires Federal agencies to provide a 60-day notice in the **Federal Register** concerning each proposed collection of information, including each proposed extension of an existing collection of information, before submitting the collection to OMB for approval. To comply with this requirement, the OCC is publishing notice of the revision of this collection.

Title: “Company-Run Annual Stress Test Reporting Template and Documentation for Covered Institutions with Total Consolidated Assets of \$250 Billion or More under the Dodd-Frank Wall Street Reform and Consumer Protection Act.”

OMB Control No.: 1557–0319.

Type of Review: Revision.

Affected Public: Businesses or other for-profit.

Description: Section 165(i)(2) of the Dodd-Frank Wall Street Reform and Consumer Protection Act¹ (Dodd-Frank Act) requires certain financial companies, including national banks and federal savings associations, to conduct annual stress tests² and requires the primary financial regulatory agency³ of those financial companies to issue regulations implementing the stress test requirements.⁴ Under section 165(i)(2), a covered institution is required to submit to the Board of Governors of the Federal Reserve System (Board) and to its primary financial regulatory agency a report at such time, in such form, and containing such information as the primary financial regulatory agency may require.⁵

On October 9, 2012, the OCC published in the **Federal Register** a final rule implementing the section 165(i)(2) annual stress test requirement.⁶ This rule describes the reports and information collections required to meet the reporting requirements under section 165(i)(2). These information collections will be treated as confidential (to the extent permitted by law.⁷

In 2012, the OCC first implemented the reporting templates referenced in

the final rule.⁸ The OCC uses the data collected to assess the reasonableness of the stress test results of covered institutions and to provide forward-looking information to the OCC regarding a covered institution’s capital adequacy. The OCC also may use the results of the stress tests to determine whether additional analytical techniques and exercises could be appropriate to identify, measure, and monitor risks at the covered institution. The stress test results are expected to support ongoing improvement in a covered institution’s stress testing practices with respect to its internal assessments of capital adequacy and overall capital planning.

The OCC recognizes that many covered institutions with total consolidated assets of \$250 billion or more are required to submit reports using reporting form FR Y–14A.⁹ The OCC also recognizes the Board has proposed modifications to the FR Y–14A and, to the extent practical, the OCC will keep its reporting requirements consistent with the Board’s FR Y–14A in order to minimize burden on covered institutions.¹⁰

The OCC’s proposed changes include only limited updates to reflect the changes made by the Board, and the proposed OCC reporting forms will substantially resemble the forms used by the OCC last year. The OCC’s proposed changes include removing the CECL Supplemental Schedule from the reporting instructions. The CECL Supplemental Schedule was a one-time schedule that reporting banks provided during the first submission cycle following their implementation of the ASU 2016–13 standards. This collection was implemented to identify the effect and timing of the adoption of CECL and the associated transition provisions, as provided by section 301 of the regulatory capital rules. As all firms have now adopted ASU 2016–13, this supplemental collection is not needed on a going-forward basis for modeling or analytical purposes. The proposed changes also include a small number of revisions that do not stem from revisions proposed by the Board. These include minor corrections and eliminating references to LIBOR, which is no longer a reference rate, in the instructions.

If the Board proposes additional changes to the FR Y–14A reporting forms after the publication of this notice, the OCC expects to make

corresponding changes to the OCC reporting forms to minimize inconsistencies and reduce burden. The OCC's proposed new reporting forms and instructions are available on the OCC's website at <https://www.occ.treas.gov/publications-and-resources/forms/dodd-frank-act-stress-test/index-dodd-frank-act-stress-test.html>.

Estimated Burden

Estimated Frequency of Response: On occasion.

Estimated Number of Respondents: 4 annually and 4 biennially.

Estimated Total Annual Burden: 3,558 hours.

Comments submitted in response to this notice will be summarized and included in the request for OMB approval. All comments will become a matter of public record. Comments are invited on:

(a) Whether the collection of information is necessary for the proper performance of the functions of the OCC, including whether the information has practical utility;

(b) The accuracy of the OCC's estimate of the burden of the collection of information;

(c) Ways to enhance the quality, utility, and clarity of the information to be collected;

(d) Ways to minimize the burden of the collection on respondents, including through the use of automated collection techniques or other forms of information technology; and

(e) Estimates of capital or start-up costs and costs of operation, maintenance, and purchase of services to provide information.
