

participants can readily favor competing venues if they deem fee levels at a particular venue to be excessive, or rebate opportunities available at other venues to be more favorable. In such an environment, the Exchange must continually adjust its fees to remain competitive with other exchanges and with alternative trading systems that have been exempted from compliance with the statutory standards applicable to exchanges. Because competitors are free to modify their own fees in response, and because market participants may readily adjust their order routing practices, the Exchange believes that the degree to which fee changes in this market may impose any burden on competition is extremely limited.

Intermarket Competition

Nothing in the proposal burdens inter-market competition (the competition among self-regulatory organizations). As discussed above, MRX Trade Outline is subject to direct competition from other options exchanges that offer similar products. Any of these exchanges can replicate this proposal in full or in part, and nothing in the proposal would interfere with the ability of any exchange to do so.

Intramarket Competition

Nothing in the proposal burdens intra-market competition (the competition among consumers of exchange data). Trade Outline is available to any customer under the same fee schedule as any other customer, and any market participant that wishes to purchase a license to distribute Derived Data can do so on a non-discriminatory basis.

Indeed, the proposal is designed to foster competition for vendors as well as exchanges by creating an incentive for market data vendors to identify, develop, and sell analytic indicators to help investors inform their investments strategies and analytic models.

proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to amend its Price List regarding the gross FOCUS fee charged to member organizations, effective October 10, 2024.³ The proposed rule change is available on the Exchange's website at www.nyse.com, at the principal office of the Exchange, and at the Commission's Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the self-regulatory organization included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of those statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant parts of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange proposes to amend its Price List to (1) provide for a temporary waiver of the Gross FOCUS fee from October 1, 2024 through February 28, 2025 (the "Waiver Period"), and (2) delete a reference to a superseded fee.

The Exchange proposes to implement the fee changes effective October 10, 2024.

Background

Generally, the Exchange may only use regulatory fees "to fund the legal, regulatory and surveillance operations" of the Exchange.⁴

³ The Exchange previously filed to amend the Price List on October 1, 2024 (SR-NYSE-2024-63) and withdrew such filing on October 10, 2024.
