III. Grant Application Process

A. Pro Bono Innovation Fund Grant Application Process

The PBIF application process is administered in LSC’s unified grants management system, GrantEase. Applicants must first submit a Pre-Application to LSC in GrantEase by January 16, 2024, to be considered for a grant. After review by LSC Staff, LSC’s President decides which applicants will be asked to submit a full application. Applicants will be notified of approval to submit a full application by early March 2025. Full applications are due to LSC in the GrantEase system on May 5, 2025. Once received, full applications will undergo a rigorous review by LSC staff and other subject matter experts. LSC’s President makes the final decision on funding for the Pro Bono Innovation Fund.

B. Late or Incomplete Applications

LSC may consider a request to submit a Pre-Application after the deadline, but only if the Applicant has submitted an email to probonoinnovation@lsc.gov explaining the circumstances that caused the delay prior to the Pre-Application deadline. Communication with LSC staff, including assigned LSC Special Grant staff members, is not a substitute for sending a formal request and explanation to probonoinnovation@lsc.gov. At its discretion, LSC may consider incomplete applications. LSC will determine the admissibility of late or incomplete applications on a case-by-case basis.

C. Multiple Pre-Applications

Applicants may submit multiple Pre-applications under the same or different funding category. If applying for

multiple grants, applicants should submit separate Pre-applications for each funding request.

D. Additional Information and Guidelines

Additional guidance and instructions on the Pro Bono Innovation Fund Pre-Application and Application processes, will be available and regularly updated at <https://www.lsc.gov/grants-grantee-resources/our-grant-programs/pro-bono-innovation-fund>.
