

and training equipment, publications and technical documentation, U.S. Government and contractor engineering and logistics support services, and other related elements of logistic and program support. The estimated total cost was \$860.4 million. Major Defense Equipment (MDE) constituted \$324.4 million of this total.

On June 15, 2020, Congress was notified by Congressional certification transmittal number 20–0G of an additional MDE sale of thirty (30) All-Up-Round MK 54 Lightweight Torpedoes (LWT). The following non-MDE items were also included: MK 54 LWT expendables; MK 54 turnaround kits; MK 54 containers; one (1) MK–695 Torpedo Systems Test Set (TSTS); support equipment including fire control modification platforms and spare parts; torpedo spare parts; training; publications; software; U.S. Government and contractor engineering, technical, and logistics support services and other related elements of logistics and program support. The addition of these items resulted in a net increase in MDE cost of \$45 million, resulting in a revised MDE cost of \$369.4 million. The total estimated case value increased to \$940.4 million.

On June 8, 2022, Congress was notified by Congressional certification transmittal number 22–0G of the MDE replacement of the previously notified two (2) All Up Round MK 54 Mod 0 LWTs with two (2) Exercise MK 54 Mod 0 LWTs. Also included was additional Engineering Technical Assistance for redesign of Radar Signal Processing Group configuration and updates to International Aegis Fire Control Loop design; shipsets of SAASM units and associated spares; COMSEC equipment for use between test sites; and removal of one (1) shipset MK 36 Mod 6 Decoy Launching System. The MDE total value remained \$369.4 million; however, the non-MDE estimated value increased from \$571 million to \$810.6 million. The total estimated case value increased to \$1.18 billion.

On February 27, 2023, Congress was notified by Congressional certification transmittal number 22–0W of the MDE inclusion of up to an additional sixty-two (62) SM–2 Block IIIB missiles in tactical and telemetered configurations. Also included were MK 13 canisters; spare parts and associated containers; personal training and training equipment; publications and technical data; U.S. Government and contractor technical assistance; and other related elements of logistics and program support. The addition of these items resulted in a net increase in MDE value of \$260 million, resulting in a revised

MDE value of \$629.4 million. The non-MDE estimated value increased from \$810.6 million to \$850.6 million. The total estimated case value increased by \$300 million to \$1.48 billion.

This transmittal notifies: 1) the MDE inclusion of an additional one hundred-ten (110) MK 54 Mod 0 Lightweight Torpedoes (LWT) in the form of conversion kits for the Spanish Navy's MK 46 LWTs; and 2) the replacement of the previously notified additional up to sixty-two (62) SM–2 Block IIIB missiles with up to sixty-two (62) SM–2 Block IIIC missiles. Also included are MK 54 LWT expendables; MK 54 turnaround kits; MK 54 containers; torpedo spare parts; training; logistics support services; air launch accessories; and unclassified and classified publications. The estimated total value of the new items is \$181 million. The value of the new MDE items constitutes \$75 million of this total, resulting in a revised MDE value of \$704.4 million. The estimated non-MDE value will increase by \$106 million to \$956.6 million. The total estimated case value will increase by \$181 million to \$1.661 billion.

(iv) *Significance*: The inclusion of this MDE represents an increase in capability over what was previously notified. The proposed amendment will support Spain's Anti-Submarine Warfare (ASW) capability by providing 50 MK 54 Conversion Kits for use with surface ships and 60 Conversion Kits for use on helicopters.

(v) *Justification*: This proposed sale will support the foreign policy and national security of the U.S. by improving the security of a North Atlantic Treaty Organization (NATO) Ally, which is an important force for political stability and economic progress in Europe. It is vital to the U.S. national interest to assist Spain in developing and maintaining a strong and ready self-defense capability.

(vi) *Sensitivity of Technology*:

The SM–2 Block IIIC Active Missile maximizes existing SM–6 Block I active and SM–2 semi-active missile technology to deliver a low cost, medium range dual mode active/semi-active missile. Improvements to the Guidance Section, communications plate and steering control section are planned to address obsolescence.

The Sensitivity of Technology Statement contained in the original notification applies to additional items reported here.

The highest level of classification of defense articles, components, and services included in this potential sale is SECRET.

(vii) *Date Report Delivered to Congress*: October 19, 2023

## DEPARTMENT OF DEFENSE

### Office of the Secretary

#### Charter Renewal of Department of Defense Federal Advisory Committees—United States Military Academy Board of Visitors, United States Naval Academy Board of Visitors, and Board of Visitors of the United States Air Force Academy

**AGENCY**: Department of Defense (DoD).

**ACTION**: Charter renewal of Federal advisory committees.

**SUMMARY**: The DoD is publishing this notice to announce that it is renewing the charters for the United States Military Academy Board of Visitors, the United States Naval Academy Board of Visitors, and the Board of Visitors of the U.S. Air Force Academy; hereafter referred to as “the Military Service Academy Boards of Visitors.”

**FOR FURTHER INFORMATION CONTACT**: Jim Freeman, DoD Advisory Committee Management Officer at [james.d.freeman4.civ@mail.mil](mailto:james.d.freeman4.civ@mail.mil), 703–697–1142.

**SUPPLEMENTARY INFORMATION**: The charters for the Military Service Academy Boards of Visitors are being renewed in accordance with chapter 10 of title 5, United States Code (U.S.C.) (commonly known as “the Federal Advisory Committee Act” or “FACA”), and 41 Code of Federal Register (CFR) 102–3.50(a). The charters and contact information for the Military Service Academy Boards of Visitors Designated Federal Officers (DFO) can be found at <https://www.facadatabase.gov/FACA/apex/FACAPublicAgencyNavigation>.

The mission/scope for the Military Service Academy Boards of Visitors along with its membership requirements are described in 10 U.S.C. 7455, 8468, and 9455. Members of the Military Service Academy Boards of Visitors who are not full-time or permanent part-time Federal civilian officers or employees, or active-duty members of the Uniformed Services are appointed as experts or consultants, pursuant to 5 U.S.C. 3109, to serve as special government employee members. Members of the Military Service Academy Boards of Visitors who are full-time or permanent part-time Federal civilian officers or employees, or active-duty members of the Uniformed Services are designated pursuant to 41

CFR 102–3.130(a), to serve as regular government employee members.

The public or interested organizations may submit written statements about the mission and functions of the Military Service Academy Boards of Visitors. Written statements shall be submitted to the respective DFO and may be submitted at any time or in response to the stated agenda of an announced meeting of a Military Service Academy Boards of Visitors. The respective DFO shall ensure that all written statements are provided to their respective membership for their consideration.

Dated: November 5, 2024.

## DEPARTMENT OF DEFENSE

### Office of the Secretary

#### Renewal of Department of Defense Federal Advisory Committees— Defense Advisory Committee for the Prevention of Sexual Misconduct

**AGENCY:** Department of Defense (DoD).

**ACTION:** Renewal of Federal advisory committee.

**SUMMARY:** The DoD is publishing this notice to announce that it is renewing the Defense Advisory Committee for the Prevention of Sexual Misconduct (DAC–PSM).

**FOR FURTHER INFORMATION CONTACT:** Jim Freeman, Advisory Committee Management Officer for the Department of Defense, 703–697–1142.

**SUPPLEMENTARY INFORMATION:** The DAC–PSM is being renewed in accordance with chapter 10 of title 5, United States Code (U.S.C.) (commonly referred to as the “Federal Advisory Committee Act” or “FACA”) and 41 Code of Federal Regulations (CFR) chapter 102–3.55(a)(4). The charter and contact information for the DAC–PSM’s Designated Federal Officer (DFO) are found at <https://www.facadatabase.gov/FACA/apex/FACAPublicAgencyNavigation>.

Pursuant to subsection 550B(c)(1) of the National Defense Authorization Act for Fiscal Year 2020 (“the NDAA for FY 2020”), the DAC–PSM shall provide independent recommendations on the prevention of sexual assault (including rape, forcible sodomy, other sexual assault, and other sexual misconduct including behaviors on the sexual

assault continuum of harm) involving members of the Armed Forces and the policies, programs and practices of each Military Department, each Armed Force, and each Military Service Academy for the prevention of sexual assault. Pursuant to section 535 of the NDAA for FY 2021, “Military Service Academy” includes the United States Coast Guard Academy.

In accordance with subsection 550B(b)(1) of the NDAA for FY 2020, the DAC–PSM shall consist of not more than 20 members, appointed, or designated by the Secretary of Defense from among individuals who have expertise appropriate for the work of the DAC–PSM, including at least one individual with each expertise as follows: a. The prevention of sexual assault and behaviors on the sexual assault continuum of harm; b. Adverse behaviors, including the prevention of suicide and the prevention of substance abuse; c. The change of culture of large organizations; or d. Implementation science.

In accordance with subsection 550B(b)(2) of the NDAA for FY 2020, individuals appointed or designated to the DAC–PSM may include individuals with experience in sexual assault prevention efforts of institutions of higher education, public health officials, and such other individuals as the Secretary of Defense considers appropriate. As further described in subsection 550B(b)(3) of the NDAA for FY 2020, no active-duty member of the Armed Forces, as defined by 10 U.S.C. 101(a)(4), shall be appointed or designated as a DAC–PSM member.

DAC–PSM members who are not full-time or permanent part-time Federal civilian officers or employees, or active-duty members of the Uniformed Services, shall be appointed as experts or consultants pursuant to 5 U.S.C. 3109 to serve as special government employee members. DAC–PSM members who are full-time or permanent part-time Federal civilian officers or employees, or active-duty members of the Uniformed Services (excluding the Armed Forces), shall be designated pursuant to 41 CFR 102–3.130(a) to serve as regular government employee members. The DoD Appointing Authority shall appoint the DAC–PSM’s leadership from among the membership previously approved to serve on the DAC–PSM in accordance with DoD policy and procedures, for a term of service of one-to-two years, with annual renewal, which shall not exceed the member’s approved DAC–PSM appointment or designation.

DAC–PSM members are appointed or designated to exercise their own best judgment on behalf of the DoD, without representing any particular points of view, and to discuss and deliberate in a manner that is free from conflicts of interest. Except for reimbursement of official DAC–PSM-related travel and per diem, DAC–PSM members serve without compensation.

The public or interested organizations may submit written statements to the DAC–PSM about the DAC–PSM’s mission and functions. Written statements may be submitted at any time or in response to the stated agenda of planned meeting of the DAC–PSM. All written statements shall be submitted to the DFO for the DAC–PSM, and this individual will ensure that the written statements are provided to the membership for their consideration.

Dated: November 5, 2024.
