

David Garcia, who was recorded as being 18 years old and identified as “Miwok; Yosemite.” Samuel H. Gilliam took the hair clippings at the Sherman Institute between 1930 and 1933. Gilliam sent the hair clippings to George Woodbury, who donated the hair clippings to the PMAE in 1935.

Lineal Descendant

Based on the information available and the results of consultation, a lineal descendant is connected to the human remains described in this notice.

Determinations

The PMAE has determined that:

- The human remains described in this notice represent the physical remains of one individual of Native American ancestry.
- A known lineal descendant, Peter Bagnod, is connected to the human remains described in this notice.

Requests for Repatriation

Written requests for repatriation of the human remains in this notice must be sent to the authorized representative identified in this notice under

ADDRESSES. Requests for repatriation may be submitted by:

1. The known lineal descendant connected to the human remains.
2. Any other lineal descendant not identified who shows, by a preponderance of the evidence, that the requestor is a lineal descendant.

Repatriation of the human remains in this notice to a requestor may occur on or after December 16, 2024. If competing requests for repatriation are received, the PMAE must determine the most appropriate requestor prior to repatriation. The PMAE is responsible for sending a copy of this notice to the lineal descendant and any other consulting parties.

Notice of Inventory Completion: San Bernardino County Museum, Redlands, CA AGENCY: National Park Service, Interior.

ACTION: Notice.

SUMMARY: In accordance with the Native American Graves Protection and Repatriation Act (NAGPRA), the San Bernardino County Museum has completed an inventory of human remains and associated funerary objects and has determined that there is a cultural affiliation between the human remains and associated funerary objects and Indian Tribes or Native Hawaiian organizations in this notice.

DATES: Repatriation of the human remains and associated funerary objects in this notice may occur on or after December 16, 2024.

ADDRESSES: Tamara Serrao-Leiva, San Bernardino County Museum, 2024 Orange Tree Lane, Redlands, CA 92374, telephone (909) 798-8623, email tserrao-leiva@sbcm.sbcounty.gov.

SUPPLEMENTARY INFORMATION: This notice is published as part of the National Park Service's administrative responsibilities under NAGPRA. The determinations in this notice are the sole responsibility of the San Bernardino County Museum and additional information on the determinations in this notice, including the results of consultation, can be found in its inventory or related records. The National Park Service is not responsible for the determinations in this notice.

Abstract of Information Available

Human remains representing, at least, one individual has been identified. The eight associated funerary objects are one stone, one rounded quartz tool, one lot of quartz and quartz frags, one lot of olivella shell, two obsidian flake/microlith, one lot of red ochre and paint, and one lot of faunal fragments. In 1948-50, Stuart Peck with ASA and UCLA excavated five burials, four possible “token burial,” and associated material, at Zuma Creek, Los Angeles County (catalog number SBCM-473), under a temporary permit. The identity of the individual is not known.

Human remains representing, at least, one individual has been identified. There are no associated funerary objects. These remains are identified by a label reading “Solstice Creek” (Los Angeles

County) cataloged under number SBCM-5906. This individual was likely a part of the larger donation to the department from the McCowns, who were actively collecting during the 1970s and 80s. The identity of the individual is not known.

Human remains representing, at least, one individual has been identified. The four associated funerary objects are one lot of soil, one lot of beads, one lot of shell, and one lot of fire-affected rock. The collections numbered SBCM-UNN:75-109 included a note found with remains reads, “Mrs. R. Holcomb, San Bernardino, 3/25/69, Dear Luis— This Indian is for the Museum. It was dug up by some kids on the heath north of Gaviota (which is north of Santa Barbara)—I don't know if these are of any interest, but you are welcome to them.—Penny Holcomb.” The ancestor and associated objects from Santa Barbara County were donated to the museum in 1969. The identity of the individual is not known.

Human remains representing, at minimum, two individuals has been identified. There are no associated funerary objects. This unnumbered collection contained a note found with the ancestors stated they were taken from the “California Coast.” The identity of the individuals is not known.

Cultural Affiliation

Based on the information available and the results of consultation, cultural affiliation is reasonably identified by the geographical location or acquisition history of the human remains and associated funerary objects described in this notice.

Determinations

The San Bernardino County Museum has determined that:

- The human remains described in this notice represent the physical remains of five individuals of Native American ancestry.
- The 12 objects described in this notice are reasonably believed to have been placed intentionally with or near individual human remains at the time of death or later as part of the death rite or ceremony.
- There is a connection between the human remains and associated funerary objects described in this notice and the Santa Ynez Band of Chumash Mission Indians of the Santa Ynez Reservation, California.

Requests for Repatriation

Written requests for repatriation of the human remains and associated funerary objects in this notice must be sent to the authorized representative identified in

this notice under **ADDRESSES**. Requests for repatriation may be submitted by:

1. Any one or more of the Indian Tribes or Native Hawaiian organizations identified in this notice.

2. Any lineal descendant, Indian Tribe, or Native Hawaiian organization not identified in this notice who shows, by a preponderance of the evidence, that the requestor is a lineal descendant or an Indian Tribe or Native Hawaiian organization with cultural affiliation.

Repatriation of the human remains and associated funerary objects described in this notice to a requestor may occur on or after December 16, 2024. If competing requests for repatriation are received, the San Bernardino County Museum must determine the most appropriate requestor prior to repatriation. Requests for joint repatriation of the human remains and associated funerary objects are considered a single request and not competing requests. The San Bernardino County Museum is responsible for sending a copy of this notice to the Indian Tribes and Native Hawaiian organizations identified in this notice.

Notice of Intended Disposition: U.S. Army Corps of Engineers, Tulsa District, Tulsa, OK

AGENCY: National Park Service, Interior.

ACTION: Notice.

SUMMARY: In accordance with the Native American Graves Protection and Repatriation Act (NAGPRA), the U.S. Army Corps of Engineers, Tulsa District (USACE Tulsa) intends to carry out the disposition of human remains removed from Federal or Tribal lands to the lineal descendants, Indian Tribe, or Native Hawaiian organization with priority for disposition in this notice.

DATES: Disposition of the human remains in this notice may occur on or after December 16, 2024. If no claim for disposition is received by November 14, 2025, the human remains in this notice will become unclaimed human remains.

ADDRESSES: Jacqueline Rodgers, U.S. Army Corps of Engineers, Tulsa District, 2488 East 81st Street, Tulsa, OK 74137, telephone (918) 669-4964, email jacqueline.rodgers@usace.army.mil.

SUPPLEMENTARY INFORMATION: This notice is published as part of the National Park Service's administrative responsibilities under NAGPRA. The determinations in this notice are the sole responsibility of the USACE Tulsa, and additional information on the human remains or cultural items in this notice, including the results of consultation, can be found in the related records. The National Park Service is not responsible for the identifications in this notice.

Abstract of Information Available

Based on the information available, human remains representing, at least, one individual have been reasonably identified. No associated funerary objects are present. On August 12, 2012, the remains were discovered along the shoreline of Canton Lake in Blaine County, Oklahoma and reported to local law enforcement. The remains were collected by law enforcement and remitted to the Medical Examiner, who determined the remains to be Native American and not of forensic interest. The individual was transferred to the Oklahoma Archaeological Survey (OAS) on August 28, 2013, and transferred from OAS to the Tulsa District Archaeological Repository on April 26, 2023. A precise location of the discovery was not recorded. Two nearby sites include 34BL27, a precontact site and 34BL110, a historic trash dump dating to the 1900s. The property at Canton Lake was allotted to the Cheyenne and Arapaho Tribes, Oklahoma before being transferred to USACE Tulsa.

Determinations

The USACE Tulsa has determined that:

- The human remains described in this notice represent the physical remains of one individual of Native American ancestry.
- The Cheyenne and Arapaho Tribes, Oklahoma have priority for disposition of the human remains described in this notice.

Claims for Disposition

Written claims for disposition of the human remains in this notice must be sent to the appropriate official identified in this notice under **ADDRESSES**. If no claim for disposition is received by November 14, 2025, the human remains in this notice will become unclaimed

human remains. Claims for disposition may be submitted by:

1. Any lineal descendant, Indian Tribe, or Native Hawaiian organization identified in this notice.

2. Any lineal descendant, Indian Tribe, or Native Hawaiian organization not identified in this notice who shows, by a preponderance of the evidence, that they have priority for disposition.

Disposition of the human remains in this notice may occur on or after December 16, 2024. If competing claims for disposition are received, the USACE Tulsa must determine the most appropriate claimant prior to disposition. Requests for joint disposition of the human remains are considered a single request and not competing requests. The USACE Tulsa is responsible for sending a copy of this notice to the lineal descendants, Indian Tribes, and Native Hawaiian organizations identified in this notice and to any other consulting parties.
