SECURITIES AND EXCHANGE COMMISSION

[Release No. 34–101624; File No. SR–NYSEAMER–2024–71]

Self-Regulatory Organizations; NYSE American LLC; Notice of Filing and Immediate Effectiveness of Proposed Change To Amend NYSE American Rule 7.13E To Remove References to the Chair of the Board

November 14, 2024.

Pursuant to Section 19(b)(1)¹ of the Securities Exchange Act of 1934

(“Act”)² and Rule 19b–4 thereunder,³ notice is hereby given that, on November 8, 2024, NYSE American LLC (“NYSE American” or the “Exchange”) filed with the Securities and Exchange Commission (“Commission”) the proposed rule change as described in Items I and II below, which Items have been prepared by the self-regulatory organization. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization’s Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to amend NYSE American Rule 7.13E to remove references to the Chair of the Board. The proposed rule change is available on the Exchange’s website at www.nyse.com, at the principal office of the Exchange, and at the Commission’s Public Reference Room.

II. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the self-regulatory organization included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of those statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant parts of such statements.

A. Self-Regulatory Organization’s Statement of the Purpose of, and the Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange proposes to amend NYSE American Rule 7.13E (Trading Suspensions) to remove references to the Chair of the Board of Directors of the Exchange (“Board”).

Under current Rule 7.13E,⁴ the Chair of the Board or the chief executive

² 15 U.S.C. 78a.

³ 17 CFR 240.19b–4.

⁴ The current text of Rule 7.13E was adopted in 2017 to harmonize the Exchange’s rules with those of its affiliate NYSE Arca, Inc. See Securities and Exchange Act Release No. 80590 (May 4, 2017), 82 FR 21843 (May 10, 2017) (SR–NYSEMKT–2017–01) (Order Granting Accelerated Approval of Proposed Rule Change, as Modified by Amendment No. 1, To Adopt New Equity Trading Rules To Transition Trading on the Exchange From a Floor-Based Market With a Parity Allocation Model to a Fully Automated Market With a Price-Time Priority Model on the Exchange’s New Trading Technology Platform, Pillar).

officer of the Exchange (the “CEO”), or the officer designee of the Chair or the CEO, has the power to suspend trading on any and all securities traded on the Exchange whenever in his or her opinion such suspension would be in the public interest. No such action shall continue longer than two days or as soon thereafter as a quorum of Directors can be assembled, unless the Board approves the continuation of such suspension.

The Exchange believes that it is advisable to remove the references to the Chair in Rule 7.13E because the Chair has not acted under Rule 7.13E since the rule was adopted and the Exchange does not anticipate that an independent or non-employee Chair will have sufficient involvement in the day-to-day operations of the Exchange to act under the Rule.

Moreover, the proposed changes to Rule 7.13E would make it substantially similar to the rule text governing Trading Suspensions currently in place on the Exchange’s affiliate the New York Stock Exchange LLC (“NYSE”) in its Rule 7.13.⁵ The proposed changes to Rule 7.13E therefore would harmonize the Exchange’s rules with those of its affiliate NYSE and provide for consistent authority to suspend trading across the Exchange and the NYSE.

To effectuate the change, the first sentence of the Rule would be amended as follows (proposed deletions bracketed):

The [Chair of the Board or the] CEO, or the officer designee of [the Chair or] the CEO, shall have the power to suspend trading in any and all securities traded on the Exchange whenever in his or her opinion such suspension would be in the public interest.

The requirement that no such action continue longer than two days or as soon thereafter as a quorum of Directors can be assembled, unless the Board approves the continuation of such suspension, would remain. No other changes to Rule 7.13E are proposed.

2. Statutory Basis

The Exchange believes that the proposed rule change is consistent with Section 6(b) of the Act,⁶ in general, and furthers the objectives of Section 6(b)(1)⁷ in particular, in that it enables the Exchange to be so organized as to have the capacity to be able to carry out

⁵ The difference is that the NYSE rule uses “trading on the Exchange” instead of “traded on the Exchange.” See Securities and Exchange Act Release No. 101477 (October 30, 2024), 89 FR 87917 (November 5, 2024) (SR–NYSE–2024–58) (Order Approving a Proposed Rule Change to Amend NYSE Rule 7.13).

⁷ 15 U.S.C. 78f(b)(1).

¹ 15 U.S.C. 78s(b)(1).

the purposes of the Act and to comply, and to enforce compliance by its exchange members and persons associated with its exchange members, with the provisions of the Act, the rules and regulations thereunder, and the rules of the Exchange. The Exchange also believes that the proposed rule change is consistent with Section 6(b)(5) of the Act,⁸ in that it is designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in facilitating transactions in securities, to remove impediments to and perfect the mechanism of a free and open market and a national market system and, in general, to protect investors and the public interest. In addition, the Exchange believes that the proposed rule change is designed to provide fair procedures for the denial of membership to any person seeking Exchange membership, the barring of any person from becoming associated with a member, and the prohibition or limitation by the Exchange of any person with respect to access to services offered by the Exchange or a member thereof, consistent with the objectives of Section 6(b)(7)⁹ and Section 6(d)(2)¹⁰ of the Act.

The proposed amendment would enable the Exchange to continue to be so organized as to have the capacity to carry out the purposes of the Act, thereby furthering the objectives of Section 6(b)(1)¹¹ of the Act. Amending Rule 7.13E to remove the references to the Chair would contribute to the orderly operation of the Exchange, as it would make Rule 7.13E more accurately reflect current practice, as the Chair has not acted under Rule 7.13E since the rule was adopted. It would also reflect the fact that the Exchange does not anticipate that an independent or non-employee Chair will have sufficient involvement in the day-to-day operations of the Exchange to act under the Rule. At the same time, the Chair would continue to have an oversight role, since the requirement would remain that no suspension of trading continue longer than two days or as soon thereafter as a quorum of Directors can be assembled, unless the Board approves the continuation of such suspension. Given that, the Board—including the Chair—would continue to oversee the length of time any

suspension of trading made under the Rule would be in effect.

Because amended Rule 7.13E would more accurately reflect current practice while still giving the Chair an oversight role, the Exchange believes that the proposed change would be beneficial to both investors and the public interest, thereby promoting the maintenance of a fair and orderly market and the protection of investors and the public interest consistent with Section 6(b)(5) of the Act.¹² Moreover, the Exchange believes that the proposed change would remove impediments to and perfect the mechanism of a free and open market and a national market system, and in general, protect investors and the public interest because substantially similar authority to suspend trading already exists on the Exchange's affiliate NYSE, and therefore is not novel.

For the same reasons, the Exchange believes that the proposed changes would continue to provide fair procedures for the prohibition or limitation by the Exchange of any person with respect to access to services offered by the Exchange consistent with the objectives of Section 6(b)(7)¹³ and Section 6(d)(2)¹⁴ of the Act.

For these reasons, the Exchange believes that the proposal is consistent with the Act.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange believes that the proposal will not impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of Section 6(b)(8) of the Act.¹⁵ The proposed rule change is not intended to address competitive issues but rather is concerned solely with amending Rule 7.13E so that it more accurately reflects current practice and to make it substantially similar to NYSE Rule 7.13.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

No written comments were solicited or received with respect to the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the proposed rule change does not: (i) significantly affect the

protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative for 30 days from the date on which it was filed, or such shorter time as the Commission may designate, it has become effective pursuant to Section 19(b)(3)(A) of the Act¹⁶ and subparagraph (f)(6) of Rule 19b-4 thereunder.¹⁷

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission will institute proceedings to determine whether the proposed rule change should be approved or disapproved.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Comments may be submitted by any of the following methods:

The Exchange has satisfied this requirement.
