Bureau of Land Management
 [BLM_NV_FRN_MO#4500183119]

Notice of Segregation of Public Land for the Esmeralda Solar Projects, Esmeralda County, Nevada

AGENCY: Bureau of Land Management, Interior.
ACTION: Notice of segregation.

SUMMARY: Through this notice the Bureau of Land Management (BLM) is segregating public lands included in seven rights-of-way applications, serialized as NVNV106386133, for the Leeward Esmeralda (NVNV105848463), Connect Gen Smoky Valley (NVNV105848465), Arevia Gold Dust (NVNV105851657), Invenergy Nivloc (NVNV105851658), NextEra Esmeralda (NVNV105851682), Red Ridge 1

(NVNV105852204) and Red Ridge 2 (NVNV105852205) solar energy projects, from appropriation under the public land laws, including the Mining Law, but not the Mineral Leasing or Material Sales Acts, for a period of up to 2 years from the date of publication of this notice, subject to valid existing rights. This segregation is to allow for the orderly administration of the public lands to facilitate consideration of development of renewable energy resources. The public lands segregated by this notice total 117,384.38 acres.

DATES: This segregation for the lands identified in this notice is effective on November 20, 2024.

FOR FURTHER INFORMATION CONTACT: Perry B. Wickham, Field Manager, at telephone: (775) 482-7801; address: P.O. Box 911, 1553 S Main Street, Tonopah, NV 89049; or email: pwickham@blm.gov. Individuals in the United States who are deaf, deafblind, hard of hearing, or have a speech disability may dial 711 (TTY, TDD, or TeleBraille) to access telecommunication relay services. Individuals outside the United States should use the relay services offered within their country to make international calls to the point-of-contact in the United States.

SUPPLEMENTARY INFORMATION: Regulations found at 43 CFR 2091.3-1(e) and 2804.25(f) allow the BLM to segregate public lands within a right-of-way application area for solar energy development from the operation of the public land laws, including the Mining

Law, by publication of a **Federal Register** notice. The BLM uses this segregation authority to preserve its ability to approve, approve with modifications, or deny proposed rights-of-way, and to facilitate the orderly administration of the public lands. This segregation is subject to valid existing rights, including existing valid mining claims located before this segregation notice. Licenses, permits, cooperative agreements, or discretionary land use authorizations of a temporary nature that would not impact lands identified in this notice may be allowed with the approval of an authorized officer of the BLM during the segregation period. The lands segregated under this notice are legally described as follows:

Mount Diablo Meridian, Nevada

The area described contains 117,384.38 acres, according to the official plats of the surveys and protraction diagrams on file with the BLM.

As provided in the regulations, the segregation of lands in this notice will not exceed 2 years from the date of publication unless extended for an additional 2 years through publication of a new notice in the **Federal Register**. The segregation period will terminate and the land will automatically reopen to appropriation under the public land laws, including the Mining Law, at the earliest of the following dates: upon issuance of a decision by the authorized officer granting, granting with modifications, or denying the application for a right-of-way; automatically at the end of the segregation; or upon publication of a **Federal Register** notice terminating the segregation.

Upon termination of the segregation of these lands, all lands subject to this segregation would automatically reopen to appropriation under the public land laws, including the Mining Law.

Authority: 43 CFR 2091.3–1(e) and 43 CFR 2804.25(f).

Notice of Inventory Completion: Peabody Museum of Archaeology and Ethnology, Harvard University, Cambridge, MA

AGENCY: National Park Service, Interior.

ACTION: Notice.

SUMMARY: In accordance with the Native American Graves Protection and Repatriation Act (NAGPRA), the Peabody Museum of Archaeology and

Ethnology, Harvard University (PMAE) has completed an inventory of human remains and has determined that there is a cultural affiliation between the human remains and Indian Tribes or Native Hawaiian organizations in this notice. The human remains were collected at the Sherman Institute, Riverside County, CA and the Fort Mohave Indian School, Mohave County, AZ.

DATES: Repatriation of the human remains in this notice may occur on or after December 20, 2024.

ADDRESSES: Jane Pickering, Peabody Museum of Archaeology and Ethnology, Harvard University, 11 Divinity Avenue, Cambridge, MA 02138, telephone (617) 496–2374, email jpickering@fas.harvard.edu.

SUPPLEMENTARY INFORMATION: This notice is published as part of the National Park Service’s administrative responsibilities under NAGPRA. The determinations in this notice are the sole responsibility of the PMAE, and additional information on the determinations in this notice, including the results of consultation, can be found in the inventory or related records. The National Park Service is not responsible for the determinations in this notice.

Abstract of Information Available

Based on the information available, human remains representing, at minimum, two individuals were collected at the Sherman Institute, Riverside County, CA. The human remains are hair clippings collected from one individual who was recorded as being 24 years old and one individual who was recorded as being 17 years old and identified as “Mojave.” Samuel H. Gilliam took the hair clippings at the Sherman Institute between 1930 and 1933. Gilliam sent the hair clippings to George Woodbury, who donated the hair clippings to the PMAE in 1935. No associated funerary objects are present.

Based on the information available, human remains representing, at minimum, one individual was collected at the Fort Mohave Indian School, Mohave County, AZ. The human remains are hair clippings collected from one individual who was recorded as being 10 years old and identified as “Mojave.” Timothy G. Mackey took the hair clippings at the Fort Mohave Indian School between 1930 and 1933. Mackey sent the hair clippings to George Woodbury, who donated the hair clippings to the PMAE in 1935. No associated funerary objects are present.

Cultural Affiliation

Based on the available information and the results of consultation, cultural affiliation is clearly identified by the information available about the human remains described in this notice.

Determinations

The PMAE has determined that:

- The human remains described in this notice represent the physical remains of three individuals of Native American ancestry.
- There is a reasonable connection between the human remains described in this notice and the Fort Mojave Indian Tribe of Arizona, California & Nevada.

Requests for Repatriation

Written requests for repatriation of the human remains in this notice must be sent to the Responsible Official identified in **ADDRESSES**. Requests for repatriation may be submitted by:

1. Any one or more of the Indian Tribes or Native Hawaiian organizations identified in this notice.
2. Any lineal descendant, Indian Tribe, or Native Hawaiian organization not identified in this notice who shows, by a preponderance of the evidence, that the requestor is a lineal descendant or a culturally affiliated Indian Tribe or Native Hawaiian organization.

Repatriation of the human remains in this notice to a requestor may occur on or after December 20, 2024. If competing requests for repatriation are received, the PMAE must determine the most appropriate requestor prior to repatriation. Requests for joint repatriation of the human remains are considered a single request and not competing requests. The PMAE is responsible for sending a copy of this notice to the Indian Tribe identified in this notice.

Authority: Native American Graves Protection and Repatriation Act, 25 U.S.C. 3003, and the implementing regulations, 43 CFR 10.10.

Dated: November 7, 2024.

Melanie O’Brien,

Manager, National NAGPRA Program.
